PATRIOTIC LEAGUE

The past week has been a very busy week at the Patriotic League. Tuesday night bunco parties and the Sunday game parties and supper has come off with the usual success. Mrs. Robert Stoker helped Mrs. Gillard in the kitchen, and such a good "home" supper was served. That, combined with the good times, and good entertainment made it difficult to get the soldiers out when the ambulances ar rived at seven-thirty.

The Snelling Club composed of sol diers and sides who were stationed a Fort Snelling, Minnesota, met in the League rooms on Wednesday night. They will use the League rooms every other week.

The League is now ready to start dancing lessons for girls under ten years of age. These lessons will take place on Monday afternoons at 3:45. Lessons will start as soon as a sufficient number have registered to warrant starting the class. is interested please either come to or call H. P. 1340 and leave your name

Several people have inquired whether the League has a library for everyone's use, or only for members. The library is for everyone who will take advantage of it, and is run on the same plan as the Public Library. The library is open every afternoon, but Sunday, from two to six. The Highland Park Public Library lends us from 50 to 75 books every month; and we have volumes loaned by the city of Highwood, by Mr. Hogan, and some that have been donated. Come and see what you can find to while away a lonesome evening.

"The Son of God goes forth to war. The American Church goes with Him." This is the cry of the oldest bishop, the "Patriarch of America." It is the message of the Right Rev. Daniel Sylvester Tuttle, D. D., LL. D.

Bishop of the Episcopal Diocese of Miss-ouri and Presiding Bishop of the Episcopal Church of the United States, to his flock of more than a million. He has uttered it from the eminence of his eighty-two years of life and his fiftytwo years of service as a bishop. It is his call to the colors of the Nation-Wide Campaign of the Church, to arouse every member of the Church to its responsibilities and opportunities in the crucial era of reconstruction, to raise more than \$62,000,000, to send out 1,500 new workers, that it may expand exery phase of its work at home and abroad.

CHILDREN OF THE RICH SUNDAY SCHOOL SLACKERS

The little son of poverty is a regular attendant at Grace Chapel, East Side, N. Y. The son of wealth is not so regularly seen at Sunday School,

The children of the poor are better Sunday School scholars than the sons and daughters of the rich, surveys of over 100 New York City parishes of the Episcopal Church indicate.

The surveys which are a part of the Church's Nation-Wide Campaign to be waged Sunday, December 7, for a min-fimum of \$62,000,000 from Espicopal-ians only, developed that children are neglecting Sunday School; and that of those who do go, the children of the poor show to much better advantage
