A lot of people believe in arbitrating their differences provided they can be the arbitrators.

Some people woo Mis Fortune while others sigh over misfortune. It's all in the viewpoint.

A hen is the only creature on earth that can set still and produce dividends.

Many a lad of twelve thinks that hearing is not worth the trouble it is to keep his ears clean.

Thoughts light as air—dancing—floating—bursting like bubbles—suggest a soapy brain.

Marriage often ends a couple's interest in astronomy.

**Y. W. C. A. NEWS**

There will be a meeting of the Board members held Tuesday morning at ten o'clock.

**Vespers Next Sunday**  
Mrs. George G. Greene will lead the Vesper services next Sunday afternoon at five o'clock. Mrs. Greene's talk is sure to be an interesting and helpful one, and all Association girls and their friends are invited to attend the meeting. Darlene Jones will act as pianist for the song service.

**Mothers Hear Capt. Morrison**  
Mrs. Sylvia Morrison, staff captain of the Salvation Army, who has won many friends in Highland Park, gave a splendid talk to the Mothers' club on the work of the Salvation Army women in foreign lands. Mrs. Morrison has a charming personality, and her talk was most interesting and inspiring. Miss Taylor, of the Columbia School of Music, gave a delightful piano solo which added much to the pleasure of the evening. Refreshments were served, and the mothers enjoyed talking together during the social time.

**Girl Reserve Rally**  
All the Girl Reserves of the Association met on Wednesday evening to hear Miss Lola Baumgardner, national Y. W. C. A. girls' work secretary. Following the helpful talk to the girls in which she explained many of the things which other Girl Reserves all over the country are doing, the girls gave a program which they had prepared. The following numbers were given:

Dance, Mildred Goelitz and Jeanette Zehren.

Shadow Pictures "The Oysterman," "Lord Ullin's Daughter," and a comic picture of a dentist pulling a tooth by the Second and Third corps of the Girl Reserves.

Mother Goose Rhymes in Action, given by the Third and Fourth corps. A prize of a Girl Reserve pin was given to the girl who guessed the largest number of rhymes correctly.

Song, "The Maginties," Ethel Erickson, Nettie Grimson and Beryl Holland.

Camping Songs, Second and Third corps of Girl reserves.

**Give Magazines for Christmas**  
Magazine Subscriptions for Christmas Presents, is the present slogan of the Girl Reserves. The girls are taking subscriptions for four magazines, Good Housekeeping, Harper's Bazaar, the Cosmopolitan, and Hearst's, and will use the profit which they make as a means of adding to their camping fund for next summer.

**Friendship Club Elects**  
The following officers were elected by the Friendship club at their last meeting: President, Elizabeth Williams; vice-president, Janet Swanson; secretary, Lulu Ditmer; treasurer, Esther Swanson. The club decided to give Christmas gifts to the children of the Deerfield Orphanage as their present service work. The chairmen of the committees are: Service committee, Burnetta Scharf, and Social, Mary Daley.

**Dix Amies Meet**  
Eleanor Beck was elected chairman of the Dix Amies club at their last meeting, Elsie Blomdahl vice-chairman, and Margaret Mayer secretary-treasurer.

**Club Meetings**  
The Aster club will meet on Thursday evening at 7:30, to make Christmas stockings and their contents for the children at the Deerfield orphanage.

The Entre Nous club girls will meet Friday evening. Every member is needed at this important meeting.

The Dix Amies will hold their next meeting Tuesday evening, December 9.

The Rainbow girls will meet on Tuesday evening, Dec. 9, and will continue their sewing for their "adopted" orphan.

**ELM PLACE SCHOOL**

During the past week or so alterations have been made in the west wall of the auditorium. Masonry was removed and the opening framed up with six windows and paneling uniform with the wall construction of the floors above. This will insure adequate light in the west end of the auditorium and add to its value as a recitation room.

Miss Heffron's English classes use this as a recitation room, the rolling partition being fastened down while the room is in use. The great increase in the amount of light admitted adds to the attractiveness of the entire auditorium when used for assembly purposes.

During the repairs of the auditorium the pupils have been without an assembly room. This would have been a great disappointment when the time for the Thanksgiving exercises came round had it not been that Mr. Pearl generously offered the use of the Pearl Theatre for that purpose without charge. On last Wednesday afternoon all the rooms marched with flags flying to the theatre. An excellent program was given. The choruses under Miss Jewett's direction were unusually attractive. The special feature of the program was the dramatization of "The Courtship of Miles Standish" by the 6th grade pupils under the direction of Miss Clara White and Miss Sands. The play was staged in such a way that in each of the different scenes the leading characters were represented by a different set of pupils. The result was very interesting and in this way the star parts were distributed among a large number of pupils. The pupils themselves had chosen their representatives for the different parts and practically every child in the room, whether appearing in a leading part or not, was able to recite the lines for several if not all of the scenes.

The people who forget to buy their Christmas gifts early, will soon be complaining how disagreeable it is to shop when everyone is crowding in to the stores.
