

How to Foil Wind and Weather on Washday

From now until spring a battle that endangers health most on washday be waged with rain and sleet.

That, or drying the washing in the cellar or attic, with its attendant inconvenience and sour smells.

Of course we can not order weather to our fancy, but if you would laugh at mud and water, save your health and keep your hands and face free from chapping and roughness, telephone us.

Next, bundle up your family washing and have our driver call for it.

In our laundry your things are initiated where the mark never shows. Everything is sorted, too—table linen is washed only with table linen, hosiery with hosiery. There is no indiscriminate mixing. And it is laundered in fleecy suds of silky softness.

The weather, and the hardship of fall and winter washing need never be a source of worry. Use your telephone and let us help you.

Ebenezer Evangelical

The church is quite busy preparing for the Christmas festivities. There really are two celebrations—one for the Primary department and the Cradle Roll and all their friends on Saturday afternoon in the auditorium and basement of the church building and the other for the rest of the school in the auditorium Tuesday evening, Dec. 23. The different classes of the school, headed by the Philatheas are gathering clothing and money for the needy poor in one of our charges on the frontier. Instead of expected gifts at this celebration each of the 25 classes will bring their offerings for this worthy object. Several boxes and barrels will be sent by express at once so they will not be neglected on Christmas eve.

The congregation will have a treat on next Sunday by a visit from Rev. Howard Kuist, who will preach both morning and evening. Howard is one of our boys, a graduate from Western Union College, and now taking a theological course at Dr. White's school in New York City.

The Sunday services are as follows: Sunday school at 9:30. K. L. C. E. Candle Light Meeting at 6:45.

Preaching by Rev. Howard Kuist at 10:30 and 7:30. The public is cordially welcome to all these services.

The Best Way.

If the show of anything be good for anything, I am sure sincerity is better; for why does any man dissimble, or seem to be that which he is not, but because he thinks it good to have such a quality as he pretends to? For to counterfeit and dissimble is to put on the appearance of some real excellency. Now the best way in the world for a man to seem to be anything, is really to be what he would seem to be. —Tillotson.

Bound to Do Some Good.

We may scatter the seeds of courtesy and kindness around us at so little expense. Some of them will inevitably fall on good ground, and grow up into benevolence in the minds of others; and all of them will bear fruit of happiness in the bosom whence they spring.—Exchange.

DEERFIELD NEWS ITEMS

It is to be regretted that so few parents heard Mrs. Featherstone's interesting lecture on Malnutrition and Child Welfare in the school assembly hall Friday evening. As Mrs. Featherstone is an unusually fine speaker with a pleasing personality, and was kind enough to come to Deerfield and to be greeted by such a small audience, it was very disappointing.

Mrs. Redheffer who, like Mrs. Featherstone, has taken Dr. Emerson's course on Child Welfare, volunteered to weigh and measure the Deerfield pupils last week and found the disappointing fact that with all the fresh air and less strenuous life of the city the children were in the same class as in the Chicago schools—16 per cent under weight.

Mrs. Featherstone related many interesting facts about the Infant Welfare society which was made possible in Chicago through the Elizabeth McCormick fund.

The weighing and measuring of school children was prompted by the draft when it was found that 35 per cent of our young men were underweight making them physically unfit for service. There are forty child health centers in Illinois since the war.

A number of slides were shown pointing out the work being done in the Infant Welfare stations, among the poor people and fresh air schools where children 7 per cent or more under weight are treated.

If a child is underweight, there is some cause for it and should be attended to because it is the health of the child that counts as Dr. Wood of N. Y. said when he saw a flag waving over a school house, "Does it assure health as well as education?" Parents when they know their children are underweight should change their food and ways of living. It doesn't matter so much now as it will in later years.

Mrs. Redheffer will be glad to meet with the mothers whose children are underweight and see what can be done to bring these children to normal weight.

Mr. and Mrs. Eugene Ender were the guests of Mr. and Mrs. E. J. Bingham of Chicago Sunday.

Mr. Lincoln Pettis, who has been serving on the Federal jury for the past six weeks, is home.

Mrs. William Carr entertained eight ladies at five hundred Tuesday afternoon. Miss Clara Ender was the successful prize winner.

Mr. and Mrs. W. A. Whiting of Irving Park were the week end guests of Mr. and Mrs. L. Pettis.

Mr. and Mrs. Gibson of Chicago were guests of Mrs. Gibson's brother, Mr. J. A. Stryker.

Miss Ruth Glos, D. S. H. S. '18, has been elected president of the junior class of the Chicago normal school.

Morris Reichelt gave a party for his friends Saturday evening.

Mr. and Mrs. Raggon of Jackson, Minn., visited at the home of Albert Raggon last week.

The Women's Missionary Society of the Presbyterian church will be entertained by Mrs. William Schinleber Thursday afternoon.

The United Evangelical church will hold their annual Christmas entertainment in the Church Tuesday evening, Dec. 23.

St. Paul's church will have their program Wednesday evening, December 24.

Presbyterian Church

Christmas will be observed in the evening of Dec. 21 by a special service in the assembly hall of the Deerfield grammar school. The Christ Child in Art and Story will be shown in forty exquisite lantern slides, the reproduction of famous paintings. This will be a Community Christmas service for the village and neighborhood.

The program will begin promptly at seven o'clock and will continue for but one hour in order to permit the children to attend. The offering will be sent to Syria, where there is urgent need for relief work.

Last week three marriages took place: Walter Shier and Christine Seiler; Agnes Hansen and Walter Bush and Lillian Fahner and Walter Seiler.

John A. Reichelt is visiting his son, Hulbert E. Reichelt of Julesburg, Colo.

School Notes

The children, through the kindness of the P. T. A., are being served hot cocoa with their noonday lunch.

Florence Gloden entertained her teacher and school mates at a birthday party Saturday afternoon.

As for my life, I am eleven years old, I go to school every day and my mother is a dress-maker. I have a little brother a year older than myself.

The picture donated by the P. T. A. was purchased this week and will hang in Mrs. Davenport's room. The picture is given each month to the room that has the most mothers and friends at the monthly P. T. A. meeting.

The following is a letter recently received from an adopted French orphan boy:

Emanville, November 16, 1919
Dear Benefactors:

I have received with great pleasure your nice letter and I thank you kindly for your little remembrance.

I will send you my photograph in two weeks.

Very tenderly yours,
JULIEN CHAUVIN.

WAR CAMP COMMUNITY

There are two things in this town that can be relied upon to draw a crowd of an evening regardless of the H. C. L.—War times—rains—mosquitoes et cetera and they are the movies and the dances at the high school. Somehow people seem to like them regardless; they do not come out as a complimentary effusion but rather on the same principle that man goes to a ball game—to enjoy himself. For several weeks the dances have necessarily had to be discontinued on account of the coal situation and notices were sent out to the boys and girls that there would be a discontinuance of the dances until conditions changed but with all the notifying and caution a goodly crowd turned up and cots had to be arranged for the sailors and it is said that several places heretofore utilized as storage rooms were in the emergency pressed into service as sleeping quarters.

If conditions keep on improving with the coal situation it is proposed to give a dance during the holidays and special music will be arranged for and the pent up enthusiasm of the last three or four weeks will be given an opportunity to vent itself with the aid of jazz music and special dancing arrangements. It is also hoped that some sort of an entertainment might be arranged for the boys who cannot dance in the shape of a vaudeville show, but such an undertaking calls for finances greater than the budget of the War Camp Community service allowed and unless some of the good fellows about town help out the cause this particular feature will not materialize.

The activities of the War Camp Community service have ceased all over the country except in our own community, but on account of the great success attained here and the almost insistent demand on the part of the men in uniform and of our duty a special dispensation has been allowed us to continue throughout January, 1920.

War Camp Community in active practice has demonstrated its worth to a community to such an extent that the foundation laid by the War Camp Community service through the War department has given birth to a new idea to take the place of war activities and undoubtedly in due season plans will be brought forward to perpetuate the service and if no other monument is erected in our midst to commemorate the war this work will be carried forward as a legacy of the war.

TRINITY CHURCH

The combined choirs of Trinity Church and the Church of the Holy Spirit, Lake Forest, are to sing Maundor's Christmas cantata, "Bethlehem," in the church on Tuesday evening, December 23. Mr. Ranous and Miss Burnmeister will be among the soloists.

The children's Christmas tree and carol service will be held in the church on Christmas eve, Wednesday, at four o'clock. The children will bring their gifts for the tree for poor children at St. Mary's Mission house in Chicago.

On Christmas day there will be two services. A celebration of the Holy Communion at seven thirty with no music except the organ, and at ten o'clock a second celebration and shortened matins with the full choir.

On the Sunday after Christmas at four o'clock the children will repeat the beautiful little Christmas mystery play which they gave two years ago.

What She Was Making Up.

Virginia had been out the night before and looked tired, so mother suggested she stay in. When John came down from her room mother said: "Well, is sister making up her mind to stay in?" He replied: "Nope. She's makin' up her face to go out."

Famous American.

In 1809, on the 8th of November, Admiral Stewart, an American, who won fame in the battles against French privateers and against the British in the war of 1812, died. Admiral Stewart was the grandfather of Charles Farnell.

HIGH SCHOOL NOTES

The football team was entertained at a dinner given by Mrs. Bolan of Ft. Sheridan, last Monday evening. The dinner was a surprise party in honor of her son, James, who was celebrating his eighteenth birthday. Jimmy was captain of this year's football team.

Mr. Rothacher has returned to school and is sufficiently recovered to aid in coaching the basketball team. The squad is doing strenuous work now, as the coaching staff wants the team to be well under way before the holidays. No games will be played before Christmas.

The freshman girls in Miss Morgan's session gave the children of the Dorcas home a Christmas party, on Saturday afternoon. Games were played and the girls amused the little ones with stories. Santa Claus dropped in with presents for everybody. Refreshments were provided and served by the girls.

One week of school is left before the holidays, and no signs of the class rings. No one seems to know the reason for this long delay. The seniors, with the exception of Bamborough, have given up hope. We surmise that Bamborough didn't buy one.

The school is eagerly looking forward to the freshman informal to be given Friday afternoon in the boys' gym. There is doubt in the minds of some as to the ability of the freshmen to put on a good informal. This will be their first experience and we hope that the dance will be a credit to them. Those who attended the senior informal know how it ought to be done.

RAVINA SCHOOL

The Christmas spirit is with Ravina school this week. On Monday afternoon the children went to Fort Sheridan and sang their carols in the convalescent room. On Wednesday they entertained the friends in the Old Peoples' home in the same way. Tonight (Thursday) at seven o'clock the carols are sung in the village house where the parents gather with the children around the Christmas tree. The fathers and mothers are guests of the children and will receive gifts made by the boys and girls. The school helped in sending several barrels of toys, fruits, and clothing to the Chicago Commons last week, as their contribution to the less fortunate at this season. The holly wreaths which hang in the school windows were made by the older children. School closes tomorrow for a two weeks' vacation.

Saturday Half Holiday.

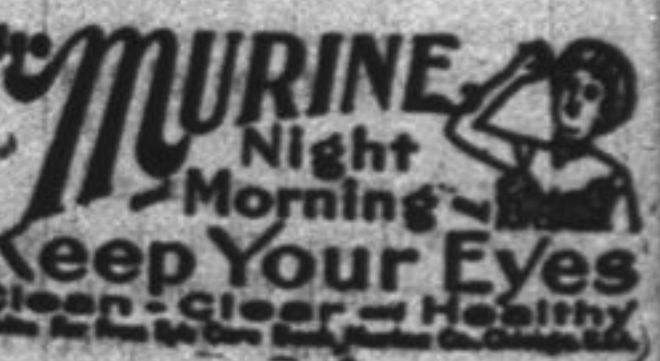

The custom of having Saturday afternoon as a holiday is supposed to have originated in Scotland. It appears that by a council of William, king of Scotland, A. D. 1203, it was determined that Saturday, after the twelfth hour, should be kept holy, that every one might attend Vespers in preparation for Sunday.
