

CRISPO BISCUITS

are dainty bits of crisp sweetness.

They are made of the best and purest flour, sugar, shortening, flavoring and other materials.

They are baked by master bakers in ovens that are scientifically controlled to the finest shade of baking perfection.

For deserts, luncheons and the bites "between meals" they are deliciously welcome. They relieve you of long hours in the kitchen and they solve your sugar worries.

Their appetizing sweetness and crispness appeal to everyone.
