

**A Friend in Time of Need**

There are times in the life of every housewife when help with the work of the household is necessary. Our laundry service is one to which you can turn for "first aid" during such times of need.

If you would take a holiday, call us up. If there is illness in the home and the invalid requires much of your attention, call us up. If you have guests for a few days, call us up. If you are going out of town and leaving hubby behind you, call us up.

At such times as these—in times of pleasure and in times of emergency—we are always glad to receive your family bundle and do your washing for you.

Ours is a laundry service in which you will find all that is best in cleanliness, in sterilization, and in the saving of clothes. Soft water and billowy suds for washing; steam heat that never scorches for ironing; delivery at a definite time—these are only a few of the superior washday helps we offer you.
