

Do You Feel Dressed Up in a Soft Collar?

"A great demand for a smart-looking, starched collar for men has developed as a result of the war."

This statement is a quotation from an article that appeared recently in a magazine that is an authority for men's wear in the United States.

As a nation, the war taught us neatness. Men learned the value of trim dress. The passing of the soft collar and the popularity of the starched is a result of that object lesson. For it is a fact that no single detail of apparel adds so much to a man's good appearance as a well-starched collar.

Our services are especially at your disposal for this item of your dress. You send us your collars—we deliver them perfectly laundered, lustrous, immaculate, smooth and pearly, with none of the rough "saw" edges of the old stand-up of the days gone by.

Play fair with yourself in your personal attire. Telephone us. Then wrap your bundle securely and our driver will call for it.

SOCIAL ACTIVITY

Miss Genevieve Mott, daughter of Mr. John Grenville Mott, will be married to Frank Burroughs Mulford of St. Louis at four o'clock Saturday afternoon at Trinity Church with Dr. Peter C. Wolcott officiating. Miss Mott's only attendant will be her cousin, Mrs. Thompson Buchanan of Los Angeles, Cal., who was formerly Miss Catherine Winterbotham. Mr. Joseph Minott Mulford will serve his brother as best man. The bride's gown will be of lace and tulle made over silver, while the matron of honor will wear a gown of silver cloth and blue tulle. A reception will follow the ceremony at the home of the bride's father. Mr. and Mrs. Mulford will be at home after March 15 at 4906 Argyle Place, St. Louis.

Mrs. Julius Zimmer will be hostess to the Five Hundred club this afternoon.

Mr. Ernest Gieser entertained the Baraca class at his home on Green Bay road last evening.

Announcements are out for the wedding of George E. Bowden and Miss Margaret Schendorf, which is to occur on Wednesday, January 28, at the Immaculate Conception church.

Miss Schendorf is the daughter of Mr. and Mrs. Henry Schendorf of W. Central avenue, and Mr. Bowden is the son of Mr. and Mrs. Jam. Bowden. Both young people have many friends in Highland Park.

A honeymoon trip has been planned; but has been kept a secret. They will make their home in Highland Park.

Last evening (Wednesday) the Luther League celebrated the anniversary of the organization at the Assembly hall. Speeches were made by H. E. Eichler, Harold Gemin, and the Rev. Suhr. After a hot supper the evening was spent with music and games.

JUNIOR SERVICE CLUB

The next meeting of the Junior Service club will occur on Tuesday evening, January 27, at the Y. W. C. A. rooms. All members are asked to be present.

HIGH SCHOOL NOTES

The heavyweight and lightweight basketball teams both suffered defeat at the hands of Lane Tech. last Friday evening on the home floor. The heavies were defeated 16-7, and the lights 7-6. In spite of these results Coach Rothacher is well satisfied that his team will make a good showing in the Suburban league games. Friday's game was the initial appearance for the home teams. An unusually large crowd turned out to support the home team, which was very gratifying to Coach Rothacher. Highland Park residents realize that Deerfield basketball games are, in no small way, representing Highland Park throughout the Chicago suburbs and it is for this reason that they take such a lively interest in the welfare of the teams. The basketball schedule this year will be very gratifying to those interested in the team. The majority of the games are to be played at home, and the most important games are home games. The next game is with Riverside, at Riverside, next Friday evening. This is the first suburban league game.

A Deerfield emblem was given to each of the 1919 football squad, in assembly last Friday morning. Those receiving the emblem were: Captain Bolan, Captain-elect Parcels, Leaf, Stevens, Jackson, Johnson, Ritta, Morgan, Heiler, Lauridson, Stunkle, Stewart, Proctor, McIlwain, McDaniel, Baldwin, and Manager Garrity.

A large part of the athletic field has been flooded for a skating pond for the benefit of those who are fond of skating. The gymnasium classes will be allowed to use the gym, periods for skating. This privilege will afford the students an excellent opportunity for a little outdoor exercise during the school hours.

The senior class was pleasantly surprised, on the last day of school before vacation, by the arrival of the long expected rings and pins. Mr. Bamborough greeted the seniors on their arrival, adorned by a senior ring and a senior pin, and informed them that they could possess their long anticipated treasures by applying at the office.

The students have returned to their work with a great deal of enthusiasm. Indications would lead one to suspect that they have decided to make this year a year of earnest endeavor along scholastic lines.

M. E. CHURCH

We are glad to report a growing interest in all the various phases of church work. Last Saturday evening the attendance and interest in the entertainment for the soldiers was as fine as any we have had. An excellent program by E. L. Boken, Chicago, lively games and good eats introduced by a religious program made a well rounded evening enjoyed by all. Some people think and say that religion does not work with men in the service. Such a statement always comes from a person who either never tried it or does not enjoy a superabundance of it and does not know what real practical, joyous, abiding religion is. We are well pleased with the fruits of this work and wish to thank those persons who have in any way aided in its performance.

Services

Last Sunday morning the largest attendance was present at the opening of S. S. that we have seen for some time. The morning service was well attended. The Epworth League added a new feature in meeting for fifteen minutes before the service for prayer. The League service was well attended and the evening church service was taken up with meditations on the sacrificial life and death of the Christ and the Sacrament of the Lord's Supper. An old member remarked that to be the largest communion service held in the church for a long time. Surely everyone present was conscious of the sacred Presence.

Next Lord's Day the regular services will be observed. A special Mep's Service or get-together meeting will be held at 1:30 p. m. sharp. The idea is to work out a plan for an evangelistic campaign, to form an organization for intelligent and efficient work among men.

A meeting for Women will be held at 2:45 p. m. for the same purpose.

The young people already have their organization and have placed it at the minister's disposal.

There are claimed to be some great statesmen in public life now, but so far none of their orations has been printed in the Fifth Reader.

All people want nowadays is the eight hour day, with Saturday afternoons, one nap, and two smoking periods, wash-up on employers' time, and a holiday every other week.

Government Flour Is Pure Flour; No Substitutes

Unscrupulous flour salesmen are warning retailers against buying United States Grain Corporation Standard Pure Wheat Flour. They have represented to these retailers that government flour is war flour, victory flour that contains substitutes, that it is "doped."

These are malicious falsehoods.

Government flour is a pure white flour without substitute of any sort. It makes the finest bread and pastries. It is just like the flour you have eaten all your life; the flour the best bakers have been using for years.

The high quality, pure wheat flour will be sold to the public through regular trade channels at not above 80 cents for 12-pound packages and \$1.60 for 24 1/2-pound packages in paper.

Effective January 12th prices to retailer were established as follows:

Carlots in paper sacks, \$10.80 per barrel.

Carlots in cotton sacks, \$11.20 per barrel.

Less than carlots, 75c per barrel higher.

This flour is 20 to 40 per cent cheaper than "patent" flour which makes no better bread or pastry.

If your dealer does not have this flour, he can obtain it from the United States Grain Corporation.

This flour is now on hand and for sale at

Great Atlantic and Pacific Tea Co. Stores
Names of additional stores handling this flour will be published from time to time.
