HIGHWOOD PATRIOTIC LEAGUE

For some weeks past the Highwood Patriotic League has been without a regularly appointed general secretary. During this period Miss Ruby Dick, a part time secretary, has assumed the entire responsibility for both the Sheridan club (War Camp Community Center) and the Patriotic League. The work of both these organizations in this community is of supreme importance. The various activities among the women, young people and children are of such a character as to make for the development of the strongest and best citizenship and the building up of the finest community spirit. The duties of the person in charge of this work are of necessity many and important. These duties have been discharged in a creditable way during the interim from the leaving of Miss Lois Dick, past general secretary and the arrival, Monday, of Miss Vera G. Swindel, the incoming secretary. Miss Swindel's home is in St. Joseph, Mich. She has been the successful girls' worker in Detroit, Mich. and comes to her new duties well fitted to carry on the work in Highwood.

We welcome Miss Swindel to the community and invite the heartiest and closest cooperation on the part of all the people both of Highwood and Highland Park in carrying on this work. There can be no question but that the work of these two organizations must be continued indefinitely. That of the Sheridan Club as long as there are wounded soldiers at the hospital and the Patriotic League permanently for the sake of our future citizenship and the development of a healthy community spirit. But to do this requires that the financial support come from the local people. It will be nothing short of a crime to fall these institutions at such a time as this. When the call for subscriptions comes every person must do his duty. Stop, look, listen for future notices.

This will give all children an opportunity to see such pictures as: "Little Golden Locks," "Sleeping Beauty," "Cinderella," and many others fitting for a juvenile program.

Mr. T. A. Simpson was an all day visitor at the Oak Terrace school on Thursday last. The fourth grade children all welcomed Miss Renehan

Have You Traveled in Italy?

If you have not done so, you should go over now. I believe you will find some of the beautiful gardens left, not destroyed during the war. You would get an idea of the beautiful surroundings it is possible to have right here on your own grounds.

You say the climate is different. That is true; but we have a great variety of trees, shrubs, evergreens, roses and other flowers which grow very well here. Even with the limited variety we have in this country you can make your home not only beautiful, but wonderful, in Italian styles.

I am prepared to draw plans for your garden and grounds after the Italian style, and will be glad to talk over such plans with the owners of North Shore property. I handle the work either on a time basis or by contract. No job is too small to have my attention; still I am prepared to handle contracts running into thousands of dollars.

Won't you think it over? If you would like to beautify your grounds, call up Highland Park 523 now, and I will prepare a plan during the Winter. The work can then be done early next Spring. Bear in mind that a job of this kind well done never needs to be done again. You save money by having it done right.
