Buy Now While Deliveries Are Possible

Buy your Ford car now while deliveries are possible. There is only a limited, specified number of Ford cars allotted to this territory. You will be wise to buy one now while we can get cars to deliver. A signed order with us is your protection.

Even our small allotment of Ford cars is not shipped us until we have bona fide orders for them. This is because the demand for Ford cars all over the country is greater than the supply or production. So, don't depend on spring delivery.

Only so many Ford cars will be shipped in to this territory; only so many will be able to get Ford cars. If you would be forehanded and plan ahead, you will have us deliver you a Ford car as soon as possible. Then you will have it to use whenever you want it.

The Ford is an all year utility—in your home or business. Its serviceability, its ease of operation, its low cost of maintenance has made it such. It will serve you the year around. Spring and summer, autumn and winter, it is your servant; always ready to do your bidding.

Have You Traveled in Italy?

If you have not done so, you should go over now. I believe you will find some of the beautiful gardens left, not destroyed during the war. You would get an idea of the beautiful surroundings it is possible to have right here on your own grounds.

You say the climate is different. That is true; but we have a great variety of trees, shrubs, evergreens, roses and other flowers which grow very well here. Even with the limited variety we have in this country you can make your home not only beautiful, but wonderful, in Italian styles.

I am prepared to draw plans for your garden and grounds after the Italian style, and will be glad to talk over such plans with the owners of North Shore property. I handle the work either on a time basis or by contract. No job is too small to have my attention; still I am prepared to handle contracts running into thousands of dollars.

Won't you think it over? If you would like to beautify your grounds, call up Highland Park 523 now, and I will prepare a plan during the Winter. The work can then be done early next Spring. Bear in mind that a job of this kind well done never needs to be done again. You save money by having it done right.

DEERFIELD GRAMMAR SCHOOL

A number of the pupils are absent because of sickness.

Supt. Simpson visited us Thursday.

Marie Golden, Dorothy Lidgerwood and Willard Goldring visited the upper grades Friday.

PATRIOTIC LEAGUE

Miss Hull of Waukegan was unable to conduct her music classes Wednesday on account of illness. She expects to be with us this week.

Wednesday evening a company of people gathered together for a general good time. Many came for the first time and before the evening was over they were planning to come again. Mr. Oscar Meyers played and sang, Lucille Fritsch gave a reading and Edith Greice and Margaret Girardin sang some duets. Games, puzzles and "Cootie" were enjoyed and refreshments were served.

Thursday afternoon there was a Girls' Party at the League Rooms. All grade school girls were invited and the building will have to be enlarged before we have another party of that size. Games were played and Miss Ridlon from the Highland Park library told many interesting stories. She was greeted with such enthusiasm that she has consented to hold a story hour every Thursday afternoon at 4:00. Refreshments were served.

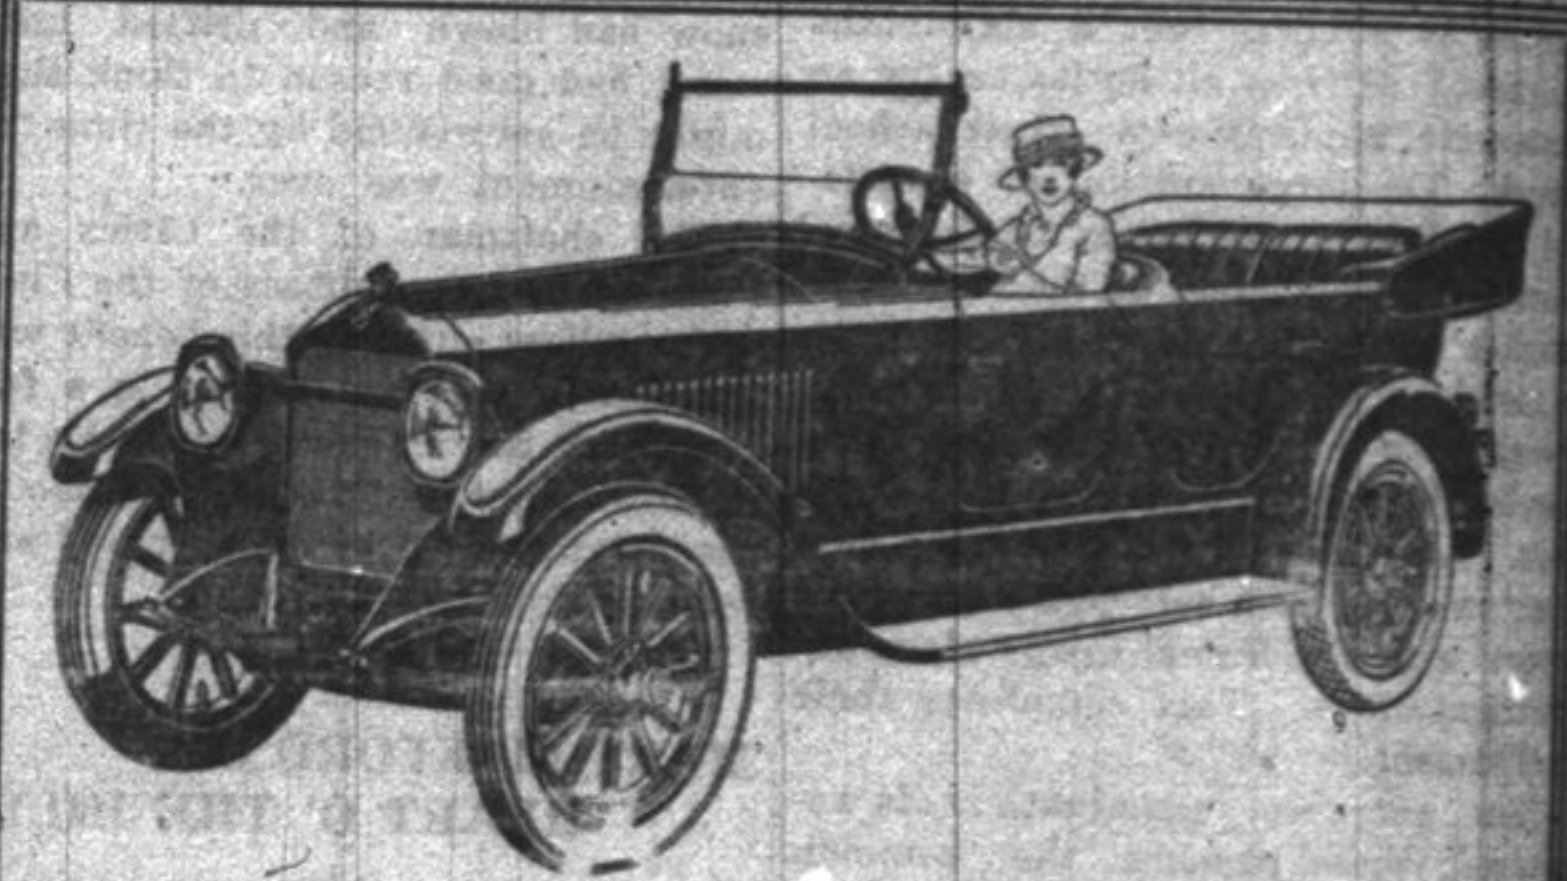

Monday the usual High School Girls' Supper Club was postponed and instead a supper was held for the workers in the Finance Campaign. Three teams were formed, two among the High School girls and one in the Business Girls' Club. Mildred Lange and Grace Fulkerson are the two captains of the H. S. teams and as the losers are to banquet the winners, each girl is determined to be a "guest."

The next Sunday entertainment for the wounded men will be February 8th, instead of February 1st as announced last week.
