

Mother Is Looking Younger

(Dad) "Well, mother, you're looking pretty fine these days. By jove, I believe you look younger and fresher than you did a year ago."

(Mother, blushing) "If that is really true and not your good natured blarney, I must give you the credit. You know you quite insisted some time ago that we send the family washing to the Reliable."

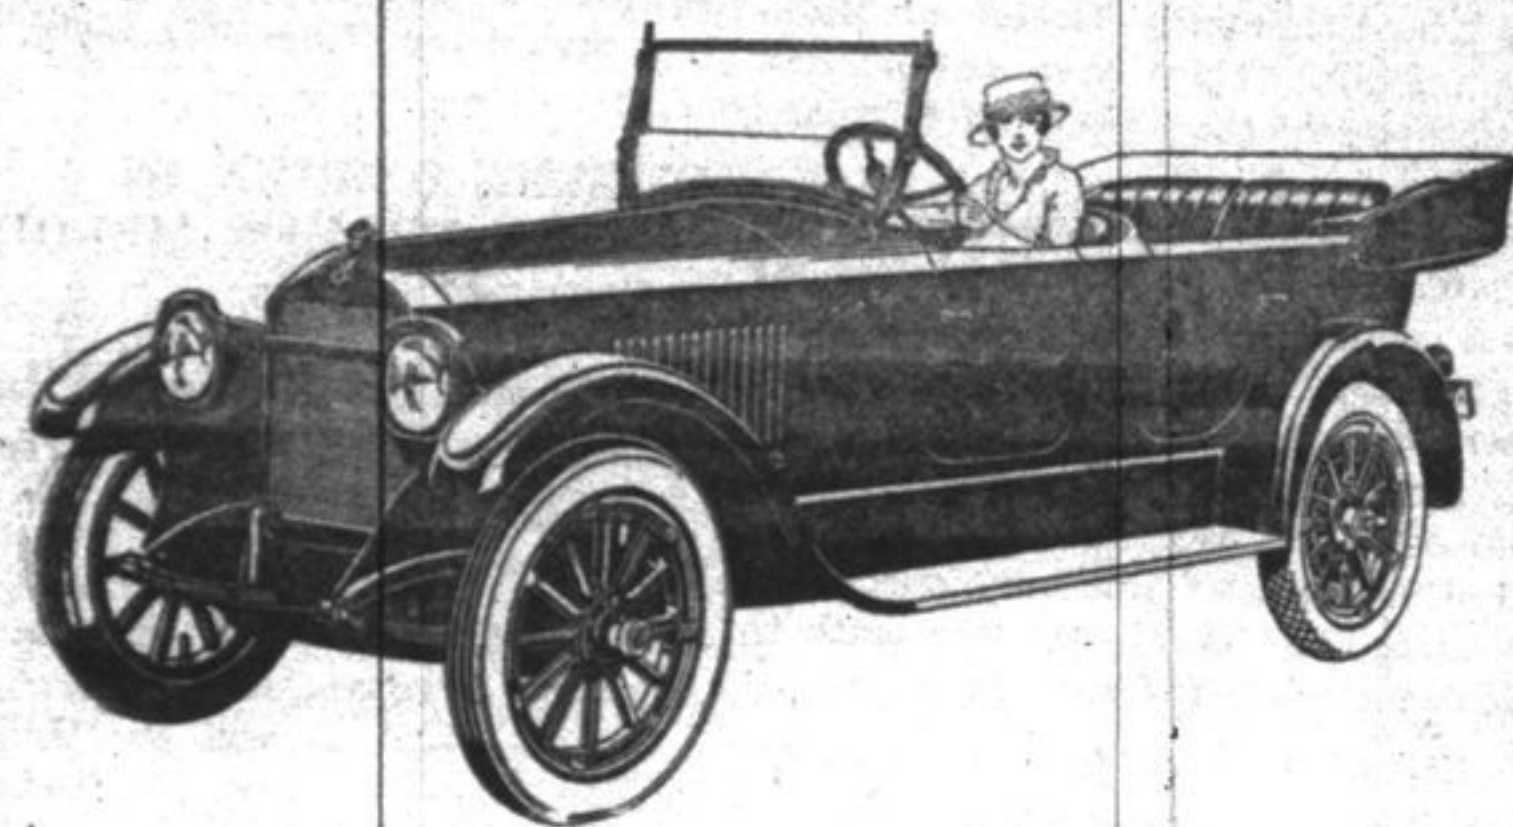

(Dad) "So I did. So that's what's making the difference?"

(Mother) "A good part of it, anyway. There's a joke about it, too. You gave me extra money, thinking it would cost more. I've found out that it really costs less, just as they said it would, and which neither of us believed."

Family washings are done at a pound rate. All flat pieces are nicely ironed—balance ready to iron. Average washing costs less our way than when done at home.

John G. Schwab, Minister
The services are regularly held at 11 a. m. and 7:30 p. m. on Sundays. The Sunday school meets promptly at 10 o'clock. The punctual opening and closing of the session has been noticeably augmented by the introduction of special features by the superintendent.

The Day of Prayer for the Women's Missionary society was observed last Sunday morning. The pastor gave an address on the work done by this organization, and a special offering was taken. One of the objectives for the year is to give financial support to the Colorado conference, which is being organized.

The Forward Movement of the Evangelical Association was formally launched in the churches on February 1st. The months of February and March will be devoted to the development of the spiritual resources of the church. Conferences for instruction and inspiration in the organizing of this work will be held next week at the Wisconsin street church, Chicago; at Mendota, Streator and Washington, Ill. These conferences will be composed of pastors and selected lay-workers. Leaders of the movement will be present to direct the conferences. The Call to Prayer is going forth to every member of the Church. No time of the year is more appropriate for this than the Lenten season into which we are about to enter.

Have You Traveled
in Italy?

If you have not done so, you should go over now. I believe you will find some of the beautiful gardens left, not destroyed during the war. You would get an idea of the beautiful surroundings it is possible to have right here on your own grounds.

You say the climate is different. That is true; but we have a great variety of trees, shrubs, evergreens, roses and other flowers which grow very well here. Even with the limited variety we have in this country you can make your home not only beautiful, but wonderful, in Italian styles.

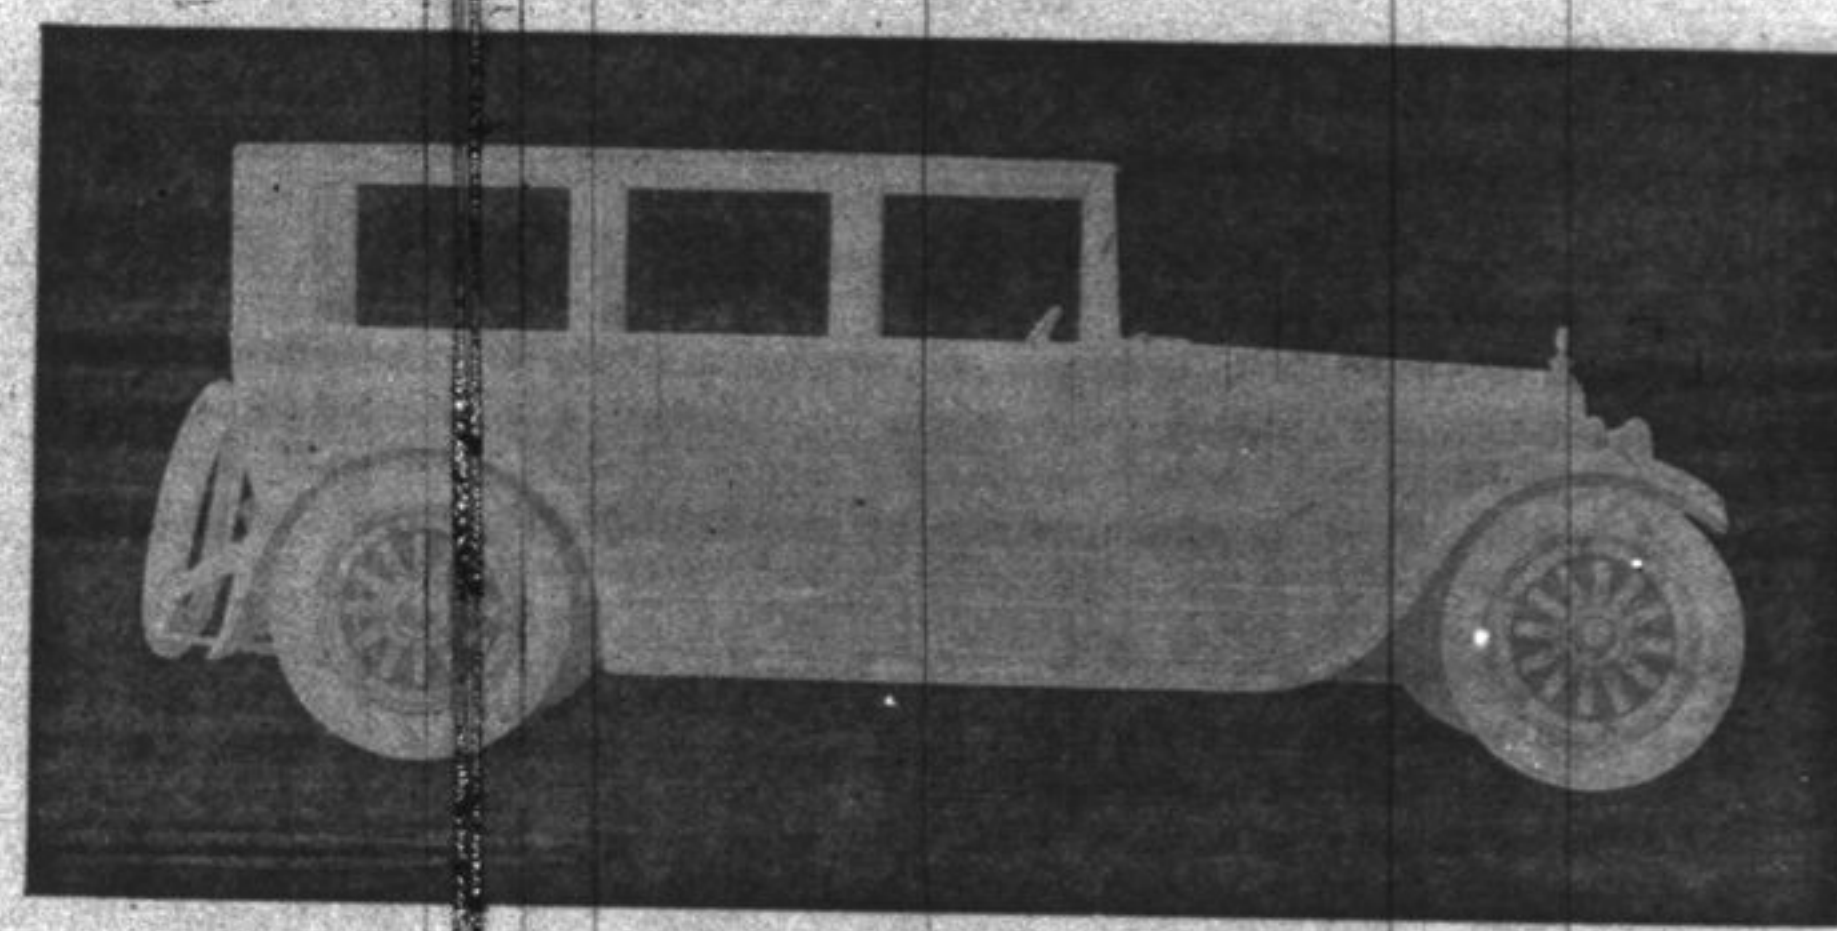

I am prepared to draw plans for your garden and grounds after the Italian style, and will be glad to talk over such plans with the owners of North Shore property. I handle the work either on a time basis or by contract. No job is too small to have my attention; still I am prepared to handle contracts running into thousands of dollars.

Won't you think it over? If you would like to beautify your grounds, call up Highland Park 523 now, and I will prepare a plan during the winter. The work can then be done early next spring. Bear in mind that a job of this kind well done never needs to be done again. You save money by having it done right.

The Jordan Silhouette Sedan

THIS smart closed car is happily designed for the owner who drives. Intimately comfortable for five persons—snug, one might say, but without the slightest suggestion of crowding. The wide windows give all the vision of an open car.

The day of the top-heavy closed car is definitely past. The Jordan Silhouette Brougham has an all-aluminum body. It is light and conspicuous for its absence of rattle. The car is easily handled, with an abundance of fluent power.

The interior is most inviting, with upholstery of finest imported weaves in shades to match the body colors.

In lines the body is grace itself. The shape of the doors, the spacing of the windows, the curve of fender and the height of hood all contribute to an effect that is fashionably modern.

A new Jordan Motor Car with all that this implies.
