### HIGH SCHOOL NOTES

Deerfield won a double victory over Riverside on Friday evening, defeating their lightweights 16 to 2 and their heavyweights 26 to 16. The lightweights played an excellent defensive game and kept the ball in the Riverside territory throughout the game. Riverside's points were made by free throws. The heavies took the lead early in the game and kept it. The game was highly exciting, as the Deerfield boys were required to exert themselves to the utmost to maintain their lead. This is the second time this season that the Riverside teams have suffered defeat at the hands of Deerfield.

Have You Traveled in Italy?

If you have not done so, you should go over now. I believe you will find some of the beautiful gardens left, not destroyed during the war. You would get an idea of the beautiful surroundings it is possible to have right here on your own grounds.

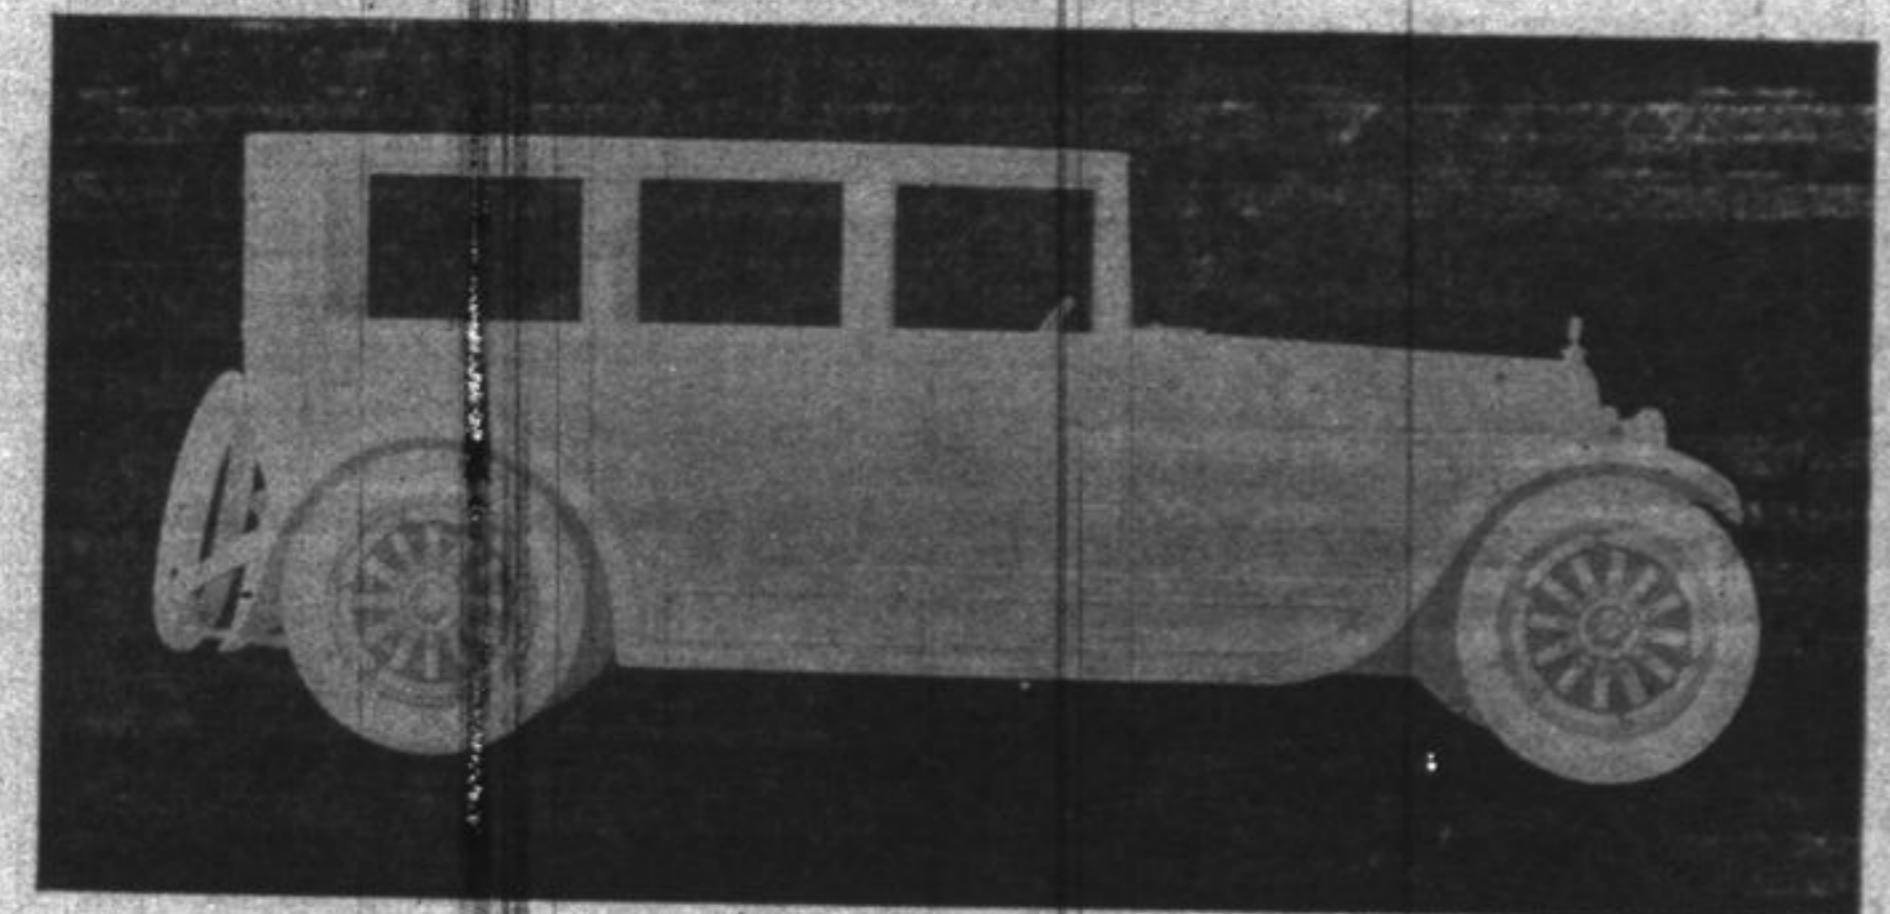

You say the climate is different. That is true; but we have a great variety of trees, shrubs, evergreens, roses and other flowers which grow very well here. Even with the limited variety we have in this country you can make your home not only beautiful, but wonderful, in Italian styles.

I am prepared to draw plans for your garden and grounds after the Italian style, and will be glad to talk over such plans with the owners of North Shore property. I handle the work either on a time basis or by contract. No job is too small to have my attention; still I am prepared to handle contracts running into thousands of dollars.

Won't you think it over? If you would like to beautify your grounds, call up Highland Park 523 now, and I will prepare a plan during the Winter. The work can then be done early next Spring. Bear in mind that a job of this kind well done never needs to be done again. You save money by having it done right.

## The Jordan Silhouette Sedan

THIS smart closed car is happily designed for the owner who drives. Intimately comfortable for five persons—snug, one might say, but without the slightest suggestion of crowding. The wide windows give all the vision of an open car.

The day of the top-heavy closed car is definitely past. The Jordan Silhouette Brougham has an all-aluminum body. It is light and conspicuous for its absence of rattle. The car is easily handled, with an abundance of fluent power.

The interior is most inviting, with upholstery of finest imported weaves in shades to match the body colors.

In lines the body is grace itself. The shape of the doors, the spacing of the windows, the curve of fender and the height of hood all contribute to an effect that is fashionably modern.

A new Jordan Motor Car with all that this implies.
