SEE SUCCESSFUL END TO DRIVE THIS WEEK (Continued from Page 1)

dog was a complacent airedale who had made up his mind to sit it out until his small master loosed the very short tether which held him to the bench; and so he held his peace, sitting on his haunches, a knob of excess rope at his neck and not enough to permit him to lie down, and waited his master's pleasure in that absurd majesty of dogs and small boys.

The Center presents many a delightful picture these days of towns people who have taken out their membership and come in to enjoy a quiet hour of reading and seeing their friends. The drive for membership will close next Saturday. Now is the time to subscribe. our name at this time will help the cause, swell the membership, increase the enthusiasm, and add tenfold to the morale of the new project. This is your opportunity.

OVER 600 PEOPLE ATTEND HOUSE-WARMING (Continued from Page 1)

es at the door added, "This is the best time I have had for years."

Another asked, "If my husband comes in here some evening with his button on, can he play pool?" Upon being assured that he might, she said, "He likes to play pool, and I think it would be fine if he could play here with a few of his friends sometimes, and the children and I could sit in one of these other rooms reading. I like to have my family together." We repeat this word picture as one illustration of what the community seems to be determining that the Community Center shall be.

The three new posters which adorned the wall of the east room on Thursday, and will remain there for a time, are the work of Mr. Horace Taylor. The first reads, "Figures talk. 98,000 men enjoyed our hospitality during the year, 26,000 boys and girls enjoyed our dances during the past year." The others are "Let us carry on the community spirit developed by the recent war" and "A Community Center is a club for all of us. Boost it!"

DEATH OF HIGHWOOD RESIDENT VERY SUDDEN

William H. Brownlee Dies at Home of Sister at Clarinda, Ia., After Illness of Pneumonia

The death of William H. Brownlee occurred Thursday, Jan. 29, at the home of his sister, Mrs. Ruth Whitaker, in Clarinda, Ia. For several months he had been in failing health and went to Iowa a month previous to his death to consult a family physician. While there he contracted pneumonia which resulted in his death after a few days' illness.

Mr. Brownlee was born in Marion Co., Ohio, Jan. 23, 1864. With his parents he moved in 1868 to Page Co., Ia., living there on a farm until he grew to manhood. He was married July 4, 1894, to Mrs. Minnie H. L. Berg of Highwood and for thirty years was a resident there. He is survived by his wife and five children: Mrs. W. A. Herbon of Peoria, Ill., Elmer, Warren, Joy, Marvin and a step daughter, Mrs. Charles Musil.

Mr. Brownlee was for a time a trusted employe of the C. B. & Q. railway company where he served as telegraph operator, later being connected with the Chicago & Northwestern railway where he served for several years as agent and operator at Ft. Sheridan. In early manhood he accepted Christ as his Saviour and died trusting in Him.

The funeral was held from his sister's home Saturday afternoon with Rev. Williamson of the Presbyterian church officiating, interment being in Clarinda cemetery.

CHANDLER DIEHL

News was received last week of the death in San Antonio, Tex., on Feb. 5, of Chandler Diehl, a former resident of this city. His father, Col. Charles Diehl, was assistant general manager of the Associated Press until he bought the "San Antonio Light," a newspaper, in 1911, associating his son, who had especial ability in that line, with him.

Chandler Diehl was a graduate first of St. Paul's school, Concord, N. H., and later a graduate of Yale College.

He married Miss Margaret Wilson of Milwaukee, a grand-daughter of Bishop Kemper, in 1910.

Besides his wife he leaves two sons, aged ten and one year, one sister, Mrs. S. F. Shaw, residing in Mexico. He was a nephew of Mrs. W. C. Egan.

BUSINESS MEN'S BOWLING LEAGUE

Second Half of Bowling Season Is Started Feb. 2. Score for Week of Feb. 2 to Feb. 6

The second round of the local bowling season started Feb 2nd at the Majestic alleys. The "pin experts" are having a hard time getting good scores due to a shift in the alleys and the new pins but it is expected that the "wood" will begin to fall as soon as the men get accustomed to the changed conditions.

The Highland Park Press team took two from the Majestic; Garnett's took three straight from the Bowman Dairy team and crept up one game on the leaders; Reliable Laundry took two from Harder's Hardware; Rasmussen's Shoes took two from Tony's Barbers; Steffen's Tires took two from the Palace Cash but the "Cash Boys" got revenge by winning the tie game that was left over from the first round.

COMMITS SUICIDE BY HANGING MONDAY

Private Ehrling Mahlin, 22 years old, a psychopathic patient at Fort Sheridan, committed suicide Monday by hanging. The fact did not become public until yesterday when the board of inquiry met to investigate.

Mahlin, whose father is Christian Mahlin of Dawson, Minn., became extremely melancholy while in Coblenz, Germany, last year. He had a suicidal mania, it is said, and was closely watched.

Monday he buckled a strap about his neck, attached it to a wire dangling from the ceiling, and raised his legs off the floor. Physicians expressed amazement at this method of hanging oneself, saying it showed strong determination.

Keep Out of the Kitchen

Do your baking the Crispo way. It is more economical and much easier to buy Crispo Biscuits than to bake your own cookies.

The flour, shortening, sugar and flavors in Crispo Biscuits are as good as can be bought. Crispo Biscuits are made as cleanly and as nicely as though baked in your own kitchen.

Besides, free from the kitchen, you will have time to yourself for self development and enjoyment. Keep out of the kitchen.

Although most people are wearing their old clothes nowadays, the Congressmen are convinced that the back towns can't go without their mangle post offices.

When a young lady begins to take vocal lessons, one of the first signs of her artistic improvement is that you can't understand any of the words of her songs.

Claimed that plug hats are coming back. Bank men and society swells will now be scarcely distinguishable from the circus agents and Indian doctors.

Some of the people who used to sing "The Old Oaken Bucket" with such fervor at the midnight supper parties, never thought they would have to come into such intimate acquaintance with the contents of the bucket as they are now enjoying.

There are a lot of people who won't do any work for civic progress, but they take great credit for being willing to give the community the benefit of their criticism without charge.
