### TEACHERS' INSTITUTE A SUCCESSFUL EVENT

Four Hundred Teachers Attend the Meetings in Lake Forest, Highland Park and Waukegan

Teachers' Institute, held Thursday, Friday and Saturday, was the most successful event of its kind ever held in Lake County, and T. Arthur Simpson, superintendent of schools, is well pleased over the attendance, the average being about 400, and the benefit derived from the addresses, and entertainment.

On Thursday the Institute was held at Gorton school, Lake Forest, Friday at Elm Place school, Highland Park, and Saturday in Waukegan. There were both morning and afternoon sessions.

Dr. H. M. Crooks, president of Alma college, Alma, Mich., and Principal F. D. Slutz, of Moraine Park school of Dayton, O., one of the biggest private vocational and educational schools in the country, were the speakers, and W. W. Potter, director of music in the Waukegan schools, led the community singing.

There were a number of visitors in attendance at each meeting. The speaking program was as follows:

#### Special Evangelistic Services

The services, now entering upon their second week, have been marked by the presence of God in every service. A number of lives have been touched and some have wholly yielded themselves to the rule and reign of Christ in every department of their lives. These have found to their relief and assurance that the God and Father of our Lord Jesus Christ is a personal God to be experienced in the life as the satisfying, saving, keeping and healing Presence. In fact every person who has attended these services once has been brought face to face with himself as mirrored in the divine truth revealed in the historic Christ. Our Sunday school boys and girls have signified their desire to give their lives to God despite the fact that their natural leaders, as a whole, have not been present to help and inspire them to make a full consecration. In this connection we desire to give voice to a truth that is filled with an uncomfortable amount of reality, as an eternal as the human personality, and spoken by the King Himself "Whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Again he says: "If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? Or if he shall ask an egg, will he offer him a scorpion." "Feed my lambs." These words sound solemn enough to parents, church officers, Sunday school officers and teachers, christian professors, etc., but they can be made the source of greatest joy if practiced in a positive way. "He that knoweth to do good and doeth it not to him it is a sin."

These services are intended to make it easy for every one to start doing this kind of work. Last Sunday's Services

N. D. Nielson of Elyria, O., an inventor and manufacturer of prominence and in all probability the greatest dairy specialist in our country was the speaker. Mr. Nielson was also present at our Monday evening service. Mr. W. F. Gresham is the permanent member of the campaign and those assisting him are men from all walks of life and all professions. Fifty and more of these men are constantly praying for the success of these services and are doing their best to answer their prayers. This is an invitation to you to come and help personally, to pass the word along and to do all in your power for the spiritual uplift of the community.

Following is a schedule of teams: March 9, Nims team; March 10, Mills team; March 11, Y. W. C. A. team; March 12, Prentice and Hicks and March 14, Wm. L. Brant. Every one of these should be heard by all. Much could be said about each team but that is not practical. Be present every night and hear for yourself. This is practical!

## Have You Done It? Filed Your Income Tax Return?

WE feel it a duty to remind our patrons and friends that this is the last week for filing of income tax returns by firms and individuals.

Briefly, the law requires the filing of the report with the Internal Revenue Collector of this district on or before March 15th. The tax may be paid in four equal installments. The first one must accompany the report. Severe penalties are provided for failing to make return, for false returns and for failure to pay the tax.

If you have neglected or overlooked this matter, we urge you to give it your immediate attention, and if you need help or advice we are at your service.

Farm workers to be scarcer than ever this spring, if the country stores will put in stocks of \$20 silk shirts it may help reconcile them in their laborious lot.  
Some people claim that they should be elected to public office for the reason that they are unable to support themselves in any other way.  
The report that several thousands more of Armenians have been massacred shows that conditions are again normal in Turkey.  
Before singing any more on the back yard fence at 2:30 a. m., Pussy should remember that cat skins are quoted at \$1.24 on the fur market now.
