If a merchant would know how his goods and service please, let him spend an hour a day at studying the faces of his customers as they leave.  
A cheery request will get the janitor on the job where a command will fall on deaf ears.

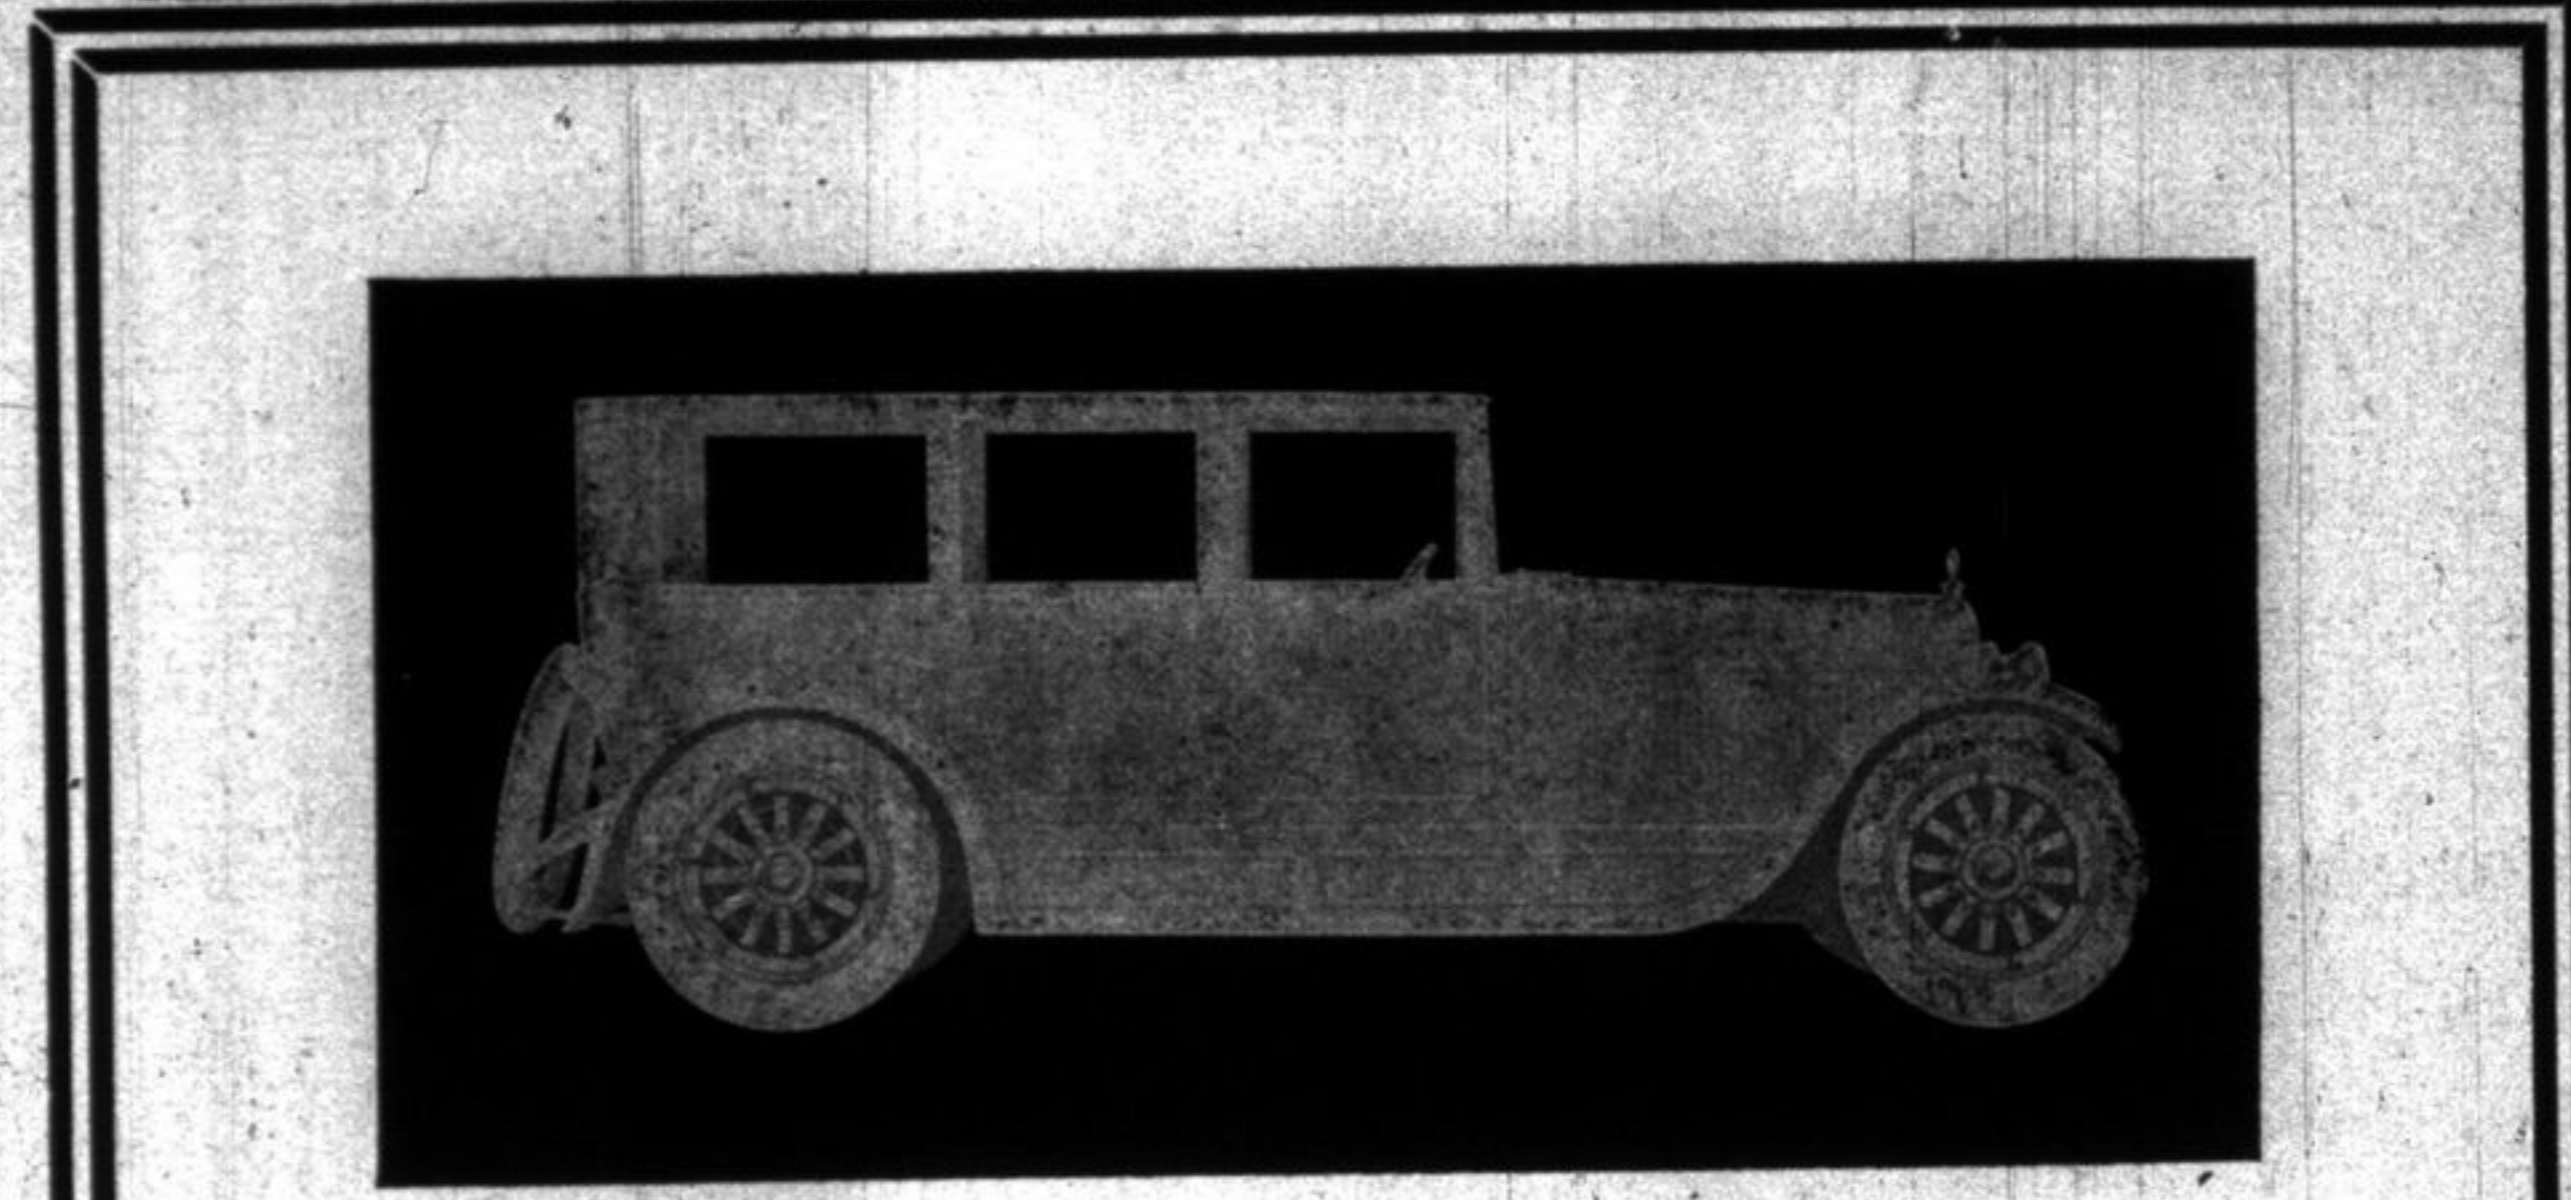

**PUBLIC LIBRARY**  
FAVORITE BOOKS OF YOUNG MEN  
Over seven hundred young midshipmen entering Annapolis voted on their favorite books, and the list represents the fifty receiving the most votes. Young men, have you read them all? They are all to be found on the shelves of the Highland Park Public Library, if you are lively enough to get there first. If the book you seek is not on the shelf, and you just must have that very one, ask to have it reserved for you at the loan desk when it is returned. If you don't ask for it no one may know you want it and it is likely to go out as soon as it is returned, especially if it is a very popular book. This does not list all of the books which are popular with young men, but they may furnish suggestions for him who does not know what to read. The list follows:
