Adults will be asked to pay an admission fee of fifty cents.

The lecturer, Mr. William L. Finley, is state naturalist of Oregon and has had many years of rich experience in the field. He is an unusually successful photographer and it is believed that no one has finer bird and wild animal motion pictures than he.

Mr. Finley will show the following films:

- "The Marshes and Bird Life of the Lake Malheur Region." "The Mazamas of Mt. Ranier." "Wild Animals as Actors." "Hunting Big Game."

Mr. Finley takes his auditors along the Canadian border from the east to the Cascade mountains and down to Lake Chelan, tramping over four mountain passes across the northern part of Oregon. He pictures a country with its wild life which has never before been brought on the screen. Comedy of the most delightful sort is furnished by the comic stunts of a pot-bellied bear cub and an ordinary sly Oregon chipmunk.

COMMUNITY SERVICE

The weekly Community Service dance given at the high school gymnasium last Saturday evening was a success in every respect. Great enthusiasm and appreciation was expressed by the 330 in attendance. The feature of the evening was the prize dance in which all were invited to compete. Judges were appointed to choose the couple making the best appearance on the floor, and award the prize. This met with so much approval that the committee has decided to make it a regular weekly event. Full details of this new feature will be given next week. The ice cream cone vender was much in evidence and did a thriving business. Come Saturday evening and by your presence make these parties a success. Business women are planning a combined move for sensible dress. It won't succeed, because it won't help the style makers to sell any more clothes. Anti-dry conventions reported very enthusiastic, particularly if held in the cellar.

BUSINESS MEN'S BOWLING LEAGUE

Steffen's Tires took the Highland Park Press for two of the three although only two of their men showed up for the game.

Garnett's took two from Harder's Hardware but only because the "flag bearers," Clark and Rudolph, were able to hit the "wood" for only 125 and 124 respectively while Bahr and Prye carried the load for Garnett's with scores of 101 and 140.

Palace Cash gave Rasmussen's Shoes a "lacing" for two of the three. Reliable Laundry proved their "reliability" by taking two from the Bowman Dairy.

Majesties and Tony's Barbers did not bowl, everybody went to "You Tell 'Em."
