#### Pageant Practice Thursday

"The Maiden over the Wall" an attractive comedy in which an enchanted maiden with her attendants, fairies, elves and her dragon, is rescued by a Prince Charming, will be given this spring by Association girls as their annual pageant.

The girls who are to take the principal parts and the attendants, will have their first rehearsal Thursday evening, April 8, at 7:30. It is very important that all of those who are to take part attend, as Mrs. Humphrey and Miss Richardson will begin drilling the girls for the dances which they will give in the garden.

The junior dancing classes have been rehearsing for some time on their dances. They will take the parts of fairies and elves, and wood nymphs. Their dances are very attractive and show a great deal of training.

#### Vesper Service Sunday

The vesper services will be held Sunday afternoon at 5. Miss Elizabeth Morrison will sing, and other attractive features of the program will make the meeting very worth while. All girls and women are invited to attend these weekly meetings.

#### Friendship Girls

Fifteen wounded soldiers were entertained at a game party at the Association rooms last Thursday evening. A number of games kept the guests laughing and "progressive cottie" proved to be the most popular form of amusement. Prizes, among them boxes of Easter candies, were given to the winners. Refreshments were served, and everyone declared the party to be a jolly one.

Miss Johnson Speaks to Mothers "One of the most important services which the Red Cross does for the disabled soldiers, sailors and marines, who are discharged from the public health hospitals is to notify the parents of the exact diagnosis of each case, and the necessary care which he must use to complete his treatment," said Miss Harriet Lee Johnson, who is supervisor of the Red Cross work in four public hospitals of the central division.

During the war, the Red Cross sent daily bulletins to the parents of the boys who were critically ill in the eastern hospitals of which Miss Johnson had charge. They did everything possible to make the situations

## A Story of Spring

A dialogue between Mr. Commuter of Highland Park and his wife

"Why so sad, tonight, my dear?"

"Because Springtime is coming and most of our friends have had flowers planted since last fall, while we have nothing in our garden coming up early in the Spring. I am getting very anxious to see our beautiful home surrounded by trees, shrubs, evergreen, flowers, roses, vines, a pool and fountain, a rustic tea house and a beautiful lawn."

"Well my dear, you do not need to be sad. It is not a serious matter that we have not had our plants started early, or shrubs planted last fall. We can have our place made beautiful within a short time."

"How could it be possible to have this work done within a short time?"

"Coming out on the 5:10 this evening, I heard of an honest, experienced landscape gardener named Fiori. I believe this man is interested in his work and could solve our problem."

"Good! As he is honest and experienced, why not call him on the phone and arrange to have him come over Sunday morning to discuss this matter with us?"

They did. And they are satisfied.

WHY DON'T YOU?
