A WORLD REBUILT

*By the Golden Rule
not by the rule of Gold*

THIRTY denominations of the Church are uniting in a simultaneous campaign in the week of April 25th-May 2nd.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

These churches know that the world needs many things; but it needs Faith most of all.

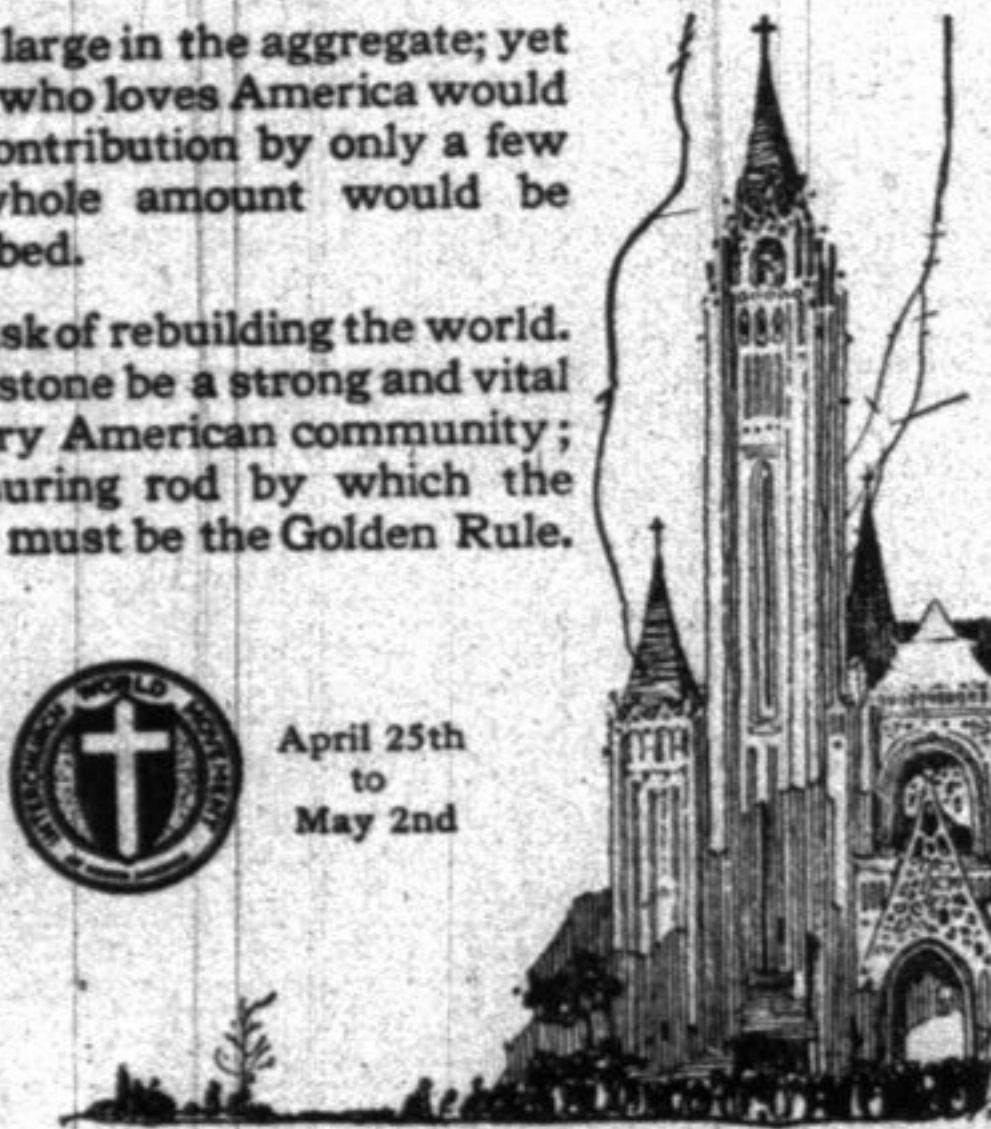

They know that there can be no final solution of our economic problems that is not a spiritual solution, based on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad, (2) the work at home including the church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The budget is large in the aggregate; yet if each person who loves America would increase his contribution by only a few dollars the whole amount would be easily subscribed.

We face the task of rebuilding the world. Let the cornerstone be a strong and vital church in every American community; and the measuring rod by which the builders build must be the Golden Rule.

UNITED EVANGELICAL

Good congregations attended this church on Easter Sabbath in spite of the blizzard. The pastor preached an appropriate Easter sermon from 1 Peter 1:3, and there were some very fine Easter selections from the choir. The week between April 11-18 will be observed by the United Evangelical church as Self-denial week, and the proceeds will flow into the home mission treasury.

The pastor will preach morning and evening next Sunday. The K. L. C. E. and Junior services at the usual hours. A cordial invitation to the public.

M. E. CHURCH

Easter Sunday

The Sunday school and church services were combined last Sunday morning. At the close of the S. S. session a short Easter program was rendered. The whole classes took a definite stand for Christ. The only two members of the third class who had not been baptized received that ordinance. The reception of new members into the church is becoming the regular order.

Mid-Week Service

This Wednesday evening the minister will lead the service. The subject of study will be the fifth chapter of Romans.

Supper Conference on Open Air Evangelism

Thursday evening, the 8th, some of our men will attend the supper on open air evangelism at the Central Y. M. C. A. at 19 S. La Salle st.

Chicago Northern District Epworth League Meeting

At 10:45 morning service begins.

At 6:30 Epworth League. The subject will be "What Shall We Do with Our Sundays?" The leader will be Mr. S. A. Roberts.

The society starts with twenty-eight charter members and one honorary member. Charter memberships are held open until the first meeting of the society. The time of the meetings will be the first Tuesday of each month. The society meets the first Tuesday in May.

Increasing The Purchasing Power of Your Corset Dollar

The only way you can make your dollar of today worth one hundred cents is to spend it wisely. You are pretty certain to pay a good price for whatever clothes you buy; be certain that what you buy is what you want; that what you buy fits you mentally as well as physically so it will not be wastefully discarded before it has given full wearing service; that what you buy is of such quality that its wearing service alone will justify the expenditure.

A few dollars invested in a

will save you—Oh, it cannot be expressed just in dollars and cents, it will have to be realized in blessings that are beyond price—style, comfort and health. You can buy a Gossard at any price you care to pay and at any price every dollar you spend will have a purchasing power of 100 cents.

the sixth baby girl of a Chinese family, doomed by her family, given to the Methodist mission, adopted and educated by Miss Howe, one of the best known medical missionaries of today, was to speak at the church next Wednesday evening. Wednesday morning, just before writing these notes, a long distance telephone brought the word that Dr. Kahn had contracted tonsillitis and is now in a hospital awaiting an operation. All dates for at least two weeks have been cancelled. Mrs. D. A. Stoker says that she will secure Dr. Kahn for us if at all possible in the near future. We are exceedingly sorry and pray for the speedy recovery of Dr. Kahn and that we may have the great privilege of hearing her.

LILAC TIME

will be here very soon. Have you planted any? If not, drop in to my office at 515 Central avenue, and let me tell you when, how and where to plant them. There is no charge for information or for estimating your wants. April snow does not last long and I expect to be in the field again as soon as old Sol has done his duty. Again I beg to say that plantings should contain enough fragrant shrubs to perfume the atmosphere around your home.
