### Concerning Silverware

The world wide shortage of silver plus the certain prospect for higher prices for years to come gives to the purchase of articles wrought of this precious metal a greater importance than heretofore.

It is well to select such patterns as will always be correct, so that replacement will not be necessary at higher prices. We have hollowware and flatware patterns to match.

Only such designs are displayed at our establishment as are to be found in the highest class stores in America.

If you are contemplating the purchase of silver during the next few months, it would be well to place your order now, and we will be glad to hold it at present prices for future delivery.

Below are a few suggestions that may be helpful to you.

Bowls, Baskets, Dishes, Trays, Toilet Articles, Marmalade Jars, Salt and Pepper Sets, Smoking Accessories, Liquor Bottles, Bon Bon Dishes, Bottle Openers, Traveling Cups, Vases, Candle Sticks, Picture Frames, Pitchers, Tea Pots, Coffee Pots, Cups, Novelties, Urns, Cream and Sugar Sets, Leather Goods.

### HIGHLAND PARK CLUB

The annual meeting and election of officers took place last Friday when a delightful evening's entertainment concluded the season's activities.

Mr. Gerard Van Schaick gave a very interesting and amusing travelogue with illustrations on Highland Park and its notables. Miss MacDon-ald rendered several fine songs. The

Misses Parkin and Kimball gave a duet and living pictures by Mesdames Randall, Follansbee and Vail and John Winters.

The following officers were elected for the ensuing year of 1920-21.

President, Harry A. Parkin.  
 1st vice-president, Robert E. Smith.  
 2nd vice-president, Leander L. Winters.

Directors: Morton R. Mavor, Irving Randall, Chas. A. Wright, Egbert Spencer, Merrill W. Follansbee.

### M. E. CHURCH

We do not expect other folks to be interested in an immediate way in what is going on or in what our plans are for the future. But there are not a few people who are interested in purely human matters and events. That is the reason we are anxious to tell what is happening here. And things are really happening. They are of a purely human nature, too. Because is it not human nature to be the happiest possible? Are not the most of us seeking the greatest amount of joy for this life? Well that is the reason we are glad to tell you how some folks are finding their greatest good and their supreme happiness up here. That is the reason people are coming to the minister and his co-workers asking the way to this state of life. Of course we always endeavor to teach them the way to perfect harmony with the universe and the God who is over all and in all and through all, blessed forevermore. And it is perfectly exhilarating to see how this method works. What peace and joy it is bringing into the lives of those who are making inquiry and following instructions. It is also fine to see some one or more making such inquiry almost weekly.

On last Sunday evening seven persons indicated that they were looking for the very thing we had talked about. Others have spoken to the minister since. Two of the seven found their way into the inquiry room. There they declared themselves as having reached the place where they could say with the Samaritans "Now we believe, not because of thy saying: for we have heard him ourselves, and know that this is indeed the Christ, the Saviour of the world."

Services:  
 Wednesday at 7:45 Mr. James Jennings and Mr. S. A. Roberts will lead the service.

Thursday evening at eight o'clock the men will meet for a conference on plans for future work. This will be a consecration service, also.

Sunday Services:  
 Sunday school 9:30; morning worship 10:45; Epworth League 6:30; Evangelistic service 7:30.

The attendance at Sunday school and all services is increasing. A cordial welcome awaits you.

### TRINITY CHURCH

Next Sunday, May 9, Bishop Anderson is to make his annual visitation to Trinity church. The service at 11 o'clock will be under his direction and he will administer confirmation and preach.

In place of the usual Morning Prayer the service will be simply that of Confirmation, preceded by hymns and brief prayers and followed by the sermon.

The offering will be given to the Bishop to be used at his discretion for theological education or for charity. All are cordially invited to attend this service.

## 4 Minute Talks on QUALITY by L. D. ROBAR

### The Second of a Series of Talks on the Question of Quality Bread Making

I HAVE been asked by many housewives of Highland Park to explain the difference between Federal Flour and other kinds.

The answer is simple. One word tells the whole story! QUALITY! Federal Flour is the finest milled flour in the world. The Federal Milling Division selects only the best wheat grown. Before Federal Flour is shipped to a Federal Bakery it is laboratory-tested for standards of texture and weight.

That's why Federal Home-Made Bread has that even smoothness of texture—that wonderful crispy crust.

From that so important element Flour, to sweet creamy milk and lard, and so on down the line, only the best quality of ingredients are used in Federal Bread. The Federal Bread Making Formula calls for the very best ingredients money can buy.

Mrs. Housewife — the Federal reputation has been built on QUALITY alone. We deliver quality in our Home-Made Bread — that's why we can't deliver the bread to your door. Come down and let me tell you the rest of the Federal Quality Story
