# Investigate Nokol before you buy next winter's fuel for your home

No matter how cold it is outside, Nokol will maintain an even temperature at all hours of the day and night.

Nokol can be readily installed in most any steam or hot water boiler or hot air furnace with out alteration.

## The greatest problem in home heating is uniform temperature. Nokol solves it

ONE of the best things about Nokol in your furnace is that it heats only as heat is needed. Take, for example, the usual Spring day — not the kind we've had lately; the kind we ought to have; gets pretty warm by 10 a.m., and stays warm until, say, 4:30 or 5 p.m.

You don't need any fire during the day; but you have to keep the coal fire going, as low as possible; you're lucky if it doesn't go out. The house is too warm; you open windows and doors; burning up fuel all the time that you'd like to save, for heat you don't need.

With Nokol, you have none of that. When the house gets warm in the morning, Nokol doesn't burn at all. When the temperature begins to fall, it burns; you don't have to look after it; it works automatically. It keeps the house at an even temperature, all the time, no matter how cold it may be outdoors. It is modern.

Price, \$325, f.o. b. Chicago. Orders placed now for Nokol will secure favorable delivery date.

*There are some places, particularly in suburban communities, where dealers have not been appointed. In such places, in the right kind of men, we offer an attractive opportunity.*

### THE STEAM CORPORATION, CHICAGO

Division of Amalgamated Machinery Corporation

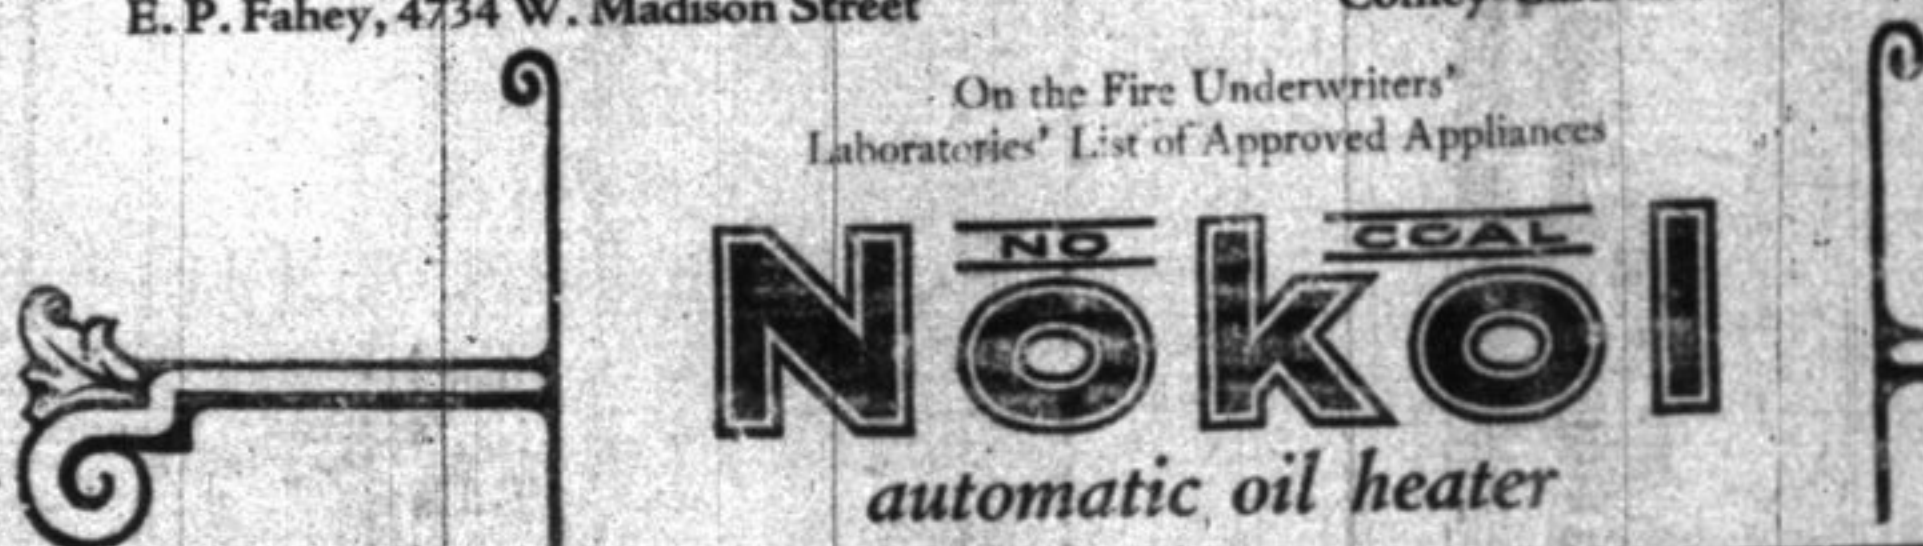

SEE THE DEMONSTRATION AT OUR SHOW-ROOMS

## City Salesroom, 415 Rush Street

West Side Agency: Telephone Central 1645-6187 South Side Agency:

E. P. Fahey, 4734 W. Madison Street Conley-Carlson Sales Co., 714 W. 63rd Street

On the Fire Underwriters' Laboratories' List of Approved Appliances

— then your basement is free forever from dust, soot, dirt and ashes; you may even turn your old coal-bin into a playroom.

## A MUSICAL TREAT FOR THE PRESBYTERIAN CHURCH

H. S. CHORUS WILL

Miss Kimball and Mrs. Soloists in "Gloria" "Gloria" at Regular Vesper Hour

The Deerfield-Shield High school chorus of 80 under the direction of Arthur Fraser, supervisor of music, Gounod's "Gloria" and the from Mozart's "Twelfth Sunday afternoon at the Park Presbyterian church thirty o'clock"

In addition Mr. Fraser will following pieces at a special recital.

1. Military March
2. Fantasia on "Keep Fires Burning"
3. Offertoire in G. L.
4. (a) Andantino (b) Romanze
5. Humoresque on a Preludiel Organ
6. Finale, Jubilate Amen

Miss Mary Hadley Kimball the soprano soloist in "Gloria" Mr. Fraser in addition to supervisor of music in the city is well known in Chicago as soloist at the Grace Episcopal church Park, one of the largest in the city.

The motet Gloria ought to have particular interest to us since it was written under the shadow of war and reflects the outbreak of the Franco-German war in 1870, Gounod took refuge in the land, where he remained at home for many years. The Biblical elegy, was composed in the composer's contemplation of his own country's miseries of the Holy City. Solitary lieth the city, she that was full of people. How is she widowed, she that was great among the nations.

Zions ways do languish, yes her vergins are afflicted. And she is in bitterness.

But the ending is far from sad and contains an optimistic rendering of the Lord's help.

Jerusalem, oh turn thee to the Lord thy God.

The good work of the choir during the past year progressive rendering of the work.

The names of the members of the High School Chorus who will appear below:

- |                |               |
