Men's leather suit case with straps a beauty at \$10.50
Steel bound steamer trunk with straps price \$17.50
Large steel bound trunk with two locks, at \$17.50

M. E. CHURCH

Inter-Church Conference on Open Air Evangelism.

At the Central Y. M. C. A. on S. La Salle St. some weeks ago a conference on open air evangelism was held. Every protestant church was represented. After the dinner, several men and deaconesses who had outstanding experiences and had met Gospel work, addressed the conference. Several distinctive organizations, viz. Y. M. C. A., the Business Men's Gospel teams, Reague Mission workers, Salvation Army, American Volunteers, etc., also made addresses. Every word in every address had in it the note of confidence and victory. The unanimity with which the proposal was received was shown when the vote to adopt the plan was taken. Every man and woman stood while a prayer was offered for the guidance and blessing of God. Bishop Samuel Fallows pronounced the benediction.

Just what are we going to do about it? Is it worth doing? We think it is. While it is perfectly easy to find a thousand reasons for not doing it, there are as many and more reasons why we should do it. We have heard much in recent months concerning red-blooded Americans. We have never heard anything about red-blooded Christians. It may be that this proposal will provoke some discussion along that line. Not a bad idea! do you think? Well, be that as it may, ten men met at this church last Thursday at 8 p. m. to discuss two propositions. This was one of them. The men are eager to begin. The Chicago North Shore and Milwaukee railroad has extended certain courtesies which we appreciate very much; John Meyers of Highwood, mayor of Highwood, has given his permission and extended police protection; and we hold our first service next Sunday evening on the North Shore commons opposite the North Shore station on Waukegan avenue, at 7:20. At 7:50 we will go to the church for the evening service. We invite the co-operation of all Christian workers both in Highland Park and Highwood. Remember this is a part of the great inter-church movement, rather than a local affair.

All the churches in Chicago and suburbs are asked by the Church Federation to enter the movement. The city churches are in. We do not know how many of the suburban churches are entering but we do not intend to trail along in the rear.

Sunday Services

Sunday school at 9:30.
At 10:45 the Sacrament of the Lord's Supper will be administered. The entire hour will be given to commemorating our Lord's suffering and death. We urge all members of the church to prepare for this service. We invite all Christians, not members of this church, to join us.

The Epworth League service at 6:30. The leader will be Miss Minta McGath. The subject is "To Our Institute, Forward!"
Open air service at 7:20. Our Male Quartet will sing.
Evangelistic service at the church at 7:50.

COMMUNITY SERVICE

The baseball season is on with a vengeance. If you don't believe it ask one of the boys with the nifty baseball suits sporting the prominent circle of Community Service insignia and he will tell you all about it. First he will tell you that the senior team has made the Suburban league which means a sure enough game every Sunday either on the local high school diamond or in a neighboring town. Then he will launch into the tale of the formation of the junior team which has played several games, first with the Lincoln school and came off victorious and then with Elm Place with a different story. The line up of the juniors is as follows:

Martin, Leuer and Hill, pitchers; S. Bernard, short stop; Rafferty, 3rd base; E. Lang, 2nd base; N. Larson, 1st base; Allens, catcher; Carans, right field; J. Bernard, center field; T. Ragan, left field, and John Boylan, Mowers and Roues as substitutes.

The score with Lincoln school was 10 to 5 in favor of the Center boys. After the game the following came in to give a flavor of the field to this column:

"Lang's hitting enabled the boys to put across their first victory of the season. The heavy assault in the fifth inning which was started by Lang's clout to deep center took the pep out of their rivals."

After the game with Elm Place our own 'pep' seemed to be gone somewhat for no report excepting one that we would have to work hard and try again and 'put it over those fellows' was forth coming! More power to you, juniors, and 'bat 'er up!"

Did you ever wonder which one of the animals with which you are familiar you most resemble? There's the lion, the lamb, the bear, but we refrain from further suggestions.

Most Miles Per Dollar

These Firestone words struck us as exactly expressing our ideas of service.

"Most miles per dollar" is a plain statement of fact—whether you apply it to the tires or to our work.

We believe that our business will grow, as your confidence in us grows. In our stock of Firestone tires, tubes and auto accessories, we have chosen carefully, bearing in mind always the standard, most miles per dollar.

Come in and let us prove it.

Becker Garage

Highland Park, Illinois

All Over Town

Everybody wants it—because it makes most palatable and sweetest of foods.

You save when you buy it. You save when you use it.

Calumet Baking Powder is so perfectly made—so perfect in keeping qualities—that bake-day failures are absolutely impossible. Best by test.

Call for Calumet Baking Powder.

ELM PLACE SCHOOL

Mrs. Wade McNutt has recently substituted several days at Elm Place to relieve teachers who were obliged to be absent. Miss Alice Meyers in grade 3A was not able to meet her classes last week. Miss Newberry was absent Tuesday to spend the day with her mother at St. Charles, who has recently sustained a severe injury from a fall. Miss Giffen's mother, who lives at Rockford, underwent a serious operation at the hospital there and Miss Giffen has spent the last week at her bedside.

Mr. Smith spent Friday and Saturday of last week at the annual meeting of the Superintendents' and Principals' Association of Northern Illinois at DeKalb. One of the topics that absorbed attention there was the present shortage of teachers and the need of increase in the salary schedules. Dr. G. Stanley Brown, president of the DeKalb Normal school, reported that the present graduating class is the smallest in the history of the school and that practically all of its members have secured positions at salaries much beyond those usually paid to graduates. Many of the normal students who have yet one year's work to complete will leave the institution in June to accept good paying positions. Dr. Brown estimates that in September next the shortage of teachers in Illinois will exceed eighteen hundred. Meagerly prepared teachers without experience are finding little difficulty in getting positions. It was the opinion of the members of the Association that an extensive advertising campaign should be opened to induce young people to enroll in the Normal School.

Elm Place is giving away Early Jersey Wakefield cabbage plants and a limited supply of beet plants and onion seedlings today. These plants have all been reset once and are hardy enough to face the danger of our cold nights. The supply of onion seedlings is limited and pupils are being urged to take home a few and experiment with them and report results next September. Tomato plants in the planthouse and hotbed are flourishing. The great need now is for pots. The school will welcome an addition to its supply. Persons furnishing the pots may have them returned if they so desire as the pots will be needed only three weeks.
