## EXPLAIN WINTER WORK OF ARDEN SHORE CAMP

### DRIVE FOR FUNDS NOW ON

Plan to Make Only One Appeal to Support Institution During Winter and Summer Camps

As the summer work of the Arden Shore association, which last year gave vacations to nineteen hundred and two people, is better known than the winter work, the object of this article is to give an idea of what is done there during the winter months.

About ten years ago the Board decided that the camp with its splendid equipment should be used during the winter as well as summer—so at the advice of one of Chicago's leading physicians, it was opened to take convalescent men and boys from various city hospitals. This work was carried on successfully for a number of years but during the last two years of the war was discontinued on account of scarcity of fuel, etc. Last fall, however, it was possible to reopen the camp for a type of work somewhat different from that done in previous winters. The vocational bureau of the Chicago Board of Education asked Arden Shore Association to help solve a problem with which it had been confronted for some time. As is generally known children are allowed in this state to go to work at the age of fourteen, but in order to do so it is necessary, between the ages of fourteen and sixteen, to secure a health certificate. The vocational bureau issues these certificates and it was found that many boys were unable to claim them as they could not reach the required standard of weight and height. This defective physical condition of the boys was due largely to insufficient food, and in many cases poor home and living conditions.

It was at this point that Arden Shore took up a piece of work which so far as known is not done anywhere in the country. It undertook to put a group of boys into condition to get the work which they needed. On the 14th of November the winter season opened with thirty-four boys and by the time camp closes at the end of May they will have handled over one (Continued on Page 8)

## LEGION MAKES PLANS FOR UNIQUE PROGRAM

Entertainment and Stag Party for Members and Prospective Wednesday

The Dumaresq Spencer Post, No. 145, American Legion, of Highland Park, will hold an entertainment and stag at Witten's hall Wednesday evening, May 26th. The purpose of this stag is to devote an evening of pleasure to the members of this Legion post only and to prospective members from Highland Park, Deerfield and Highwood. A nationwide campaign is now under way to enroll new members and there are many men in this vicinity who have served during the past war, who are earnestly requested to join the local post and make it a 100 per cent organization. The dues are very nominal and it should be the patriotic duty of all eligibles to send in their application at once.

The entertainment committee has arranged for a very unique program which will tend to make the evening a very enjoyable one. A prominent speaker has been engaged for the evening and there will be some spectacular boxing exhibitions besides a little entertainment and music. And don't forget there will be smokes 'n everything.

Only legion members and prospective members eligible to join are to come. A request is made by the Athletic committee to all members of this post who are interested in baseball, to turn out for a work out at the High school diamond Saturday afternoon, May 22nd. Anyone having gloves and other paraphernalia are asked to bring it along. The manager has arranged for some good games, so all report on Saturday at 3 p. m.

On Sunday, May 30th, a memorial service will be held at the Presbyterian church at 4:30 p. m. All members are asked to make arrangements to participate at this memorial occasion.

## CITIZENSHIP CLASS HEARS REPUBLICANS

Date of Meeting for Next Week Changed to Wednesday. Subject, "Congress"

Mrs. Martin Northam and Dr. Samuel Blair, official speakers for the Republican State and National committees, spoke Tuesday afternoon at the community house to the Citizenship class on "Why I Am a Republican." Next week, Wednesday, at three o'clock, the class will meet to hear the first discussion by members of the class on various phases of American government. The subject for the afternoon is "Congress."

Besides an outline of congressional organization and methods, there will be informal debate on such controversial questions as the desirability of proportional representation, the proper relation between the president and the senate in making treaties, the desirability of a budget system in national finance, and the extent to which real democracy is interfered with by the committee system in Congress. The questions are on file at the library together with reference books in which discussion of the subjects may be found, and an explanation of such terms as "log rolling," "filibustering," and the "germyman-der."

The attendance this week at the class was eighty. Coffee was served by the Community Centre. The meetings are open to all and are non-partisan.

## MARGUERITE CLARK IN "EASY TO GET"

Matinee, 2:30 Saturday. Thursday, Alice Joyce in "The Sporting Duchess"

Pearl Theatre will present the following program next week: Sunday, Mable Normand in "Pinto," Mack Sennett comedy; Monday, Earle Williams in "Captain Swift," C. Had-don Chamber's popular stage success, Supreme comedy, International news; Tuesday, Constance Talmadge in Charlotte Thompson's story, "In Search of a Sinner," International news, Briggs comedy; Wednesday, Vivian Martin in "Husband and Wives," from the famous novel "Making Her His Wife," by Cornia Harria, Paramount magazine, Christie comedy; Thursday, Alice Joyce in "The Sporting Duchess," from the great stage play, also Harry Seeman in "The Grocery Clerk," The Gumps, Topical Tips; Friday, Mabel Normand in "Upstairs," by Perley Poore Sheehan, Burton Holmes, Mutt and Jeff; Saturday, Marguerite Clark in "Easy to Get," two reel comedy, also colored scenic. Matinee at 2:30.

## DEERFIELD WINS PLACE IN ANNUAL TRACK MEET

Carries Away Two Cups in Interscholastic at Lake Forest Saturday

Deerfield athletes carried two cups, besides a half dozen other honors in the form of medals away from the annual interscholastic track meet at Lake Forest college last Saturday afternoon. In points Deerfield ended in fourth place, having sixteen to their credit. Oak Park finished on top with a total of 30½ points.

Dave Kimball, captain of the Deerfield squad, tied with Coffin of Oak Park for individual honors, each winding up with 15 points. It was decided to award to each a cup by the officials of the college.

McIlwain made the other point for Deerfield by placing third in the 120 yard high hurdles. Kimball ran first in this event, as well as in the 220 yard low hurdles. He also jumped to a 5 ft. 7 in. victory in the high jump.

The half mile relay, a special affair in which no points were awarded, was won handsly by Proctor, Jackson, McIlwain and Kimball of Deerfield. A cup was given to the high school for taking this event.

Next Saturday Deerfield is sending its best track material to the state track meet at the University of Illinois. Besides entering men in the regular track events, it is possible that Fred Glader will be carried along to compete in the golf tournament. The squad will leave before the end of the school week.

To provide for every girl in the city opportunities for fun that is wholesome, exercise and study that profits her, companionship that is good and ideals that are noble, is the purpose of the Young Women's Christian Association.

A girl needs these as she needs air, to make her the sort of girl that the community needs. A splendid girl raises the standard of the community in which she lives.

Help the Young Women's Christian Association when it calls for your contribution to its \$1,000,000 campaign to carry out its 1920 program for the girls of the Chicago district.

## INJURED WHEN CAR IS HIT BY LIMITED

### RECOVERING AT HOSPITAL

Motorist Fails to Heed Warnings at Central Ave. Car Badly Wrecked in the Smashup

F. Bosold of Franklin Park, formerly minister of the Presbyterian church at Deerfield, was badly bruised and shaken up Tuesday evening about 5:08 o'clock when the machine he was driving was struck by the limited on the electric line.

Mr. Bosold was driving east on Central avenue just as the limited approached from the north. He apparently failed to see the signal warning held up by the gateman. Passersby, anticipating the smashup, attempted to stop him, and Officer John Sullivan tried to warn him to stop, but for some reason he drove directly across the track.

The limited hit the machine with such force that Ford parts were scattered over both tracks, and the body of the machine struck the telephone pole at the east side of the track dislodging an alarm box.

Mr. Bosold was knocked unconscious. Dr. H. B. Roberts was summoned and the injured man was removed to the Highland Park hospital, where he is recovering from the accident.

## Y. W. C. A. SECRETARY TO WED NEXT MONTH

Miss Olive Reynolds Left Saturday. Many Parties Given in Her Honor

There is general regret in Y. W. C. A. circles over the resignation of Miss Olive Reynolds, the Girls' Work secretary, who left for her home in Beaver Dam, Wis., last Saturday where she is to be married next month to Mr. Thomas Goodwin of Chicago.

This regret over her departure was evinced in a substantial manner last week by the many showers given in her honor at the Y. W. C. A. headquarters. Beginning with Monday afternoon, when the board of directors surprised her, carrying mysterious packages, the contents of which will go a long way toward beautifying the new home, to which she is looking forward.

The third corps of Girl Reserves gave a dinner the same evening and presented a Japanese luncheon cloth. Tuesday evening the Rainbow club and Dix Amies club added their token of love, the latter bestowing a dainty tea set and the former a miscellaneous array of gifts.

Wednesday evening the Aster club entertained for her at the home of Miss Dorothy Brown on Fairview avenue, with a prettily decorated table greeted the honored guest in the center of which was a silver tray for the happy bride to be.

The Monday of the previous week Mrs. C. G. Wright and Miss Viall gave a miscellaneous shower at the Y. W. C. A. residence for her.

Miss Reynolds leaves with the best wishes of all. She has been a most capable and efficient leader of the Junior girls, winning and holding by her charming personality.

## MRS. F. SCHUMACHER PASSES AWAY TUESDAY

### FUNERAL THIS AFTERNOON

Mrs. Frederick W. Schumacher Died Suddenly at Highland Park Hospital. Interment Lake Forest

Mrs. Edith Hopkins Schumacher died suddenly on Tuesday evening, May 18, at the Highland Park hospital of heart failure following a surgical operation. The news of her death was a shock to her wide circle of friends, few of whom knew that her condition was serious.

The funeral is to be at the Presbyterian church today (Thursday) at 2:30 p. m. The interment will be in private and at Lake Forest.

Mrs. Schumacher was the widow of Frederick W. Schumacher whose death three years ago was universally deplored. She was born in Allegan county, Michigan, and came to Highland Park with her husband 27 years ago, since which time both have been prominent in the church and social life of our community.

Three sons survive her, Howard J., Frederick W., and Norman H.

Mrs. Schumacher was a member of the Presbyterian church, and of the Highland Park club, the Ossoli club and the Woman's club.

The funeral will be conducted by the Rev. Frank Pitt.

## NARROW ESCAPE WHEN FORD CAR HITS TRUCK

Auto Smashup Sunday Evening in Deerfield Avenue. Serious Injuries Averted

Two men narrowly escaped serious injury Sunday evening about 8:30 when the Ford car in which they were riding collided with a moving van belonging to the Highland Park Transfer company. The van was standing in front of the Farmer home in Deerfield avenue.

The Ford smashed into the rear of the truck with such force that its radiator cap lodged firmly under the body of the truck. Noise of the collision brought neighbors to the scene. The men in the Ford were slightly stunned, but not seriously injured. Had the Ford not been traveling at a slow rate preparing to make a turn, the accident would doubtless have been more serious.

## COLD WEATHER CAUSES DEATH OF MANY BIRDS

Owing to the unusually cold weather of the past few weeks, many migrating birds have perished. Flycatchers, warblers, thrushes, and other birds which depend on insect food, have been picked up by the school children, having died from exposure and want of food. Our own summer visitors, robins, brown thrushes, catbirds and bluebirds are also suffering. They will eat bread soaked in water if thrown where they can get it. Mr. Coale is making a report on all bird casualties and would like information on same.

## "QUALITY STREET" TO BE GIVEN AT RAVINIA

Senior Class to Present Barrie's Play on Saturday Evening, May 29th

"Quality Street," by J. M. Barrie, is the play that has been selected by the Senior class of the Deerfield-Shields high school as a graduation play. This play is different from any play heretofore given by a graduating class in that it involves a great deal of character portrayal. The scene is laid in the early nineteenth century and the costumes are quite elaborate. The cast includes practically the entire class, 75 in number. The part of Phoebe Throssel, the charming little heroine, is being taken by Mildred Goeltz.

The part of Susan Throssel, a sweet, retiring maiden lady, is taken by Violet Wilcox. Valentine Brown, the dashing young suitor, who is the hero of the play is portrayed by Walter Hessler. The part of Fanny, Miss Willoughby and Henrietta, are refined ladies who try to look at life as cheerfully as possible in spite of the fact that they seem destined to be old maids, are taken by Muriel Payne, Mildred Lange and Doris Oliver. The parts of Major Bull, Major Linkwater, Ensign Blades and Lieut. Spicer are taken by James Stevens, Otho Morgan, Jeremiah Leaming and Carl Schaefer.

The play is to be staged at Ravinia Park Saturday evening, May 29, at eight fifteen o'clock. The tickets are on sale at the Community center, Schumacher's and Kraft's.

## THIEVES ENTER FELL HOME EARLY MONDAY

Take Clothing and Cash While Household Sleeps; Suspect Local Talent

Another robbery was successfully executed early Monday morning when the home of Samuel Fell, Central avenue, was burglarized. The loot included \$225 in cash, taken from Mr. Fell's trouser pockets, \$31 taken from his brother, H. Fell, a gold watch, a light overcoat, and numerous other articles of clothing. The thief or thieves even appropriated some of the clothing that had been worn.

No sound was heard by anyone in the household, but it is believed that the robbery occurred between two and three o'clock Monday morning. Entrance was gained through a front window. No trace of the parties has yet been found.

Prowlers have troubled several households during the past few weeks. Saturday night someone attempted to enter the home of Clarence Witt, Green Bay road, but was frightened away. No definite trace of the thieves who have been causing all this trouble recently has yet been found, but there is reason to believe that it is someone who is well acquainted locally.

## LOCALS DEFEATED BY CHICAGO TEAM

Visitors Take Game on Errors; Therrien Allows Only Five Hits

The Highland Park baseball team was defeated by the "Jackrabbits" of Chicago in a slightly one-sided game last Sunday. The final score was 6 to 1. Some good outfielding by the home boys was one of the features of the game.

A good crowd turned out for the game despite the cold weather. The locals appeared on the diamond in their new blue and grey uniforms. Highland Park made more hits than the visiting team, and on the whole displayed better team work. The scores made by the "Jackrabbits" were gained on errors. Therrien allowed only five hits. For the first four innings the struggle was a close one. Sam Martin scored for the locals in the third; but the lead was lost in the next inning, when the visitors made two runs. The remainder of the game was one-sided.

Next Sunday afternoon at three o'clock Highland Park will play the "Triangles," another crack Chicago team, at Central Park.

This evening (Thursday) at eight o'clock there will be a meeting of the Athletic club in the city hall. All members are urged to be present.

## "THE CHOSEN PRINCE" AT PRESBYTERIAN CHURCH

SUNDAY EVENING AT 7:30

A Remarkable Picturization of the Lives of David and Jonathan. Produced by Lyman Henry

Next Sunday evening at 7:30 there is to be shown at the Presbyterian church a photoplay entitled "The Chosen Prince," a dramatization of the Bible story of David and Jonathan. This play was produced recently in a California studio at large expense by Mr. Lyman L. Henry, who spent many months in staging and costuming it and who is now introducing it to the American public through the church as a means of popularizing Bible stories and of showing the possibilities of the photoplay in this field.

This production compares favorably in all its details with the most artistic and expensive moving picture dramas shown today and it is remarkable for the fidelity with which scriptural scenes and customs are reproduced. It is the most ambitious and successful attempt of the sort ever made and has been pronounced a notable artistic achievement. The story is thrilling and romantic and has a deep emotional appeal without recourse to indecency or sensationalism.

Great as has been the development of the motion picture industry in recent years its possibilities have not been exhausted and there are fields for its exploitation which are yet unoccupied.

The photoplays shown in our theatres seek only to amuse and divert and make little attempt to inform and educate the spectators. They tend to sensationalism and as a rule are highly spiced with eroticism, without which they have little chance of popular success.

The educational film has enormous possibilities of usefulness if only the right pictures can be produced and popularized. The Bible is the greatest story book in the world and probably the least known by the average person, and it offers great opportunities for popular representation.

There is no more dramatic story than the life of David which Mr. Lyman has chosen and reproduced in this drama.

The picture rapidly sketches in thrilling scenes, the home life of Saul's daughters, David's courtship and marriage, his advancement, Saul's jealousy, David's escape, Jonathan's fidelity, and Saul's pursuit of David through the valleys and mountains for ten years. The Judean hills, clothed with cedar and spreading oak as in David's time are reproduced in the beauty that inspired the psalmist to lift his eyes to the hills whence came his help. The photodrama having taken its living characters through love and intrigue, ambition and fidelity, in closing enjoins universal brotherhood and fidelity to friendship.

The play requires two hours for presentation and begins promptly at 7:30 o'clock. There will be no charge for admission but an offering will be taken to defray the cost of production. The public is cordially invited to attend the performance.

## HIKING CLUB TO VISIT SAND DUNES

The first walk to be taken by the Hiking club will take place on Sunday. All members and prospective members who are desirous of going on this hike will meet at the North Shore electric station and take the 1:24 car to Waukegan arriving there at 2:08. From there they will walk to the sand dunes of Illinois. The club will return via the C. N. W. railway at 5:41. The cost of the trip will be approximately \$1. For further information call Miss Siljstrom, or Mrs. Truax.

## STORES TO CLOSE ALL DAY MONDAY

Stores in Highland Park will be closed all day Monday, May 31, according to the announcement made by President O. G. St. Peter, of the Business Men's association. Memorial Day occurs on Sunday for the first time in years, and in order to give employees the usual day off, the business men will observe Monday as a holiday. Placards announcing this fact will be distributed next week.
