A Story of Spring

A dialogue between Mr. Commuter of Highland Park and his wife

"Why so sad, tonight, my dear?"

"Because Springtime is coming and most of our friends have had flowers planted since last fall, while we have nothing in our garden coming up early in the Spring. I am setting very anxious to see our beautiful home surrounded by rees, shrubs, evergreen, flowers, roses, vines, a pool and fountain, a rustic tea house and a beautiful lawn.

"Well my dear, you do not need to be sad. It is not a serious matter that we have not had our plants started early, or shrubs planted last fall. We can have our place made beautiful within a short time.'

"How could it be possible to have this work done within a short time"

"Coming out on the 5:10 this evening, Lheard of an honest, experienced landscape gardener named Fiori. I believe this man is interested in his work and could solve our problem."

"Good! As he is honest and experienced, why not call him on the phone and arrange to have him come over Sunday morning to discuss this matter with us?"

They did. And they are satisfied.
