#### Open Air Services

Sunday evening was the second of our open-air services. The week previous over forty attended. Last Sunday over one hundred and fifty stood for nearly an hour to listen to a religious service. Among these was a large number of Italians. When we knealt in prayer every head was uncovered. The attention was perfect. Before the service had proceeded but a few moments, persons came to the doors and windows of homes, and public places to listen and enter into the service. So it is difficult to estimate the size of the audience. Certainly the Spirit of God was with us. The quartet and public singing was worth going a distance to hear. Autoists stopped at the curbing and even North Shore trains seemed to tarry a little longer to listen. It appears that there is even a greater future for this type of work than we had dared to hope for. It is certainly inspiring to see the eagerness with which our people are entering into this form of service. While the air was quite cool the people remained until the service closed and none who stopped left.

All this seems to indicate that when warmer weather arrives to stay we shall have wonderful audiences. We want again to invite the Christian people of the community to join us in this work as we are not at all interested in the dogmatics but supremely concerned in the dynamics of the Christian faith. It is also our purpose to pay a great deal of attention to creating the highest type of American citizens. The opportunity in this direction as offered here is unique.

#### Mid Week Service

Last week the attendance was very large. The spirit of the service was equal to anything that we have experienced at any time. The quartet was present and sang. The subject for consideration was the "Holy Spirit." THIS week the minister will lead the service.

#### Sunday Services

The Epworth League meets at 6:15 next Sunday evening. This hour is 15 minutes earlier than in the past in order to get through in time for the open-air service.

Open air service starts promptly at 7 p. m.

## A Story of Spring

A dialogue between Mr. Commuter of Highland Park and his wife

"Why so sad, tonight, my dear?"

"Because Springtime is coming and most of our friends have had flowers planted since last fall, while we have nothing in our garden coming up early in the Spring. I am getting very anxious to see our beautiful home surrounded by trees, shrubs, evergreen, flowers, roses, vines, a pool and fountain, a rustic tea house and a beautiful lawn."

"Well my dear, you do not need to be sad. It is not a serious matter that we have not had our plants started early, or shrubs planted last fall. We can have our place made beautiful within a short time."

"How could it be possible to have this work done within a short time?"

"Coming out on the 5:10 this evening, I heard of an honest, experienced landscape gardener named Fiori. I believe this man is interested in his work and could solve our problem."

"Good! As he is honest and experienced, why not call him on the phone and arrange to have him come over Sunday morning to discuss this matter with us?"

They did. And they are satisfied.

WHY DON'T YOU?
