**REGULAR ARMY OFFICER
PRAISES HOSPITAL STAFF**

"I have received splendid treatment at General Hospital No. 28 and I wish that the worthy matron of this lodge would write a letter to my wife telling her so," said Serg't. F. L. L. Scharlach, at the last meeting of Campbell chapter of the Order of Eastern Star. "She thinks I may not be treated well and fears I am not permitted to write of conditions at the hospital as I have found them."

In accordance with the request Mrs. Frances Larson wrote the letter yesterday and mailed it to his wife, Mrs. Orpha M. Scharlach, Ironquois, Ill.

Serg't. Scharlach has been sent to Fort Sheridan for treatment previous to his discharge from active service. He was injured while on duty in the Philippines and still suffers from a sprained back. Because of his injury he was assigned to recruiting service at Detroit and Columbus barracks during the world war.

"Fort Sheridan hospital is one of the best managed, patients are given more consideration and their welfare better looked after than at any hospital I have ever visited," said the

veteran sergeant who has been in the regular army for about twenty years. He spoke in the highest terms of Col. W. N. Bispham, the commandant, and officers and personnel in charge of ward 58 where he is a patient.

**ILLINOIS STATE SUNDAY
SCHOOL ASSOCIATION**

**Will Meet at Jacksonville June
15-17. Several Delegates
Will Go From Here**

Every pastor in this city has recently received an invitation to the State Sunday School Association convention to be held in Jacksonville, June 15 to 17. Each Sunday school in the city is entitled to send delegates, and it is expected that a considerable delegation will go from this city to Jacksonville the middle of the month. This is the first convention to be held under the general direction of George N. Burnie, the new general secretary of the association. Mr. Burnie was for a number of years general secretary of the Indiana association, succeeding Charles E. Schenck last summer.

Beautiful girls in beautiful solo dances will prove another attraction. The strolling singers, in quaint and curious costumes, under the guidance of Mrs. C. G. Alexander, include soloists of enviable reputation on the North Shore, and this charming feature will be a treat to all music lovers.

Our movie friends are to be there in considerable number; you will want to meet face to face, Mary Pickford, Douglas Fairbanks, Charlie Chaplin, Tom Mix, Geraldine Farrar and other screen favorites. If you care to meet them, Mrs. Beatty will present you.

Mr. Rollin Pease of Evanston will give two groups of songs. Mr. Pease has a wonderful baritone voice and is always a favorite.

Miss Ruth Bletsch in harp solos, also has a place on the program.

These are only a few of the attractions the committee will present. Tables under the trees will be presided over by pretty girls, where ice cream, hot dog sandwiches and other dainties will be provided.

In case of rain, the carnival will be given the following day. Watch for further announcements.

Any who would rather hike to Lake Forest will leave here in time to reach the electric station at 2:34. This will be the last meeting until September.

**NEW DELICATESSEN
STORE IS OPENED**

Last Saturday the new Central Delicatessen, 396 Central avenue, was opened for business. The proprietors are P. Limper and G. Gachinos. They will carry a full line of canned goods, smoked meats, cheese, etc. The new company is occupying the former stand of the Pouloupius Bros.

HOARDING HURTS YOU

Money hoarders are enemies of prosperity. There is only money enough in the country to take care of legitimate business, and every dollar that is hoarded is virtually taken out of the hands of those who could otherwise use it to do business and pay wages. Every money panic or business depression in the history of the United States has been caused in part by the hoarding of money and the consequent lack of capital.

consequent lack of cash capital with which to do business, declares Paul Clay in Forbes Magazine. A dollar in the bank changes hands at least twenty times per annum, pays 20 people, does \$20 worth of business, of which something like \$12 goes for wages and helps to make business more prosperous and increase employment. A dollar in hoarding, on the other hand, does absolutely nothing and entitles the hoarder to the condemnation of his fellows. And now is the time when the banks need the dollars as much as they will ever need them.

Dear Sir:-

Your name is one of 500 new names just added to our long list of savings depositors, through the efforts of our special representative, Mr. W. J. Killeen, and the purpose of this letter is to welcome you as a customer of this bank and to assure you that you are now entitled to every service the bank has to offer.

Truthfully has it been said that there are two kinds of habits--habits of thrift and habits of extravagance. By taking membership in one of our 26 payment savings clubs you have decided in favor of the former and we are sure that as you make your weekly payments and see your bank account grow, likewise, the habit with you will grow into a fixed and enjoyable one.

We feel, and we want you to know, that this bank is worthy of your patronage. It has served the community uninterruptedly for over 20 years, its capital and surplus exceed \$100,000.00, its deposits have passed the million dollar mark and over 5,000 people bank here. It is this bank that is now YOUR bank.

Very respectfully,

HIGHLAND PARK STATE BANK,

By J. M. Appel, Vice President.
