UNITED EVANGELICAL

J. H. Keagle, Pastor
Children's Day has passed and leaves us with pleasant memories. The morning services were connected largely with the graduation from the lower classes of the Sunday school. About twenty graduated from both the primary and junior departments. The exercises were in charge of Mrs. T. H. Decker, superintendent of the primary department, and Miss Priscilla Norenberg, superintendent of the junior department. The baby boy of Dr. and Mrs. Earl Fritsch was consecrated in baptism at the beginning of the exercises by the pastor. The graduation exercises passed off pleasantly, the little ones doing themselves and their teachers great credit. This service may seem of little importance to many along side of the elaborate graduations from the grades and the high school and colleges that have just taken place, but "the beginning of knowledge is the fear of the Lord" and parents should be just as anxious that their children should "pass" in their spiritual education as in their intellectual training.

The evening service consisted of some excellent singing — a solo by Miss Carolyn Schulz, a selection by the male quartette of the church, several choruses by the choir and a reading by Miss Edna Schulz entitled "The Lost Word," by Van Dyke. Miss Schulz is an elocutionist of splendid ability and her rendering of the sweet story of the man who lost that which all the world could not take the place of, and how he again came in possession of it, was a great treat to all who were privileged to hear it.

The services of this church for next Sunday will be as follows:
9:30 a. m. Sunday school.
10:45 a. m. sermon by the pastor, "The Meaning of Salvation," 2 Cor. 5: 17-21.
At the 7:15 p. m. meeting of the Keystone League of the Christian Endeavor, the subject will be "Living up to Our Responsibilities," Matt. 25: 14-30, led by Miss Elsie Gieser. At the same hour the Junior League will meet with the same topic, led by Lloyd Botker. At 8:00 p. m. the pastor will preach, subject, "The Conflict and the Standard of the Lord," Isa. 59:19.

A cordial invitation is extended to the public.
A farewell reception will be given to Mr. William Noerenberg and his daughter, Miss Priscilla, who are soon to remove to California. All the friends of Mr. and Miss Noerenberg are invited to attend this reception which will be held in the parlors of the church.

EBENEZER EVANGELICAL

This church desires to express its gratitude to Reverend Fitt and his congregation in making our service of worship possible during the absence of the pastor last Sunday.
There will be no preaching services next Sunday morning. It will be "Children's Day." The children of the Sunday school are to present a cantata entitled "God's Flowerland," and all parents and friends of the children desiring to spend a sunny hour are urged to attend. This service will commence at 10 A. M.

In connection with this service there will be a christening service observed. All mothers who have babies, whom they would like to have christened, are requested to notify the pastor by next Saturday.
Everyone is invited to be present at the 8 o'clock service in the evening. This will be the only preaching service of the day.

A report from the Illinois State convention will be made by Mr. William Guyot, the delegate attending.

DEVELOPING PATRIOTISM

The purpose of such a holiday as July Fourth, is to promote love for the country. But fire crackers and bonfires do not develop patriotism. Even the sports and picnics that are such pleasant and desirable features of the day, don't do much to promote the real purpose of the celebration.

The best way to develop love of country is to tell the people something about the courage, the devotion, and the sacrifices of the great patriots of the past. They should also be shown what all this effort has achieved, and how it has gone on to develop the noblest institutions and the finest opportunities to be found anywhere in the world.

When young folks hear this story of courage and devotion and achievement, they will begin to realize what the country means to them, and to feel a desire to make some contribution of their own to further its progress.

The maiden aunts and grandmothers are profoundly disturbed because the Small Boy does not stay in the night before the Fourth, and read the Declaration of Independence and the United States Constitution.
