CHILDREN'S PROGRAM FEATURE AT RAVINIA

POPULAR WITH THE YOUNG

Thursday Afternoons Prove Very Successful; Opera Program for the Week

On Thursday afternoon, July 22, the children's program at Ravinia park will begin at 3 o'clock, and will open with community singing led by Miss Florence Crane. This will be followed by Mr. and Mrs. Marx Oberndorfer, who will interpret the orchestral numbers to be played by the orchestra on that day. It is very interesting to see how still the children sit, and how intensely interested they are in the music after they have been told what to listen for, and the story the music is trying to tell them. The attendance has been fine. This is a privilege that does not come within the easy reach of many communities. All children under fourteen years of age are admitted free and all seats are free to both adults and children Thursday afternoons.

The last half of the program will be given by Robert Wassman, a magician. For several years the children have been thrilled by the wonderful tricks of a magician. The children's pageant will take place Thursday, August 5. This will be one of the gala days at Ravinia for the children.

This evening (Thursday) "Il Trovatore" will be presented by a cast including Florence Easton, Morgan Kingston, Alice Gentle, Renato Zanelli, Mary Kent, and Giordano Patrineri. Friday afternoon there will be an orchestra program, and in the evening "Thais" will be given. The concert Saturday afternoon, July 17, begins at 3:00 o'clock with Richard Hageman leading. The opera for that evening will be "Madame Butterfly" with Florence Easton, Alice Gentle, Morgan Kingston and Graham Marr in the leading roles. Sunday afternoon there will be another concert, and "La Boheme" will be given in the evening with Edith Mason, Charles Hackett, Margery Maxwell, Millo Picco, Leon Rother, Louis D'Angelo, Paolo Ananian and Giordano Patrineri in the cast.

The program for the first part of next week is as follows: Monday, July 19, evening, orchestral concert; Tuesday, July 20, evening, "Lucia di Lammermoor"; Wednesday, July 21, evening, "Carmen"; Thursday, July 22, afternoon, children's program; evening, "Aida."

\$1,000 FIRE AT FORT SHERIDAN HOSPITAL

First Serious Blaze in Two Years. Department Commended for Good Work

A fire of unknown origin which broke out in the medical department storehouse at Fort Sheridan Tuesday morning caused about \$1,000 damage. This is the only fire of serious consequences that has occurred since the opening of the hospital at the fort two years ago. A board of inquiry, after special investigation, commended the fire department at the fort for excellent work in checking what promised to be a bad conflagration. It will be remembered that at the time of the building of the great hospital, many predicted that the place would be a fire trap. The fact that there has been but one serious fire not only disproves this theory, but also speaks well for the efficiency of the fire department at the post.

FINAL TRYOUT SUNDAY FOR LIFE SAVING CREW

Last Sunday afternoon three crews, members of the Young Men's club, were given tryouts for the life saving crew which is being organized, with John Peters as captain. The final tryout will be made next Sunday after which the members will be selected.

The Young Men's club has in years past maintained a crew which rendered most efficient service during the summer. It is hoped that with the careful selection of men for this year's crew that the high standard gained in previous years may be maintained.

SALVATION ARMY HOTEL NEARS COMPLETION

BUILDING AT WAUKEGAN

Modern Institution for Active and Former Service Men. Capt. and Mrs. Rhoda In Charge

Service men have not been forgotten by the Salvation army now that the war is over. The same character of activities that brought the organization so powerfully and favorably to the front while hostilities were on continues at permanent military and naval posts.

Some time in September there will be dedicated in Waukegan a Salvation Army institution guaranteed to serve indirectly every county in Illinois. It is a new hotel for active and former service men, specially designed to give them many comforts and much home atmosphere.

The building which will supplant the hotel that now stands at 222 Washington street, is already up, and the interior finishers are busy. It has been planned to give adequate service especially to the boys of the G. Lakes Naval Training station here, who come from every county in the state, as well as from various other states.

Captain and Mrs. R. H. Rhoda, who have charge of the present hotel, and who served with the A. E. F. in France, know the service men well, and they agree that it is especially important to look well to the happiness of the soldier or sailor during the recruit period. It is then that he ordinarily suffers most keenly from homesickness and a general weakening of the spirit.

In the new hotel there will be 84 private rooms with hot and cold running water, steam heat, clothes closets, reading lights and modern sanitary furniture; dormitories with accommodations for 250; recreation room, with piano, victrola, magazine racks, games and bowling alley; lunch counter and cafeteria; sun parlor and winter tea room; reception room, 30 by 60 feet; library, writing room and music room; a wing where rooms will be set apart for visiting friends and relatives of service men.

HIGHLAND PARK DAY PLANS ABANDONED

Young Men's Club and American Legion Make Final Decision at Meeting Wednesday

At a meeting of the Young Men's club last Wednesday evening it was decided to abandon plans for a Highland Park day this year. This was done following the decision made at the business men's meeting a week previous.

Although most of the people of the community were in favor of the project, it seemed that no one organization wanted to take the initiative. The Young Men's club felt that they could not make a success of the affair owing to the fact that they were inexperienced in the matter.

In view of the advanced cost of everything it seems that to abandon the plans for another year was the only wise thing to do.

The American Legion has also decided to give up the idea of a Highland Park day.

SPEEDING MOTORIST KILLS VALUABLE DOG

A valuable police dog belonging to C. G. Bingham of S. Green Bay road was killed Tuesday evening by a speeding motorist. It has not been necessary for Highland Park to employ a motorcycle "cop," but if the speeding on South Green Bay road does not cease, it may become necessary for the city to employ one.

Mr. and Mrs. George Huber, 104 S. Green Bay road, celebrated their golden wedding anniversary Sunday, July 11. They left on their second honeymoon Wednesday for Fremont, Mich., where they will spend a few weeks with their daughter, Mrs. E. Oetzel. Their first honeymoon began just fifty years ago.

Mr. Huber is 74 years old. July 11, 1870, he was united in marriage with Elizabeth Zimmer of Belvidere, Ill. She is now 68.

Fifty-eight guests attended the celebration of their golden wedding anniversary last Sunday.

A daughter, Mrs. Minnie Oetzel, is living in Fremont, Mich. Other grandchildren are: Leslie Oetzel, Irene Oetzel, and Mrs. Minnie Crosby, Fremont, Mich. Clifford Crosby, Fremont, Mich., is the only great grandchild.

Mr. Huber was for many years a manufacturer of soda waters in Highland Park. He retired from active business twelve years ago. One son, S. G. Huber, is commissioner of health and safety of the city, while another, Herbert Huber, is superintendent of the Highland Park water works.

In the photograph above, taken Sunday, Mr. and Mrs. Huber are accompanied by the bridesmaid and best man of fifty years ago. They are Mr. August Zimmer, brother of Mrs. Huber, and Mrs. Mary Herdick.

KILLED INSTANTLY BY ELECTRIC SHOCK

BODY HURLED TO GROUND

Nick Caramante, Highwood, is Victim of Carelessness; In the Employ of Chas. Fiori

Nick Caramante, aged 25, employed by Charles Fiori, Highwood landscape gardener, met instant death last Friday afternoon when he came in contact with a high tension wire on the Public Service company's lines. It is estimated that 2,200 volts passed through his body.

Caramante was trimming trees in front of the W. D. Messenger home in Dale avenue. He was using a pair of pruning shears attached to a long pole. He climbed high into the tree, and then reached up with the pole to trim off some of the higher limbs. The end of the pole became hooked over the high tension wire and the current traveled down the pole through his body.

The body of the victim was hurled to the ground. He was dead when spectators arrived on the scene. It is believed that death was instantaneous.

The inquest was held at the Prior undertaking rooms, presided over by Coroner J. L. Taylor. The verdict was in accordance with the facts. The evidence showed that Caramante had been warned to watch out for the electric wires before he climbed the tree.

MID-SUMMER FLOWER AND VEGETABLE SHOW

ON JULY 24TH AND 25TH

At Gorton School Lake Forest. Many Beautiful Estates Will be Open to the Public

The great success of the iris and peony show held by the North Shore Horticultural society associated with the Garden Club of Illinois, has encouraged the gardeners and estate owners of Lake Forest to hold a Mid-Summer show at the Gorton school in Lake Forest on July 24 and 25. At the last show only flowers were shown, but on Saturday utilitarian gardeners will find every sort and kind of vegetable grown in perfection and arranged to vie with the flowers in beauty.

Visitors to the last flower show were enthusiastic in their comments and during the two days of the show not only was Gorton school filled to overflowing, but the many beautiful gardens thrown open to flower show ticket holders were thronged.

For the present show other Lake Forest gardens will be opened. J. Ogden Armour, Louis F. Swift, Hugh J. McBirney and Miss Florence Underwood are among those who will open their beautiful places to the public.

Since these estates are widely separated an arrangement will be made to have taxicabs available to take visitors from one to the other. For the convenience of those who come in their own automobiles a number of guides will be in attendance to guide them through the tortuous Lake Forest streets.

One feature of the show will be the vase offering as prizes in the flower arrangement and table decoration classes by the Garden Club of Illinois. It is hoped that this bait will be sufficiently attractive to lead many North Shore gardeners and neighboring garden clubs to make entries in these classes. The judges in these classes will be members of the Garden Club of Illinois.

Judges for the other classes will be as follows:

Axel Johnson, from the F. T. A. Junkin estate at Lake Geneva, Wis. John Livingstone, from the A. J. Earling estate at Oconomowoc, Wis. Joseph Feveee, Peony and Iris Specialist, of Park Ridge, Ill.

The attendance at the last show was so great that an entire new supply of tickets had to be hurriedly printed. This time provision will be made for even greater success, and since visitors at the former show were so many, a very special effort will be made to have this one even better and more rewarding to the crowds that are expected.

CITIZENSHIP CLASSES OPEN TO PUBLIC

Elam S. Clark of Waukegan to Speak Wednesday Afternoon

The Wednesday afternoon Citizenship meetings at the Community Center are open to the general public. Women predominate in the audience, but men as well as women are most welcome and are urged to attend.

Next Wednesday at 3 o'clock the Hon. Elam S. Clark of Waukegan will speak on "The Constitutional Convention."

Mr. Clark represents this district as a member of the convention and every citizen who can should hear his address upon the partially completed new constitution which will come before the voters of the state for adoption.

Those present at the meeting yesterday were enthusiastic over the program which was full of interesting facts concerning city management taxes, and the new park developments, with Mayor Hastings and Mr. Everett L. Millard as the speakers and then a pertinent discussion by Mrs. C. W. Balke, who raised the question of the illegal situation in Highland Park with two school districts instead of the more usual plan of one school district with boundaries identical with the city limits.

HOLY NAME SOCIETIES HOLD ANNUAL MEETING

ADDRESS BY REV. BYRNES

About Eight Hundred Men in Attendance at Waukegan Last Sunday Af- ternoon

About 800 Catholic men of the county attended the second annual meeting of all the Holy Name societies of Lake County Sunday afternoon at Waukegan.

The large gathering of Catholic men gathered at the C. and N. W. depot at 2 p. m. and met the Rt. Rev. A. J. McGavick. A procession was formed and Bishop McGavick escorted to the Armory.

The program at the Armory opened at 2:45 with an address by the Rev. Daniel Byrnes, pastor of the Holy Family church, North Chicago, and county spiritual director. He welcomed the Bishop, members of the Chicago delegation and members of the various Holy Name societies of Lake county. Rev. Byrnes is an orator of renown and gave a brilliant talk in opening the convention of Catholic men of Lake County.

He told of the splendid work accomplished by the Holy Name branches of Lake County during the past year. The two new branches of the Holy Name society were organized in Lake County during the past year. One branch was organized at St. Joseph's church and the other at the Mother of God church.

Rev. Byrnes told of the work of the Big Brothers in Chicago and compared the work to that of the Good Samaritan. In conclusion he said: "Charity and sympathy are necessary in life, but they must not stop at words, let's make both practicable."

Rev. Byrnes then introduced John A. Reardon, chairman of the meeting and executive member of the Lake County Holy Name society organization. Mr. Reardon gave a short talk explaining the main purpose of the Holy Name society.

EXMOOR CLUB TO HOLD OPEN TOURNEY JULY 24

Chick Evans, Robert Gardner and Other Western Talent Will Be Present

Renewing the custom of several years past, the Exmoor Golf club will hold an open tournament July 22 to 24.

About 15 years ago, the Chicago district had four or five open tournaments each season. Onvontsia, Exmoor, Glen View, Chicago and Midlothian opened their courses, the only restrictions being that the players were members of clubs belonging to the U. S. G. A. or W. G. A. The form of these tournaments was modeled on a championship event, and the play was entirely in pairs, not foursomes. As a result of these tournaments several fine young players were developed, among them being Bob Gardner, Chick Evans, Albert Seckel, Warren Wood, Mason Phelps, the Hunters, Edwards and Egans.

After these tournaments were discontinued, due to the overcrowded courses, competition was not so great and the young players did not develop as they should.

The tournament will be open to players associated with the U. S. G. A. and the W. G. A., who have a rating of 8 or less. Chick Evans and Robert Gardner already have promised to play, and the Exmoor is endeavoring to get the cream of the Western talent.
