### TAX-BUYERS FAIL TO BID FOR PROPERTY

Sale Opened Each Day; County Treasurer's Efforts to Find Buyers Are Fruitless

As a result of the failure of tax-buyers to bid in the delinquent taxes this year the delinquent tax sale is a failure and hundreds of thousands of dollars worth of property on which the taxes have been allowed to become delinquent, has been forfeited to the state. Inquiry at the office of Roy Bracher, County Treasurer, brought forth the statement that almost without exception all delinquent property this year has been forfeited.

Just how much the total amount will be is not known according to a deputy in the treasurer's office, and will not be known until the records have been completely checked over. This work is in progress now.

Several efforts on the part of the county treasurer to conduct the tax sale met with failure. Two buyers were the most that appeared at any time and most of the time no buyers showed up. Only a handful of descriptions were bid in. It was this fact which made it necessary for the treasurer to forfeit the property to the state.

Under the new state law the rate of interest which tax buyers can collect is 6 per cent for six months or 12 per cent for a year. Most of the property which is redeemed by the owners is redeemed inside of the six-months period. Thus the tax buyers could figure on not to exceed six per cent profit on most sales. Under the plan that prevailed up to this year the rate was 25 per cent. It was this marked reduction which kept bidders away this year.

Under the old plan the various taxing bodies of Lake County would receive their proportionate share of the tax whenever it was paid. Under the present system of forfeiting the property to the state taxing bodies in the county do not receive anything from the delinquent property.

On all property which is forfeited to the state a penalty of 25 per cent is added each year. The owner of the property never can give a clear title to it as long as the tax remains unpaid.

County Treasurer Bracher will continue to sell taxes to any person who desires to buy up to the time the report is completed and sent to the state. Those who have allowed their property to become delinquent therefore, will save money if they lose no time in paying.

The tax sale will be opened each day and promptly adjourned, until have the effect of keeping this sale open and complying with the law.

### FORMER HIGHLAND PARK BOY DIES IN COLORADO

Funeral of John Q. Schaefer Is Held Friday in Lake Forest. Interment There

John Q. Schaefer, who passed away Tuesday, July 6, in Denver, Colo., was the son of Mr. and Mrs. Fred Schaefer of this city. He was 24 years old, being born January 11, 1896, in Highland Park. His death was the result of tuberculosis contracted about two and one-half years ago when he was in service at Camp Grant. John Schaefer was among the first boys to be sent to Camp Grant.

He was a graduate of the Lincoln school and a member of the class of 1914 of the Deerfield-Shields High school. He was very much liked and was most popular among his classmates. Two years ago he married Ruth Cummings, daughter of Mr. and Mrs. Percy Cummings, of Lake Forest. A son was born to Mr. and Mrs. Schaefer, January 2, of this year.

Funeral services were held Friday afternoon at two o'clock at the Percy Cummings home in Lake Forest, with the Lake Forest Masonic lodge in charge. Interment was in Lake Forest.

Mr. Schaefer leaves to survive him his wife and infant son, Frederick Cummings, his father and mother, two sisters, Mrs. John Bare of Lusk, Wyo., Mrs. B. H. Adams of Sloux City, Ia., and two brothers, Oliver Schaefer of Chicago, and Carl Schaefer of this city.

### PRIVATE BURNS GONE; WRITES BOGUS CHECKS

Missing Fort Sheridan Soldier Gets \$150.00; Authorities Await Third

Frank M. Burns, of San Francisco, enlisted in the medical corps at Ft. Sheridan a little over a week ago. Because of his experience in office work and general aptitude he was detailed as bookkeeper and auditor of the "Recall," the soldiers' publication at the fort.

# CARP CAVIAR

"I gambled and lost."

Andy Gump.

THE experience of Andy Gump with Carp Caviar is not unlike that of thousands of men and women who, after having made a start in life, became impatient and took a "flyer" on the market in the hope of making a "killing" over night. They gambled and lost. Their experience and misfortune should prove a lesson and warning to the young man and woman of today.

In the laudable ambition of acquiring a competency, patience and perseverance count most in the end. Depositing your surplus earnings in a reputable bank where they are safe and productive, consulting your banker with regard to permanent investments and letting the other fellow (Andy) do the gambling—such a line of conduct will contribute to a peaceful, happy and successful career.

### NORTHWESTERN WINS FROM NORTH SHORE

Rally in the Last Inning Fails to Overcome Early Lead

The Northwestern elevated baseball team from Chicago defeated the North Shore team 4 to 3 Tuesday afternoon in one of the most exciting games played on the Central avenue diamond this season.

The visitors won the game in the first inning, getting around the diamond four times, before the chagrined North Shore men could check them. They failed to score in the

other eight innings. Jesse Helton scored for the North Shore in the third, and Frank Elwell made one run in the sixth.

During the last half of the ninth inning excitement rose almost to fever heat when the Northwestern pitcher walked two men, Paddy White ran in from second when one of his team mates hit a low fly to the outfield, but the next two men up struck out.

The batteries were as follows: Northwestern: Kubisack and Maier; North Shore: Carlson and Buckries. The North Shore team has won two games and lost two. George C. Kenry, Highwood, is manager.

### POOR HOSPITALITY IS SHOWN AT DES PLAINES

Fan Describes Interesting Incidents in Eventful Trip to That City

Des Plaines retaliated for its defeat by the Highland Park ball team in the Fourth of July game by winning from the latter team 7 to 3 in the game of Monday, July 5.

Many and varied were the thrills of the locals' trip to Des Plaines. The chief feature was a flying transmission from the top of a six ton transfer truck to a Ford roadster, driven by Tommy Kelly at forty-five miles an hour. This performance was dextrously accomplished by Art Arnswald, a member of the visiting team, while passing the "House that Jack Built" on Milwaukee avenue.

Thrill No. 2 happened upon the arrival at Des Plaines. The visiting team was escorted to a picnic on the roadside and were shown the place where they would have to play ball. Half of the diamond was under a bridge. They were told that the game would be delayed until five o'clock, until the herd of cows that had just been turned out had the grass tramped down so the players on the infield could see each other. After the first effect of the thrill had subsided, the visitors asserted themselves, and threatened to start for home, which action aroused the natives, and as a result the picnicers all wended their way to a pasture in the center of the town, and the game got under way.

Thrill No. 3 came when the umpire threatened to kill a player on the Highland Park team, who is supposed to have made a grimace at home on account of a raw decision. However, another threat to take the visiting team home brought the obstreperous umpire to his senses and he apologized.

Thrill No. 4 capped the climax, and explained many noticeable things about the town, chief of which was a lack of sportsmanship on the part

### COMMUNITY CENTER TEAM LOSES AGAIN

Glencoe Makes Eight Runs in 2nd Inning and Maintains the Lead

The Highland Park Community Center baseball team went to defeat at Glencoe last Sunday afternoon in a 13 to 6 contest. Glencoe took the Highland Parkers off their feet in a whirlwind series of plays that gained eight runs in the 2nd inning. After the second inning, things settled down to nearly normal, but Glencoe maintained the lead. Fay and Fay cooped the battery for Highland Park until the second inning, when E. Fay sprained his ankle. Rudolph and W. Gerkin were then put in. There was no star playing at any time during the game.

The visitors were handicapped by playing on a strange diamond, where, according to local regulation, a ball could be good for only a two base run. Highwood defeated Winnetka Sunday and Glenview won from the Oaktons 3 to 2 in a ten inning game. Several of the teams in the league are developing mid-season strength, and will run Glencoe a close race for first honors.

### CHANGE NAME OF U. S. A. GENERAL HOSPITAL NO. 28

The Fort Sheridan hospital is no longer known as U. S. A. General Hospital No. 28.

On the morning of July 6 orders were distributed around the hospital stating that hereafter the hospital would be known as Lovell General Hospital, Ft. Sheridan, Ill. It is so designated in honor of the first surgeon general of the United States army, Joseph Lovell.

General Lovell was born in 1788 and died in 1836. In 1818 he received his appointment as surgeon general and served as such until his death, making a period of eighteen years in all in which he retained his position.

### SHOOTS RIOT GUN IN FORT HOSPITAL

Charles A. Bost, a soldier at Fort Sheridan, is in the guard-house at the post, awaiting court martial Wednesday while guarding some prisoners at the fort he accidentally discharged a "riot" gun loaded with buckshot into the Red Cross convalescent hospital. His carelessness endangered the lives of many patients in the hospital.
