HIGHLAND PARK, ILLINOIS, THURSDAY, AUGUST 5, 1920

VOLUME 10

## GEN. DICKSON TALKS AT MEETING TUESDAY

### THEATRE WELL CROWDED

Miss Thompson Tells of Women's Suffrage; Music Furnished by Band and Quartet

Despite the attractions of the Ravinia opera and the meeting of the Business Men's association, the Republican rally, held Tuesday evening in the Pearl theatre under the auspices of the Harding and Coolidge Men's and Women's club, was well attended and the entire evening's program was a great success.

The main address of the evening was delivered by Adjutant General F. S. Dickson, of the Illinois National Guard. General Dickson gave a clear and concise outline of the Republican party platform, and explained why it should be supported not only by the party members, but by every man and woman. The General is a remarkable speaker, and he was very enthusiastically received.

Miss Alice H. Thompson, a Chicago attorney, gave a brief and interesting talk. She addressed her speech more to the women, of whom there were a great many present, and gave a short analysis of the woman's suffrage question, and the probability of American women being allowed to vote in the election next November.

Good music was furnished during the evening by a band from Chicago, and several selections were given by a male quartet. Mayor Samuel M. Hastings presided at the meeting.

The Harding and Coolidge Men's and Women's club has arranged for more of these interesting and profitable meetings during the remainder of the summer and autumn. These will be held at the Pearl Theatre.

## LOCAL GAS OFFICE HOLDS DEMONSTRATION

### Many See Clark Jewel Ranges Equipped with Regulator in Operation

Those who visited the local gas office last Friday afternoon were served a delicious dinner, the dinner being a demonstration of the service rendered by the Clark Jewel gas ranges equipped with "Lorain" oven heat regulators.

The meal, which consisted of roast pork, boiled potatoes, beets and apple sauce, was prepared, placed in the oven with the temperature adjusted on the regulator, and allowed to cook for several hours and then served. This added equipment which is only attached to the Clark Jewel gas ranges means much to the busy housewife.

## HIGHLAND PARK MAY HAVE NEXT GOVERNOR?

There is a rumor afloat that a great deal of influence is being brought to bear on one of our citizens to obtain his consent to become a candidate for Governor of the State of Illinois on the Republican ticket at the coming primary election to be held September 15th. Up to the time of going to press this rumor could not be verified.

## TRINITY CHURCH

Friday, August 6, is the festival of the Transfiguration and there will be a celebration of the Holy Communion in the church at 9:30.

During the summer months the Sunday services are as follows:

The Holy Communion at 7:30; children's service and instruction at 10; Morning Prayer and sermon at 11; Evening Prayer at 5. The mid week Eucharist on Thursday morning at 9:30.

The church is open every day for rest and prayer.

The choir boys are on vacation during August and the music at the Sunday morning service is rendered by the adult choir.

## ADDITIONAL LOCAL

Mike Lencioni has purchased the James Grant residence at the corner of Ravine and St. John's ave.

Mr. and Mrs. Oscar Norenberg left Saturday night for Los Angeles, Cal., where they will make their future home.

## BUSINESS MEN PLAN PICNIC AT WHEELING

### Will Spend Wednesday Afternoon and Evening Along Des Plaines River

The members of the Business Men's association and their families will enjoy a basket picnic, Wednesday afternoon and evening, Aug. 18. The affair will be held in the forest preserve along the east bank of the Des Plaines river, near Wheeling. This was decided at the meeting of the association, held Tuesday evening in Witten's hall. A committee composed of George F. Bock, William Witten and Herman Denzel was appointed to make all arrangements.

Good attendance marked this meeting of the business men. Routine business was transacted, and the question of boosting the improvement of Central avenue west of Green Bay rd. and of North St. Johns av. was again discussed. It was noted with satisfaction that the city has repaired the bad stretch in First st. north of Laurel av.

## JAILED AND FINED FOR SUNDAY SPREE

### Gottfried Carlson Pays Dearly for Driving While Intoxicated

Gottfried Carlson, 138 Oak st., Chicago, spent a more or less pleasant night, Sunday, as the guest of honor at the city hall, after being arrested by Officer John Sullivan on a charge of driving an automobile while under the influence of liquor.

He was arrested Sunday afternoon after he had managed to drive his car over most of South St. Johns ave. and the adjoining parkway. A party of friends who accompanied Carlson offered to go his bond, but were refused. The car was interned in a local garage, and the driver shut up in the city jail. Monday morning he appeared before Justice A. E. Smith and was fined \$100 and costs.

Another Chicago man was fined \$3 and costs Sunday for going around the St. Johns ave. traffic island the wrong way.

## WILLIAM ROGERS IN "THE STRANGE BOARDER"

### Mary Miles Minter Saturday in "A Cumberland Romance" Matinee at 2:30 p. m.

Pearl Theatre will present the following program next week:

Sunday, Anita Stewart in "The Yellow Typhoon," by Harold McGrath, Fox Sunshine comedy; Monday, Zaza Pitts in "The Heart of Twenty," "The Lost City," Christie comedy; Tuesday, Alice Brady in "The Dark Lantern," Briggs comedy; Wednesday, Edith Storey and Sam De Grasse in "Moon Madness," Christie comedy, Paramount magazine; Thursday, William Rogers in "The Strange Boarder," by Will Payne, Bee Hive comedy, The Gumps and News; Friday, Jack Pickford in "Double Dyed Deceiver," Burton Holmes Travelog, Mutt and Jeff; Saturday, Mary Miles Minter in "A Cumberland Romance," adapted from the book, "A Mountain Europa," Mack Sennett comedy. Matinee at 2:30.

## THIRD BOGUS CHECK CASHED BY SOLDIER

Private Frank Burns, the missing auditor from the Fort Sheridan Recall office, who has been "A. W. O. L." since July 10, has cashed the third and last of the blank checks he took along with him. This one was made out for \$125. The other two, which came back to the Recall office some time ago, were for \$25 and \$125 respectively. The Recall is protected, however, and the persons who cashed the worthless checks are the losers.

## CHICAGO CHILDREN ENTERTAINED HERE

About 150 children from the Commons, a charitable institution on the northwest side in Chicago, were entertained all day yesterday at the home of L. M. Williams in Green Bay road. Once each year the children from the Commons are given a day's outing on the Williams estate here.

## "HAPPY" MARTIN WINS JUNIOR GOLF TITLE

### AT THE BOB O' LINK CLUB

John Dawson and George Hackl Winners of the Second and Third Flight Trophies

Harold Martin, better known as "Happy" Martin of Onwentsia ave., won the Western Junior championship held at Bob O' Link last Wednesday, Thursday and Friday, by defeating Walter Crow of Columbus Park.

Coolness under fire is the greatest gift a soldier or a golfer can have, and it was this characteristic which won the Western Junior title for Harold Martin Friday. The same thing can be said of Walter Crow of Columbus Park, who was his opponent in the finals, and the gameness of the two boys was the real outstanding feature of their match. Seldom have we seen such an exhibition of perfect self-control.

Martin has a beautiful short game, and while he was constantly outdriven by Crow, his deadly chipping and putting held the Columbus Park star even for eighteen holes, and Crow beat him self on the nineteenth. Walter really owes his defeat to his inability to play bunker shots, and his failure to recover well when trapped cost him at least six strokes during the match. A trapped tee shot cost home the first hole and the next three were halved. Crow holed a fifteen-foot putt for a win in 2 on the 150-yard fifth, and they played the 408-yard sixth very badly, Martin winning it with a 6. Crow won the seventh in-par and they halved the eighth and ninth, the match standing all square at the turn.

One putt on the tenth green made Martin 1 up and he became 2 up when Walter took three putts on the twelfth green. Things looked rosy for Happy, but he spilled the beans by topping his drive on the twelfth hole into a bunker and it cost him two to get out. Walter was on the green in 3 and Happy conceded him his putt for a 4, and they halved the short fourteenth in 3, after Martin overplayed the green with his iron and recovered cleverly. Crow squared the match on the fifteenth green by holing a fifteen-foot putt for a par 4, and he became 1 up when he missed a five-foot putt for a half on the sixteenth green.

They halved the seventeenth hole in 4 and Martin played one of the best shots of the match on the 398-yard eighteenth hole when he judged in a slice perfectly and placed his brassie second on the edge of the green. Crow had driven the longer ball and he tried to get home with an iron but pushed the ball a little to the right and it stopped in a big trap at the right of the green. A good recovery would have saved his bacon, but, as we have said before, he is weak on bunker shots, and Martin won the hole with a par 4 and squared the match.

Martin drove well on the 425-yard first hole and placed his brassie second in the middle of the fairway forty yards short of the green, but in a perfect position to approach from. Crow had driven the longer ball by many yards, but he was on the left side of the course and had to carry over a big cup bunker short of the green. A midiron would have taken him home nicely, but he was afraid of the hazard and tried to play a safe shot to the right side of the green; he cut across the ball and sliced it to the rough at the right of the green.

Martin played a little pitch-and-run shot to within 15 feet of the cup, and then Crow half topped his niblick pitch and his ball ran across the green to the rough on the other side. On his fourth shot he tried to pitch the ball against the bank so as to hold it on the green, but the bank stopped it dead. Another chip shot placed it on the green six feet from the cup and this gave Martin two putts for a win; he putted to within an inch of the cup on his first attempt and the boys shook hands. The cards follow:

Martin, out 5 2 5 5 6 6 5 5 -42  
Crow, out 6 3 5 5 2 7 4 5 -42  
Martin, in 4 4 4 5 5 4 4 -40-82  
Crow, out 5 4 4 4 4 4 4 -40-82  
Extra Hole—Martin, 1; Crow, 6.

The second flight was won by J. Dawson who defeated Marsh by one up. George Hackl was the winner in the third flight, defeating Morgan 5-4.

## CHILDREN'S EVENT AT RAVINIA PARK

### WILD FLOWER FESTIVAL

Many Children to Take Part; Program for Week Contains Many Good Numbers

The usual children's day, Thursday afternoon, will be celebrated this week under the guise of a wild flower carnival. The plans embrace a professional and pageant under the direction of Miss Bertha Iles, to be followed by a play, "The Lesson of the Wild Flowers," the work of Mrs. Charles Millsbaugh, who will be present at the performance.

More than 4,000 children will take part in the carnival, costumed variously as flowers, birds and fairies. There will be no orchestral concert. All children under 14 are admitted without charge.

Charles Hackett's characterization of Nemorino in the "Elixir of Love" at Ravinia Friday night was one of the best he has given this season. Ananias as Dr. Dulcamara was excellent. Due to the illness of Mr. Rothler "The Love of Three Kings" was not given Saturday night and "Madame Butterfly" was presented instead, with Miss Easton and Mr. Kingston. "La Boheme" was given Sunday night with Miss Easton and Charles Hackett. Monday night the usual orchestra concert was given and Tuesday Florence Easton appeared in the title role of "Aida." Wednesday evening "Carmen" was presented again.

This evening (Thursday) "Rigoletto" will be repeated, Friday night "L'Amore Dei Tre Re" will be heard. The program for the following week is: Saturday, August 7, afternoon, orchestra concert, evening, "L'Elixir D'Amore;" Sunday, August 8, afternoon, orchestra concert, evening, "Il Trovatore;" Monday, August 9, evening, concert by orchestra; Tuesday, August 10, evening, "I Pagliacci;" Wednesday, August 11, evening, "Manon;" Thursday, August 12, afternoon, children's program; evening, "The Secret of Suzanne," and "La Navarraise."

## LOCAL MOOSE LODGE INSTITUTED MONDAY

### Elect Officers at Meeting Aug. 2. Next Meeting to be Held Monday, August 9

Highland Park Lodge No. 446, Loyal Order of Moose, was instituted on Monday night. A large class was present and the following officers were elected:

Past Dictator—George E. Pett.  
Dictator—A. W. Yowell.  
Vice Dictator—Jas. High.  
Prelate—John Peters.  
Secretary—William H. Bowden.  
Treasurer—Harry Paul.  
Board of Trustees—Wm. Witten, Dr. G. Q. Grady, Edward Maroney.  
From the large amount of interest taken in this movement the members are looking forward to a lodge of 500 or more in a month.  
The next meeting will be held Monday evening, Aug. 9, when another large class will be admitted to the order.

## AUTO SALES COMPANY WILL LOCATE HERE

John T. Fitz-Gibbons of Chicago has organized the North Shore Buick company, and will have an office in the Larson Brothers garage, 32 South First st. This company will have the north shore territory from Kenilworth to the northern boundary of Fort Sheridan, and will be under the personal supervision of Mr. Fitz-Gibbons.

## LENCIONI EMPLOYE SINGS AT RAVINIA

A. & G. Lencioni are in the limelight, as is also one of their employees, Richard Turelli, who has been engaged by the Ravinia Company to sing in the chorus. Friends of "Rich" have known for some time that he has a voice, but never realized that he might be a future operatic star.

## WIN FROM HIGHWOOD IN TEN INNING GAME

### Double Play in Tenth Saves the Bacon for Community Center Ball Players

In what is claimed by fans to be the fastest game of the season the Highland Park Community Center ball boys made up for their recent series of defeats by trimming the Highwood aggregation 3 to 2 in a ten-inning game, played Sunday afternoon on the Highwood diamond.

The Highland Park nine played a wonderful game, and kept their heads, making only two wild throws and one error during the entire contest. Rudolph allowed only two hits. W. Gerkin did good work at home plate.

Highwood scored first early in the game, but "Johnny" Fay knocked a nice two-bagger, and went around for a run. Later in the game Raymond Sheehan made a run, and Highwood scored again.

The tie stretched through the ninth inning, and the excitement grew with each succeeding play. A Highwood batter hit the sphere for a two-bagger with one man out. The next man knocked one to Rudolph who passed it to Fay, at first. Fay got the ball back to Gerkin at home plate for a double. Gerkin made the winning run. The disappointed Highwood men made the umpire nervous and a body-guard was raised to escort him to the ca.

The boys will play the Shermerville team next Sunday at three o'clock on the home ground. Everybody should turn out and help them to win this game.

## JOINT PICNIC TO BE HELD NEXT SATURDAY

### Interesting Features Planned by Y. M. C. and American Legion for Aug. 14

The picnic to be held by the American Legion and the Young Men's club on Saturday, August 14, is going to be a gala event. Some of the best talent will appear in the swimming contests. The canoe tilting contests will provide a great deal of sport, not only to those taking part, but to those watching the events. The life saving crew will put up a good exhibition drill. With the amount of practice the boys have had of late they should be able to show the people of this city the value of their services in protecting the bathers and boaters, who take advantage of the beach.

Dancing has been arranged for and a nominal charge will be made to cover the expense of putting this picnic over.

This picnic is not for the members of the two organizations only, but the public is invited to participate in the contests and sports of the day. No food will be sold by the Legion or the Young Men's club, so provide for your "basket" before you come.

## MRS. WRIGHT LEAVES Y. W. C. A. CAFETERIA

### Will Have Charge of Home Economics Course in Evanston Next Year

Mr. and Mrs. C. G. Wright have given up the management of the Y. W. C. A. cafeteria, and have gone for a month's vacation, part of which will be spent in northern Wisconsin. Miss Jean Vial, Mrs. Wright's sister, will have charge of the cafeteria, until the new manager arrives. Mrs. Wright has managed the cafeteria for the Y. W. C. A. since Oct. 24, 1919. During that time the average number of customers daily has just about doubled.

Mrs. Wright will have charge of a course in home economics at the Roycemore school for girls in Evanston during the coming year.

## ODD FELLOWS GIVE PARTY TO FORT MEMBERS

The members of Sheridan Lodge, the local chapter of the I. O. O. F., Tuesday evening entertained several score of officers and men from Fort Sheridan, at a farewell party. A representative of the grand lodge was present, and several prominent members from other Lake county lodges were guests. A good musical program was enjoyed.

## FIRE AT SPECIAL CHEMICALS PLANT

### QUICK RESPONSE BY DEPT.

Early Arrival of Firemen Saves Costly Chemicals; Damages Estimated at \$2,500.00

Prompt action of the local fire department saved thousands of dollars worth of chemicals from destruction in a fire which broke out in the laboratory of the Special Chemicals company in Laurel avenue about four o'clock last Friday morning.

The blaze started in the northeast room on the second floor of the factory building, and was caused by the crossing of electric wires. Soon a shelf full of re-agent chemicals used in testing went up in a puff of smoke and many colored flames.

Robert Rogers, an employe on night duty, discovered the fire shortly after it had started and immediately called the fire department. Less than five minutes later the firemen were on the scene and ready for work.

Smoke and stifling fumes at first baffled the men, but after the hose had cleared away some of the gases, the firemen, led by officers of the company, Carl Pfantstiel, Robert Black, and Edmund Eitel, made their way to the second floor and a few minutes later the blaze was extinguished. The damage is roughly estimated at \$2,500.

Careful work on the part of the firemen enabled them to protect many flasks of rare sugars that might have been ruined by water. Breaking a single flask of rhamnose solution would have meant a loss of about \$1175.00.

The fire only temporarily disabled the laboratory of the company, and Saturday morning work was carried on as usual. The loss is fully covered by insurance.

Many people, hearing that the fire was at the Special Chemicals factory, feared explosions. There was no danger from that source, as the company has in its building no nitrates or explosive chemicals of any sort.

## Letter of Appreciation

To the Honorable Mayor and Council of Highland Park.

At four o'clock on the morning of Friday, July 30th, a fire broke out in our laboratory due to a defective drop light cord. Fortunately one of our men was tending a vacuum dryer, and called the fire department which was on the job in an incredibly short time. Due to the promptness and skill of the firemen the blaze was confined to one corner of the room and the loss kept comparatively small.

We want especially to commend the firemen for their carefulness. They directed their hoses through a window and across the laboratory to the corner where the fire was with the accuracy of sharpshooters and missed a number of flasks containing solutions of rare sugars worth thousands of dollars. Some of these delicate preparations, which are manufactured nowhere else in the country, were an order with certain of the biggest medical institutions, like the Mayo Brothers Clinic, and had they been destroyed the loss would have seriously interfered with very important research work now being carried on with these products.

We want to take this means of expressing our appreciation of the commendable work of the fire department.

Yours very truly,  
Special Chemicals Company,  
Carl Pfantstiel,  
President.

## MRS. SARAH SMITH DIED YESTERDAY

Mrs. Sarah Coleman Smith, mother of Mrs. Marshall E. Sampsell, of Lake place passed away yesterday at 12:30 o'clock following several weeks' illness. As we go to press funeral arrangements have not been completed.

## PROPOSAL FOR PUMP—CITY WATER WORKS

The City Council today publishes a call for bids to be opened on Friday, August 20, for the installation of a new five-million gallon pump at the municipal water works, including all fittings, pump erected on foundation and ready for the steam and water connections.
