LOCAL SCHOOLS TO OPEN TUESDAY, SEPTEMBER 7 (Continued from page 1)

Mary Granger Rhodus of Chicago. Mr. Slocum is a Rhode Island man who secured his degree at the University of Wisconsin and Miss Rhodus is a master of arts of the University of Chicago. Her first year of teaching was done at the University high school. Both of these teachers have been chosen after a wide search among the best teachers available and both come highly recommended. The English and History departments will share the services of Miss Viola Crosby Lewis, who comes as an additional teacher. Miss Lewis is a native of Louisville, Ky. She has been in charge of practice teaching in the University of Kentucky at Lexington. She, too, comes highly recommended.

With so many excellent teachers returning, Deerfield-Shields should enter upon the most successful year in its history. Friends of the school will be interested to know that three graduates have carried off Phi Beta Kappa honors in college the past year—Lois Green, who has graduated from Grinnell; Charlotte Welch, from the University of Illinois, and Luther Sandwick, from the Chicago University. In the University of Illinois Bulletin No. 45, vol. 15, is a report of the achievements of graduates of certain schools from September, 1914, to June 1917, in three universities—Chicago, Northwestern and Illinois. It is interesting to know that during that time Deerfield-Shields graduates led the suburban schools in scholarship standing and had the smallest percentage of failures.

RETURN FORD CARS STOLEN NEAR HERE

The two Ford cars, stolen in this vicinity about two weeks ago, have been recovered, and returned to their owners, Richard Sorenson of Shermerville, and William Behrens of Deerfield.

Both machines were found in Chicago. They were taken by someone hankering for a joy ride, and merely "borrowed" for the day.

Aunt Dinah "Laffs"

BY CAROLINE McCARTY

Uncle Eph'aim went an' bought

Wha' it flowed so fast hit jes'
Floated on de soil.

Bought gold minin' stock —

Bought shares of Cuby rice land
Because she had a "hunch."
