NEW ALL STAR TEAM FOR HIGHLAND PARK

Best Nine That Has Ever Represented City Will Enter Championship Series

The Highland Park baseball team defeated the Chicago Passenger club by a score of 8 to 1 Sunday afternoon on the local diamond. For the first six innings it was a pitchers' battle, both teams making sensational fielding plays.

In the seventh inning Mathy hit a home run with two men on bases, and the heavy batting continued in the eighth, the Highland Park men scoring four more runs.

Sunday, September 19, the home team will play the Galligans of Chicago, one of the best traveling clubs on the circuit, who have "Lefty" Rogers, the St. Louis star, doing their twirling. The rest of the team is composed of some of the best semipro in the city.

From now on Highland Park will be represented by the best team that has ever been gathered together here. Big Williams, who has been a star during the past season in the Canadian league will pitch, and Louis Ducham will catch. Pinkie Olson will be at first base, Mathy at second and Dominick at shortstop. Tom Olin will play third base, while the outfield will be taken care of by Ed. Morrison, Therrien, Pat White and Burke.

This will probably be the lineup that will oppose Hutton's star Waukegan outfit in the series beginning on the Waukegan field Sept. 26, and the home fans can rest assured that every effort is being made to put a team together of which they may feel proud.

Next Sunday's game will be played either at Central park or on the Community Center grounds, and will start at three o'clock.

CATHOLIC LADIES HOLD ANNUAL BAZAAR

At Santi's Hall, Highwood September 22-25. Interesting Features Planned

Beginning Wednesday evening, Sept. 22, and lasting the remainder of the week, the Catholic ladies of Highwood will hold their annual bazaar in Santi's hall.

Each evening will have its special feature, but the biggest and best will be the chicken supper which will be served on Thursday evening, Sept. 23, at a very low price. During this same afternoon a card party will be held in the hall.

Another feature which promises to be popular is a political contest in which two young ladies of the parish will represent the presidential candidates, the successful party being awarded an attractive prize for her efforts in behalf of her chosen candidate. And ladies, you may vote as often as you wish; for both candidates if you so desire, and best of all, you will not be required to tell your age.

Mrs. Vencil Muzik, chairman of the bazaar committee, has chosen the following ladies as her assistants: Mrs. M. Gilkinson will preside over the married ladies' table; Miss Ellen Cox will be in charge of the young ladies' booth and the Misses Helen Bergdahl and Donna Shelton will assist the children with their booths while Mrs. Maria Mahan will preside at the fish pond. These ladies are putting forth their best efforts to have this bazaar surpass those of previous years and from present indications they will not meet with disappointment.

SAYS DEMOCRATIC "AD" CLAIMS FALSE HONORS

Mrs. Everett Declares Republicans Established Children's Bureau

The following letter was received by The Press concerning a political advertisement, which appeared in the last issue of this paper:

Sept. 14, 1920 To the Editor, Highland Park Press. Dear Sir:

In last week's Press I observe a half page advertisement of the Democratic national ticket which states that "The Children's Bureau of Labor was established by President Wilson who appointed Julia C. Lathrop as its chief."

This is a misstatement which should be corrected. The fact is that the ninth of April, 1912, President Taft signed the act creating the Children's Bureau and at that time he appointed as Chief Miss Julia C. Lathrop of Illinois. As we all know, it was not until the fourth of March, 1913, that President Wilson was inaugurated.

Doubtless, the desire to catch the women's vote tempts some party leaders at this time to make rash claims for the protection of women and children; but justice demands that the people be told the truth.

Very truly yours, Elizabeth Hawley Everett.

ELM PLACE P. T. A. TO HEAR OLIVER HINSDALL

Opening Meeting of Association to Be Tuesday Evening In School Auditorium

The patrons of the Elm Place school have a treat in store for them next Tuesday evening, Sept. 21. This occasion is the opening meeting of the Parent-Teacher association in the main auditorium of the school when Mr. Oliver Hinsdell will give a program of dramatic readings and a social hour will follow to afford an opportunity for parents and teachers to meet one another.

Mr. Hinsdell is well known to Highland Park, having read for both the Woman's club and Ossoli club and in private homes. He is an artist in the highest sense of the word and possesses all the attributes of an actor and dramatic reader. During his career he has supported such actors as Nat Goodwin and Lou Tellegen, played with Ben Greet at the Little theatre in Philadelphia, with the Modern Drama Players in the Toy theatre in Boston and has just recently come from New York where he has been assisting Jack Barrymore in making pictures for the movies. He also supported Constance Binney in some of her screen work.

We are indeed fortunate in having secured Mr. Hinsdell for an evening at Elm Place school and as his program will be one never before given in Highland Park everyone may look forward to an evening of keenest enjoyment.

Do not forget the date — Tuesday evening, Sept. 21, at eight o'clock — Elm Place school auditorium.

COL. A. V. SMITH WINS EASILY POLLS 9,037 TO DEANE'S 2,996

WHOLE COUNTY REJOICING OVER HIS NOMINATION

Thompson's Forces Beaten in Lake County. Swift Wins Over Runyard by 471 Votes. Small Democratic Vote Cast in This Township.

Accompanied by all the excitement and bustle of a regular election the primary burst forth yesterday morning, and was the sole topic of interest during the day. There was some little confusion as to the time of opening and closing the poles on account of the new time. Some precincts opened at six and some at seven, some closed at five and others at six. In the evening there was a furore at each of the eight polling places. One of the women clerks at the Fourth precinct headquarters, the office of C. P. Sullivan, South St. Johns avenue, fainted, and delayed the work of counting. Shortly after midnight the judges and clerks went home and are finishing the count this morning. The heaviest vote was in this precinct, there being over 400.

The main feature of the election here yesterday was the predominance of the Republican ballots. Republican candidates overshadowed all others, the eighth precinct not having a democratic vote and the second only one. There were only 50 democratic votes cast in the entire township and not a single socialist vote.

Samuel S. Holmes received by far the largest number of votes for Senatorial Committeeman, receiving over 200 votes. As they are still counting ballots in the fourth precinct, it is impossible to give the exact count.

On the democratic ballot Wm. Murphy for representative in congress at large received the highest number of votes, receiving 50, and James Hamilton Lewis for governor, the next, receiving 44.

In the county, for U. S. Senator, McKinley received 6,299 votes and Frank L. Smith 4686; for governor Oglesby 6183, Small 4009; lieutenant governor, Sterling 5741, Miller 3413; for secretary of state, Reid 2940, Emerson 7265; for auditor, Russel 7114, Johnson 3164; for state treasurer, Miller 4052, for attorney general, Brundage 5476, Barr 3988; for representative in supreme court, Schneider 2566, Vail 5865, Butts 778; for representative in congress, state at large, Yates 5784, Brown 2554, Day 2747, Mason 6167; for clerk of the appellate court, second district, Chindblom 7062, Judy 421, Cook representative in congress, tenth district, Chindblom 7062, Judy 421, Cook 1525, Johnson 720, Collins 28; for state senator, Runyard 4856, Snow 4171, for general assembly, Vickers 4343, Pierce 4675, Walsh 2492, Francis 6135, Weiss 13285; for state's attorney, Deane 2996, Smith 9037.

The above figures show the Thompson forces were defeated in Lake county. However as we go to press, it looks as if they had won the state ticket. Later returns from down state may reverse this. For state senator the county gave Runyard a lead of 2000 over Swift, but this lead was cut down in the rest of the district, and as we go to press the complete returns show that Swift wins by 471 votes. In the general assembly it looks as if Weiss, Francis and Vickers were the winners.

Following is the tabulated record of the votes cast in this township:

Table with columns for candidates and votes across various precincts (McKinley, Smith, Oglesby, etc.) and rows for different offices (Governor, Lieutenant Governor, Secretary of State, etc.).
