HIGHLAND PARK IS SECOND IN COUNTY

LATEST OFFICIAL REPORT

Director of Census Furnishes Figures for Highland Park and Lake Co. Waukegan Has 19,226

Highland Park is the second city in size in Lake county with a population of 6,167, having just 323 more inhabitants than the city of North Chicago, and 587 more than Zion City. This is one of the interesting facts learned from the official census report, received this week from Washington by City Clerk E. A. Warren.

In a letter accompanying the report Director of the Census S. L. Rogers said: "I take pleasure in enclosing herewith, for your information, an advance announcement of the population of Highland Park, Ill. This is a preliminary press announcement, and is subject to correction."

Following are figures taken from the census report:

INTERESTING FEATURES AT CATHOLIC BAZAAR

Annual Affair in Santi's Hall Attracts Many. Festivities Began Yesterday

Yesterday was the opening day of the annual bazaar which is being held at Santi hall, Highwood, under the auspices of the Catholic ladies of Highwood.

There are special features planned for each evening, the big event being the chicken dinner which is to be given this evening.

The bazaar began yesterday and will continue until Saturday. Mrs. Vencil Muzik is chairman of the bazaar committee and she has as her assistants Mrs. Gilkinson, Miss Ellen Cox, the Misses Helen Bergdahl, Donna Shelton and Mrs. Maria Mahan. Every effort has been made by these ladies to make the bazaar far superior to those held in previous years. The public is cordially invited to attend.

YOUNG MEN'S CLUB TO ELECT NEW OFFICERS

Plan Numerous Activities. All Members Should Be Present at Next Meeting Tues.

At the regular meeting of the Young Men's club held Tuesday evening it was decided to hold a party in the Community Center Friday evening, Oct. 1, for the members and friends in honor of the retiring officers and the new officers.

The annual election of officers for the Young Men's club will be held on next Tuesday evening. It is very important that every member should be present. Plans for the winter activities are beginning to be made and everything points to a most active season.

MRS. SLADE DEFENDS CLAIMS OF DEMOCRATS

Declares That Advertisement Was Correct. Explains Difference in Measures

Following is a letter received by The Press from Mrs. Samuel Slade concerning the charge made recently that the Democratic party was claiming honors that belonged to the Republicans:

"Sept. 22, 1920

"The Editor, Highland Park Press, Highland Park, Ill. Dear Sir:

"Under the caption 'Says Democratic Ad False' in your issue of September 16, Elizabeth Hawley Everett attacks the claim of the Democratic Party to the establishment of the Children's Bureau. I wish to defend the statement made at that time, as well as to clear the confusion that seems to exist in the minds of the public between the Children's Bureau and the enactment and enforcement of the Child Labor Law.

"The act to establish a Children's Bureau that would improve the care and development of children was passed during the administration of President Taft. Even a casual reading of the advertisement in question will show that no claim was made for the passage or signing of this Bill by Democratic administration. However, the enactment of a law does not automatically put that law into effect or accomplish its purpose. It was only after the Democratic Party went into power and gave it encouragement and support that the Children's Bureau became efficient or reached its present development. (Continued on Page 10)

THORPE ACADEMY OPENS AT LAKE FOREST

Cadets Will be Given Military Drill During the Coming School Year

Thorpe Academy opened its fall term with a large enrollment on Tuesday, September 21. Thorpe Academy, although one of the newest of Lake Forest's educational institutions, has already attained a nation-wide reputation for its success as a character builder.

Among its student body it now has boys from twelve of the states and from Canada, Mexico and Belgium. Opportunity has been given to as many local boys as possible to enroll as day pupils.

Enrollment is limited to grammar grades for boys between five and fifteen years of age. All pupils are uniformed, giving the school a semi-military atmosphere. Major General Leonard Wood has devised a plan whereby cadets will be given military drill during the coming year.

Day pupils will have the privileges of wearing the uniform, sharing the drill, supervised play and athletics.

CLEAN UP VACANT LOTS; BEAUTIFY YOUR CITY

Subscriber to Press Suggests a General Cleanup for Highland Park & Highwood

The ladies of Highwood and Highland Park did their part at the primary election, in voting for good government. Now that the election is over, why not go to work and clean up — beautify our towns?

It might be a good plan to suggest to the owners of vacant property the cutting down of Canadian thistles, burdock and other weeds to prevent the scattering of seed, and thereby do away with an increased growth for another year. People might also get to work cleaning up their front yards and generally beautify the cities. The Highland Park Press believes in pushing good things — why not we?

ST. JOHN'S EVANGELICAL CHURCH SERVES DINNER

The ladies of St. John's Evangelical church, Green Bay road at Home-wood ave., will serve a chicken dinner in the church basement on Wednesday evening, Oct. 6, from 5:30 to 8:00 o'clock. Everybody is invited to attend.

NEW SCHEDULE MEANS BETTER SERVICE HERE

ADD MORE EXPRESS TRAINS

Chicago North Shore Railway Speeds Up Limited Trains. New Chicago-Milwaukee Flyer

With the installation of the new schedule on the Chicago North Shore and Milwaukee railway last Thursday, the service on that road was appreciably bettered. It is now no longer necessary to wait nearly a half hour for a car. New trains have been added, and some of them are operating on faster time.

When the new terminal was opened in Milwaukee last week the limited trains were placed on faster schedule. The running time for these trains between Chicago and Milwaukee has been cut down ten minutes. A special flyer, the "Badger Limited," leaving Chicago at 9:30 a. m. daily, arrives in Milwaukee at 11:45, making the trip in just two hours and fifteen minutes. It carries passengers for Kenosha, Racine, and Milwaukee only. If the experiment is successful, more fast limited trains may be added by the company.

There is no change in the number of locals or the stops made by the latter; but their schedules have been changed slightly. Northbound local trains now arrive at 8, 23, 38, and 53 minutes after the hour, the second and third running only as far as Fort Sheridan. Southbound locals are due on exactly the hour and the others at 15, 30 and 45 minutes after.

167 VOTE IN FAVOR OF CENTRAL TIME

Women Canvass 561 Homes for Return of Old Time. Final Report of Canvass

Last week 561 homes were canvassed in District 107 to discover how many mothers considered daylight saving time to be a hardship on their children. One hundred and ninety-eight mothers of children attending Elm Place were found at home. From this number 167 voted for the return of Central time; 15 voted for daylight saving and 16 refused to vote. The remaining 363 homes either had no children, children who attended other schools, or they were not home during the canvass.

Last week an invitation to vote on the matter at 1024 Fort Sheridan av., was given to all who had not voted. The Highland Park Press printed the notice.

The canvass has proved that the majority of the mothers consider the daylight saving time a hardship and will be glad of the return of Central time.

The matter now rests in the hands of the school board.

PILGRIM PAGEANT TO BE GIVEN OCTOBER 12

TO BE GIVEN AT CITY PARK

New By-Law Adopted by Community Service Lessens the Restrictions at the Center

Plans are being perfected for the Pilgrim Pageant to be given Tuesday afternoon, Oct. 12. Several organizations are at work in their divisions and much enthusiasm prevails.

Mrs. Marguerite Sharretts of the State Community Service organization has arranged a performance consisting of a prologue and six episodes, with intervening dances which is highly dramatic and decidedly spectacular, while it remains sufficiently simple and direct to be decidedly to the point and purpose at all times. No great amount of labor or numerous rehearsals will be required but the costumes historically correct, and the action peculiar to each period represented are so significant as to make wonderful pictures and carry the complete story without much effort.

This pageant will be one of the great things in Highland Park history and hearty co-operation of every citizen is hoped for. There will be no admission charge at this performance in our new city park.

Lessen Restrictions at Center. At a special meeting of the Community Service (incorporated) held at the Center last night it was voted to lessen the restrictions hitherto imposed regarding the use of the center. The following by-law was adopted:

"The Board of Directors or Executive Committee may grant permission to other organizations or groups to use the premises, property or rooms under the control of the corporation for any purpose consistent with the objects and purposes thereof, subject to such conditions and regulations as they may determine."

HOME AND HARDING MEETING HELD FRIDAY

Mrs. Sevarance and Miss Marion Bowlan Read Interesting Papers

GRANDMA BRAND CELEBRATED 95TH BIRTHDAY

Mrs. Salome Brand, better known as Grandma Brand, celebrated her 95th birthday anniversary at her home in North Second at last Tuesday. Her two daughters, Mrs. Wess-

Mrs. D. F. Kelly opened her home in Prospect avenue last Friday afternoon in the interest of the Home and Harding meetings which are being held at intervals under the direction of Mrs. Foxenden.

Mrs. Sevarance of St. Paul read a most interesting paper against the league of nations. Mrs. South of Kentucky who had previously been engaged to speak at this meeting was unable to be present so Miss Marion Bowlan of the Moraine gave an intensely interesting paper.

These meetings are a series of meetings which are being held at various residences in the interest of the Republican party. It is planned to hold the next meeting at the home of Mrs. John M. Tuttle.

MISS ANNA MOFFET ON WAY TO CHINA

Miss Anna E. Moffet, formerly of Fort Sheridan and Highland Park, sailed today from Vancouver, B. C., for China, where she is under appointment by the Presbyterian board of foreign missions as secretary-treasurer of the Nanking station. Miss Moffet is a graduate of the University of Chicago, class of 1913. During the war she was secretary to the director of the home service section of the Chicago chapter, American Red Cross.

OLIVER HINDELL AT FIRST P. T. A. MEETING

Many Parents Hear Interesting Program at Elm Place Tuesday Evening

The first meeting of the Parent-Teacher association of the Elm Place school was very well attended. It was held Tuesday evening in the auditorium of that school. The room was well lighted and tastefully decorated with cut flowers.

Mrs. Raymond Flinn, president of the association, gave a few words of greeting, and then introduced Mr. Oliver Hinsdell, one of the entertainers of the evening. Mr. Hinsdell at first pleased his audience with a reading entitled "Lonesome Like" and later produced much merriment through several poems of a lighter nature. The rendition of the various readings gave evidence of superior training which has been acquired by study both in the United States and abroad. Mr. Hinsdell's experience has been broad and varied. He was at one time in charge of the Department of Dramatic Art in Northwestern university. Although well known in many engagements, he is perhaps best known as a member of the Ben Greet company and as associate with the professional career of Nat Goodwin.

As a reader he is well known in Highland Park, having read before the Woman's club and the Ossoli club in addition to entertainments in private homes.

Mrs. Francis N. Bard, who charmed her hearers with her fine voice and well selected songs, and her skillful accompanist, Mrs. C. G. Alexander, required no introduction as they are well known members of the association. The spirit of the applause expressed the depth of the appreciation of their music and they (Continued on Page 10)

MOOSE PLANNING TRIP TO MOOSEHEART SOON

Expect to Make Excursion Early Next Month. Lodge Rooms Too Small for Meetings

A large class of candidates were initiated at the regular weekly meeting of the Highland Park chapter, L. O. O. M., last Monday evening in the lodge's new rooms in South St. Johns avenue.

Already the chapter has become so large that the new rooms are too small for the meetings. Next Monday evening the meeting will be held in Witten's hall. The new home recently leased by the Moose has been appropriately furnished and made thoroughly modern.

Early in October a trip to Mooseheart is being planned. This excursion will be made on a Sunday, and anyone who is interested in visiting Mooseheart is asked to give his name to William Bowden. The estimated expense per person is two dollars. An effort is being made to charter a special car for the journey.

OPENS "HIGH" FOOTBALL SEASON WITH VICTORY

Defeats Alumni 10-6. To Play Waukegan at Lake Forest Saturday, Oct. 21

The Deerfield-Shields high school football team won their opener from the Alumni with a score of 10 to 6. The Alumni played a winning game until the last quarter when Baldwin fell on the ball behind the goal after the Alumni's punt had been blocked.

In the first quarter Parcells repeated his old performance and dropped kicked a pretty thirty-five yard goal. In the second quarter the Alumni put every bit of their football ability into the game and scored a touchdown. They did not kick the goal. Score at half 6 to 3.

The third quarter was a real fight from start to finish, but the Preps (Continued on Page 7)

ling of Deerfield, and Mrs. Wessling of this city, and her four sons, Geo. L., W. Enoch, Jake and Orson B., and their families were present at the celebration.

NEW PARKS TO BE OPENED FOR PUBLIC

SITE FOR RINK IS CHOSEN

Making Survey of Mooney Tract For Golf Links; Offers Prizes for the Best Park Names

The Park Board having completed the details of its recent purchase of land for park purposes and acquired full possession of the properties, has decided to throw the new parks open to the public. With this end in view the wire fence along West Park avenue bordering the Sheahan woods, will be removed at once, giving free access to the twenty-five acres contained in that tract. At the time of purchase another entrance was secured by an extension of Elm Place sixty-six feet wide through the Sheahan property to the new park and this entrance will be completed and thrown open to the public at an early date.

In the Sheahan woods an ideal site has been found for a skating rink and a toboggan slide and work has already begun in preparation of the rink. This will be a permanent feature of the park, and our young people are assured of a rink of ample size and easily accessible for their winter recreation in the future. The same may be said of the toboggan slide which will be built and made a permanent fixture in the park. A heated shelter will also be provided, which may have to be a temporary structure for the present, but will at least provide a comfortable rest room for skaters and coasters.

The permanent baseball field and public golf course will be located on the 120 acre Mooney tract. A topographical survey is now being made of this land to aid the golf architects in laying out the links as well as to establish the best location for the ball field and it is hoped that both of these recreation grounds will be ready to use with the coming of another season.

It is now necessary to provide names for these new parks, and, in another part of this issue will be found an advertisement offering a prize of ten dollars each as a first prize and five dollars each as a second prize for names to be selected by a committee of three persons. None of the persons selected as a naming committee is a member of the Park Board or in any way connected officially with the city administration, and this method of selecting names has been adopted so as to make the selection as nearly a popular affair as possible. In other words, the Park Board wishes the public to name its own parks. This method will also advertise the parks and perhaps induce more of our citizens to visit and use them.

It is found that very few of the people of Highland Park know anything about these beautiful tracts of land and they are urged to go out and see them, especially the Sheahan woods. Automobiles can be driven all over this piece and we can promise visitors that they will be charmed with the many beauty spots they will find there. Some time in the future motor roads will be built thru this park, but to those who wish to pay an early visit it is suggested that access may be had from West Park avenue.
