A Servant

now costs in the neighborhood of \$1,000.00 per year in wages and board.

Many ladies accustomed to servants are now doing their own work, they are saving \$1,000.00 by so doing and should be entitled to all of the best labor saving devices which are obtainable to make the work as light and pleasant as possible.

The average woman spends one-half hour three times a day washing dishes and few women enjoy the work. The BLAKESLEE DISHWASHER would do the work in one-half the time and she would not need to get her hands wet during the operation. See us about a free trial in your own home.

Boys 5 to 15 years Grammer Grades
DAY PUPILS
Every boy given personal care and individual attention. Unusual opportunity for rapid progress in studies due to an especially strong teaching force. This enables us to give each boy individual help and attention. Classes small. We teach boys to concentrate and study. A school that appeals strongly to red-blooded American boyhood with semi-military training. Supervised play and clean athletics.

A Good Piano
It is correct in scale and true in musical quality. The case is beautifully executed and finished. It is not necessarily expensive. Often because of certain economies in manufacture it can be purchased at a handsome saving.
There are many of them here in Lyon & Healy's on display and we invite your inspection of them.
Moderate monthly payments may be arranged and old pianos taken in exchange.
