Our Great Fall Challenge Sale Is Now in Progress

Everybody on the North Shore Knows
What That Means

Months and months ago we told you that the one big duty of the times was to lower the cost of living. We told you that we considered it the duty of this Foremost Store to lead the great downward price movement in this vicinity. You all remember our Spring Challenge Drive that broke the back of high prices on the North Shore and you all know how we have kept everlastingly on the job saving you money and smashing away at your living costs.

Now Comes Our Fall Challenge Drive, an Event Prepared to Make Your Money Buy More

Its a challenge to high prices, a challenge to competition, a challenge to you to find the equal of the savings anywhere. It comes at the start of the season, right when you need the goods, and when we tell you that your money buys more in this sale than it has bought anywhere in many a day you'll know what to expect.

Whatever Else You Do Don't Miss the Challenge Sale at The Globe. Its the Greatest Opportunity to Cut Your Living Costs You'll See this Fall

NOTICE TO PUMP MANUFACTURERS
Pumping Unit
Highland Park, Illinois
Sealed proposals will be received by the Council of the City of Highland Park, at their office in the City Hall up to 5:00 o'clock P. M., Friday, October 22nd, 1920, for the furnishing and installation of one water pumping unit of 2100 U. S. gallons, per minute under a normal working head of 296 feet; total suction lift

10 feet; total discharge head 286 feet including 66 feet friction head; driven by gas, gasoline or electric motor to be furnished by purchaser and stalled by pump contractor.
Manufacturer's plans and specifications to accompany proposal.
The right to reject any or all bids is reserved.
By order of the Council.
E. A. WARREN,
City Clerk.

Special SATURDAY

Inches and inches of goodness sprinkled with cinnamon and sugar. That's what makes 'em taste so good.

A Servant

now costs in the neighborhood of \$1,000.00 per year in wages and board.

Many ladies accustomed to servants are now doing their own work, they are saving \$1,000.00 by so doing and should be entitled to all of the best labor saving devices which are obtainable to make the work as light and pleasant as possible.

The average woman spends one-half hour three times a day washing dishes and few women enjoy the work. The BLAKESLEE DISHWASHER would do the work in one-half the time and she would not need to get her hands wet during the operation. See us about a free trial in your own home.

The same hands that wield a powerful golf stick are pitifully puny when it comes to pushing the lawn mower.

Great many people don't seem to like their friends as well as they did before prohibition.

After paying fines for overspeeding, the motorist becomes indignant at the H. C. of L.

It is a good thing that the office of judge in the United States Supreme Court is not elective.

A lot of folks are not worrying about the H. C. of L. as they get around it by not paying their bills.

Some girls may not acquire much learning in college, but anyway they will learn how to dress artistically.
