The supper and dance given by the Parent-Teacher association in the grammar school Friday evening proved the faithfulness of the community for the school was packed to its capacity. Corn stalks, pumpkins of all sizes, black and yellow crepe paper lanterns, witches, cats and other symbols of Hallowe'en effectively arranged, swung from the walls of the dining room and assembly hall and made it most attractive. An interesting feature of the affair was the fortune telling booths where many guests through the clever fortune tellers had a look into the future.

A Chicago orchestra furnished the music for the dance. The affair on the whole was pronounced a wonderful success and much credit is due to the teachers and members of the association, and to those who served on the different committees who worked so hard to make it the success it was. Many out of town guests enjoyed the fete. The proceeds will be used to equip the assembly hall as a gymnasium.
