ELKS' HARD TIMES PARTY BIG SUCCESS

ABOUT 200 IN ATTENDANCE

Award Prizes to Laurence A. Morgan, John Larson and Mrs. Thomas Welsh. Good Music

The local order of Elks entertained the members and their families and friends at a "hard times" party last Saturday in Witten's hall. Old St. Pumpkin and Hi Spivvens were there in their gayest array of patches while Mandy and Hanner came attired in patch work frocks. Even tramps were permitted to enter and trip the light fantastic with the aristocrats who would not doff their stiff collars and white shirts for ragged ones. The costumes were very clever and those who did not come dressed for the occasion were decorated with lamp black.

A three-piece orchestra furnished the music for the dance which lasted until eleven o'clock when Mr. John Keefe, Exalted Ruler of the Elks gave the Elks' toast after which all adjourned to the club rooms where old fashioned games were played for several minutes. During that intermission in the dance a delicious lunch was prepared by Mr. Thomas E. Welsh. All were then invited into the dance hall where they were served.

A remarkable thing regarding the service rendered by Mr. Welsh was that it only took forty minutes to prepare the lunch in the dance hall, serve two hundred people and clear things away so that the dance might continue.

Prizes were given for those who were most cleverly dressed and the following were the successful winners: Laurence A. Morgan, tramp; John Larson, most comical; Mrs. Thomas E. Welsh.

Great credit is due the committee in charge, namely: Clifford Moran, Joe Heinzen, Fred Gallagher, Lawrence Morgan and Alex Smith. It is hoped that they may give another as successful party in the near future.

FOUR ARRESTED YESTERDAY AS BURGLAR GANG

Suspect Men of Being Responsible for Recent Robberies. Recorded in Milwaukee

Four men believed to have been responsible for a large number of the recent burglaries along the north shore were arrested yesterday by the Highland Park police. The men were riding in a limousine which was seen in the vicinity last Sunday night about the time the residence of William T. Woodley in Sheridan road, was robbed of several dollars' of clothing.

Three of the prisoners had revolvers and four empty suitcases and a fifth case containing a quantity of rope and newspapers were found in the automobile. All gave Milwaukee address. The drivers of the car gave his name as Tony Borgzori. The others gave the names of Tony Lar-care, Tony Valono, and John Dolino. The last named, believed to be the leader of the gang, had \$300 in currency in his possession.

The men said they were on their way from Milwaukee to Chicago to purchase clothing.

Two of the men have been recorded in Milwaukee as thieves.

GIRL SCOUT DRIVE FOR FUNDS THIS WEEK

\$1,033,400 To Be Raised to Further Work in the United States and Territories

This week, November sixth to November fifteenth is Girl Scout week everywhere in the United States and her territories.

Owing to the large number of demands for scouting made by various communities the National headquarters found it impossible to meet the demands without asking assistance of citizens in communities where scouting is already organized. Therefore this drive has been inaugurated for which a budget of \$1,033,400 for the United States and her territories has been estimated.

PROVISO GETS TRIMMED IN LAST FRIDAY'S GAME

HIGHLAND PARK WINS 7-0

Another League Game Captured by the High School Eleven; The Victory Was a Well Earned One

By John A. Winters
Last Friday afternoon Deerfield captured another League game, and this time from Proviso, the team that trimmed Deerfield last year. Last Friday's game was a hard fought contest, but Deerfield showed superior ability when superior ability was needed and so brought home another well earned victory. The Proviso team played an excellent game, but they were no match for that steady Deerfield line and the speedy backfield. McIlwain, as usual, did honors for Deerfield by getting away with some pretty runs. Parcels played a tight game at full, and got some good tackles. On the whole the Deerfield team played their old game a winning one. May they do the same this Saturday when they play Oak Park at Oak Park. Because of Deerfield's defeat from New Trier the championship has faded a little, but the team has the stuff in them and they are going to grab the last straw and try and bring home the pennant. To some of you who have a doubt in your mind as to whether Deerfield can get the championship I might say that any team like the Deerfield heavies can get anything so long as there is anything to get. Rest assured, my friends, no one has taken the pennant out of our hands yet.

HOUSEHOLD ECONOMY EXHIBIT NEXT WEEK

Holiday Gift Sale Attracts Wide Attention. Women Invited to See Display

Next week, Nov. 19-20, is the big event of the season. The Household Economy Exhibit and Holiday Gift Sale at the Community Center, is attracting wide attention all along the North Shore. From Evanston to Waukegan other clubs are talking about the interesting features and fine idea of a labor saving campaign, as suggested in the plans for this exhibit. Housewives everywhere are seeking new methods and devices for the greater ease and time saving in house work routine. All appliances to that end and purpose are to be seen at the show. Mistresses, and maids alike should come to see the comprehensive displays of the various exhibitors. Admission is free.

LOCAL HOSPITAL NEEDS MORE PATIENTS' BEDS

Plan Campaign For Funds in Near Future. Several Subscriptions Offered Now

The applications for admittance to the Highland Park hospital in the past year have been so many, at times more than could be accommodated, that the Advisory Board are having preliminary plans made for an addition which will double the number of available patients' beds.

A campaign for the necessary funds will doubtless be made in the near future. It is understood some large subscriptions have been offered, conditional on the raising of the full amount necessary.

FIRST MUSICAL NOV. 26 AT COMMUNITY CENTER

Mrs. Annette Jones in Charge. Complete Program to be Given Next Week

The first musical scheduled for Community Center is set for November 26. In charge of Mrs. Annette Jones, these events can be nothing but artistic and delightful. It is probable that the rooms will be filled to welcome the performers she presents. A complete program will be supplied next week.

The rooms of the Center look a little bare these days for the three large pool tables have been removed. After these months of trial it has been thought advisable to dispense with the pool and put in small tables for other games.

ANOTHER BIRTHDAY

WILL PURCHASE NEW PUMPING EQUIPMENT

CAPACITY TO BE DOUBLED

Council Decides to Install New Centrifugal Machine at Station to Meet Demand in Emergency

A new electrically driven pumping unit with a capacity of 3,000,000 gallons per day will soon be added to the equipment at the Highland Park pumping station. This was made known at the council meeting last Friday night, when a committee made its report, recommending that this equipment be purchased.

The new machine is the latest thing in pumping apparatus. It consists of a large centrifugal pump to be driven by a powerful electric motor. For a while, at least, it will be used only in case of emergency. Highland Park's water supply is now pumped by an Ellis Chalmers pump with a capacity of 3,000,000 gallons per day, so with the new pump the capacity will be doubled.

Engineers who have made a careful investigation of the local situation for the city have declared that the installation of this equipment will take care of the city's demand for water for fifteen or twenty years.

JOINT P. T. A. HOLD MEETING THIS EVENING

FORMER CITIZEN SPEAKS

Mrs. F. W. Peterson, Formerly Mrs. W. T. Underwood, to Tell of Experiences in Asia Minor

It is fitting that on this Armistice Day we should have the privilege of attending a public meeting whose speaker should be our beloved former citizen, Mrs. W. T. Underwood, now Mrs. F. W. Peterson.

Many who knew and admired her at the time of her residence here eight or nine years ago, will be glad of an opportunity to meet her again. Doubtless there will be among her auditors those who were then-children who will remember her tenderly because of the stories she told so well and also on account of her sympathetic comradeship, for her genius led her always into work with the young and adolescent, both in church and school.

Tonight she will tell of her recent thrilling experiences in Smyrna and Asia Minor and help us all to visualize the real life as it is lived today in that quarter of the globe.

She will speak from the platform of the Parent-Teacher association of Highland Park; this also is fit, as she was ten years ago prime mover in their organization.

All are invited to assemble at eight p. m. in the auditorium of Elm Place school and give the speaker a warm welcome. There will be no admission fee.

STARS TO ENTERTAIN AT CABARET DINNER

Real Artists of the Professional World Will Be Here Saturday, November 20

Mrs. C. F. Mather-Smith has her list of artists ready for the Cabaret Dinner in Witten hall, November 20, given by the Highland Park Woman's Club. From the well known McNair club. From the well known McNair club. Lotta Ilginfriz to the fascinating Lotta Shawvan they are real stars of the professional world and will be the best entertainers a cabaret ever had.

Miss Olga Menn; who delighted the hearts of thousands during the war and who is a greatly sought after singer for all society events, has promised to come. Miss Evelyn Simpson who has created a recent sensation at the Marigold Gardens, will wear stunning costumes and sing her popular songs. Miss Marcia Pierik, a new resident of Highland Park, and an artist pupil of Leopold Godow.

ROBBERIES CONTINUE; STEAL GLASS LIQUORS

OTHER PLACES ENTERED

Police Working Faithfully to Halt Activities of Thieves; Ask Cooperation of Residents

The wave of crime and robbery which has been sweeping along the entire north shore from Evanston to Lake Forest has been keeping the Highland Park police department busy night and day.

Several times during the past two or three weeks several homes in this city have been looted, presumably by amateurs. Some of the houses they chose have been vacated for the winter, and others were merely entered while the occupants were away. Just what the thieves want is not known. In some of the homes they took wearing apparel. In one case the plunderers passed by jewelry and silverware, and took clothing.

Last Wednesday night the home of John Glass, Cary avenue, was entered and several hundred dollars worth of liquor stolen. The burglars broke in sometime between ten o'clock at night and six in the morning. They pried open the slight wooden paneled doors protecting the private stock, and escaped with all of it. The exact amount taken is not known yet.

MILLO WINTER WILL SPEAK TO CHILDREN

Illustrator Lends Four of His Paintings to Highland Park Library

Milo Winter, the illustrator, who will speak to the children at the Community Center on Saturday morning, November 20, has lent to the Highland Park public library four of his large paintings to be hung in the library during Children's Book Week.

From these original paintings the illustrations for books have been made. Everyone knows the colorful illustrations in his editions of "Alice in Wonderland," "Treasure Island," "Gulliver's Travels," "Aesop's Fables," and many other books. To many the name of Milo Winter on a book means almost more to the reader than the printed page, because the pictures carry the story in such a sympathetic and vivid presentation. It is a great piece of good fortune to have in Highland Park a man of nation-wide fame. And it is a great treat to have for our own for one whole week four of his paintings. Because of the cooperation of Mrs. Frank R. Cain of the Women's club, and her enthusiastic interest in the Children's Book Week, and her clever organization of the Women's club fair these things have been made possible.

SHERIDAN REBEKAH'S TO HOLD BOX SOCIAL

Sheridan Rebekah Lodge, 801 I. O. O. F. will hold a box social at their next regular meeting, Monday, November 15th, in Masonic hall. The public is cordially invited to attend.

\$45,000 DAMAGE IN FIRE AT THE FORT

BUILDING BADLY DAMAGED

Lack of Sufficient Water Pressure Handicaps Firemen; Local Department Summoned

Fort Sheridan had one of the worst fires in its history last Thursday night when one of the large storage buildings, used for storing furniture and officers' household goods, caught fire shortly after five o'clock, and burned to the ground. Inadequate water pressure handicapped the firemen, and they were unable to get enough force to properly fight the flames until the arrival of engine companies equipped with pumps and by that time the building was all in flames.

When the Fort Sheridan firemen found that they could not save the building without aid, they summoned the fire departments from Highland Park, Lake Forest, Highwood and Great Lakes. All did splendid work. Highland Park responded with both trucks and Highwood had a chance to demonstrate what their new truck could do.

The building was about 250 by 50 feet in dimensions, and was one and one-half stories high. It was of brick construction and stood just east of the big mule stables at the south end of the reservation. The belief is that the fire started from crossed wires.

The estimated loss is between \$45,000 and \$50,000. The building destroyed was used for storing furniture of the officers who are transferred, and who stored their goods pending settling in some new post. One lieutenant had just stored \$5,000 worth of furniture in the building. Many trunks belonging to officers and their families were destroyed. Practically nothing was saved.

RAVINA MAN MAY HAVE HIT CYCLIST

Inquest in Death of Motor Accident Victim Is Being Held Today

The inquest in the death of Chester Heissler, 514 East Sixty-second street, Chicago, killed two weeks ago when the motorcycle he was riding was struck by a passing automobile, is being concluded this morning at the Prior undertaking establishment.

With the return of Noble Crandall, Ravinia, from Philadelphia last Sunday, the mystery surrounding Heissler's death may be cleared up. Since the accident the police have been seeking the driver of the car described to them by Heissler's two boy companions. Mr. Crandall learned of this and immediately got in touch with the local police.

"I may be the man you are seeking," he said. "I remember driving past a motorcycle, although I am certain my car did not strike it. The person with me looked back, and told me the boy had a nasty spill. I asked if I should stop, and he replied, 'No, he's apparently all right.'" The next day Mr. Crandall was called out of town. He will testify at the inquest this morning.

BUSINESS MEN HEAR MARSHALL E. SAMPSELL

Speaks on Public Utilities. Association to Hold Anniversary Dinner Dance

At the regular Business Men's meeting held last evening, Mr. Marshall E. Sampsell of the Central Illinois Public Utilities Commission spoke to the association on "Public Utilities and Their Relation to the Public." The talk was very enlightening and exceedingly interesting. It is hoped that the Business Men may have the pleasure of hearing other interesting speakers in the near future. In the absence of the president, Mr. Orville G. St. Peter, who is still suffering from a broken leg, Mr. Chas. E. Grant, vice-president presided.

It was decided at this meeting to celebrate their anniversary on Tuesday, December sixth, with a dinner dance for the members and their families, exclusively.
