HOUSEHOLD ECONOMY EXHIBIT THIS WEEK

DO YOUR SHOPPING EARLY

Many Useful Articles to be on
on Sale. Luncheon Will be
Served Tomorrow. The
Public Invited

The several committees of the Household Economy exhibit and Holiday Gift sale of the Highland Park Woman's club are enthusiastically ready for the big days of Friday and Saturday, November 19 and 20. Community Center has undergone a complete change and looks like a stage set for a fair. The four windows fronting on Central avenue, will give a hint of the many and various attractions inside.

The book house for children has a wonderful castle with long steps leading up symbolizing the pleasure to be realized by traveling through the volumes of story to the delightful castle of knowledge of the past in juvenile literature. Marshall Field & Co. have a real Christmas tree anticipating the Christmas season which this sale is expected to make a joy for all — the Calumet Baking Powder Co. has a mysterious machine turning out delicious doughnuts to intrigue the appetites of every passerby and — and our own gift section displays the generous offering of that Committee in the remaining window.

Almost the best feature of all this activity is the opportunity for co-operation which has developed. First of course in importance because it has made the whole thing possible is the loan by Community Service of the two rooms. Then the Public Library with a bit of their busiest week shared with the club; the D. A. R.'s with their ritually interesting little booklet regarding the history of Highland Park; the Blue Triangle with literature and interesting women to tell of their work here and in larger fields and the faithful Red Cross women with their membership blanks.

To name all the things for sale at the fair would be like reading a retail store catalogue. Almost everything excepting automobiles and farm machinery is there and the only reason they aren't there is because space prevented. Packards and Dodges both wanted in; Bethlehem Steel applied for space. Many have been the disappointments both on the part of the Concessions committee and on that of would be exhibitors that the coliseum was not at the disposal of the Highland Park Woman's club.

Admission free.

Luncheon to be Served

What business man or busy holiday shopper or happy worker at the Holiday sale is going to overlook the delicious luncheon served by the Highland Park Woman's club in Witten hall, Friday at 12 to 1:30. Meat, potatoes, hot biscuits, jams, pickles, slices with mince pie and coffee all for sixty cents is most too good to be true and yet it is a fact. The luncheon is under the efficient direction of Mrs. William Bowden. Everybody cordially invited.

Greenwich Village Dolls

Have you ever heard of the Greenwich Village Dolls? One has arrived in Highland Park and will be shown in toyland at the Holiday Gift sale. They are triumphs of the futurist art. If you have time price this type of doll at Marshall Field's and then you will have some idea of the real bargains offered by the club. Every department has unusually attractive things at unusually attractive prices.

ELM PLACE PUPILS
WRITE SCHOOL NEWS

The seventh grade pupils of the Elm Place school under the direction of Miss Greenoble are as a part of the usual school work, editing what is known as an oral school newspaper, The Elm Place News. Every other week the pupils or editors of the various departments tell what they have collected before the general assembly of the school. George Benson is editor-in-chief and the remaining 7 A pupils are associate editors. To further the work a column in The Press will be devoted each week to the Elm Place pupils' work. It will be known as Elm Place News.

RUSSIAN PRINCESS TO SPEAK HERE NEXT WEEK

Princess Cantacuzene to Lecture
at Witten Hall Under Auspices of Ossoli Club

The opportunity of hearing from Princess Cantacuzene her own story of Russia, its present conditions under Bolshevik rule, the chaos through which this great nation is struggling, the hopes and fears of the Russian people, is one which only a few Highland Parkers have so far been privileged to hear.

The princess has spoken at many private gatherings in Chicago as well as in other parts of this country, and the demands for her lectures have come from every club in Chicago. The possibility of having her in Highland Park has been discussed among the club women, but was finally despaired of.

Wednesday afternoon a long distance call from Chicago, to the president of the Ossoli club, brought the offer of the lecture but demanded an immediate decision. Realizing that every resident in Highland Park was interested, Mrs. Hopkins determined to make the lecture one open to the public, rather than limiting it to members of her own club, so accepted the contract at once.

Witten Hall was engaged, and the admission charge of 50 cents will be paid at the door. There will be no tickets. This charge is only enough to defray the expenses of the hall and the cost of the lecture.

All money from lectures by Princess Cantacuzene goes to the fund for Russian refugees. The lecture will begin promptly at eight o'clock and the demand for seats is already large.

HOTEL MANAGEMENT DENIES NEW RUMOR

Moraine Will Not Build Extension; Says Article Sunday Was Unauthorized

An article which appeared in a Chicago paper last Sunday giving in detail plans for a \$600,000 extension to the Moraine hotel, and showing a sketch of the two hundred room building to be placed at the north end of the grounds, was entirely unauthorized by the hotel management. There is no probability that such a building will be erected, at least not for some time. The plan shown in the paper was made about eighteen months ago, and was laid away until buildings costs should come down to a reasonable level. Nothing more was thought of it until the notice appeared in the paper last Sunday. No one was more surprised than Mr. Cushing himself when he read the article.

CHANGE DATE OF COMMUNITY MUSICAL

Date of Affair Changed to November 23. Mrs. Annette Jones in Charge

The date of the first musical scheduled for Community Center which was to have been given November 26 has been changed to Tuesday, November 23. The affair is in charge of Mrs. Annette Jones. The following will take part in the program: Mrs. Annette R. Jones, accompanist, Mrs. Arthur Byfield, soprano; Mrs. George Lytton, pianist; Mr. George R. Jones, violinist.

STORES TO CLOSE ON THANKSGIVING DAY

The stores will be open all day Wednesday, November 23rd and closed all day Thanksgiving day. The post office will be open until ten o'clock for the purpose of distributing mail to those who call at the office. There will be no mail delivery. The Press will be put in the mails on Wednesday, and all copy for the paper should be in a day early.

W. U. REFUNDS ELECTION RETURN MONEY

On account of the poor service rendered on election night at the Community center, the Western Union returned the \$61 to Mr. Samuel Levin. It has been suggested that the money be used to give a dance to the contributors. Are there any other suggestions? If so, notify either Mr. Levin or Harry Eichler.

RED CROSS CONDUCTS MEMBERSHIP DRIVE

CAMPAIGN NOVEMBER 11-25

Register at Community Shop, Community Center, Pearl Theatre, Schools and Churches

Join the Red Cross for 1921, now! From now until Thanksgiving day every man, woman and child in Highland Park will be given an opportunity to join the Red Cross for 1921 by paying one dollar.

There will be places of registration during this time at the Community Shop, the Community Center, Pearl Theatre, the public schools and on Sunday at the churches. There will also be a Red Cross worker at the bazaar to be held at the Community Center on Friday and Saturday by the Highland Park Woman's club.

Please consider it your duty and privilege to aid in the fine work being done by the Red Cross, and get your membership at one of these places. Also wear your button so that others may know that you believe in the Red Cross and are proud to be a member.

Since the signing of the armistice the Red Cross has carried on a remarkable peace program. Space will not permit the enumeration of all the activities but it has contributed its ever efficient and effective work both at home and abroad. A visit to headquarters in the Garland building in Chicago, would convince one that there is a most urgent need for assistance. The rooms are crowded with soldiers in uniform, ex-soldiers and widows seeking help and advice.

The fourth roll call is not a campaign, it is merely the yearly opportunity for American men and women and children to pay their annual dues and renew their membership in the Red Cross. To quote Marquis Eaton, Chicago chairman, "Chicago Chapter (Continued on Page 10)

REGULAR MEETING OF AMERICAN LEGION

Held Monday Evening At Community Center; Plans for Annual Dance Discussed

At the regular monthly meeting of Dumaresq Spencer Post, 145, American Legion, on Monday night, plans for the annual dance were formulated and all members are making every effort to make this event one of the best ever held in Highland Park. The tickets are in the hands of Legion members who are canvassing the city and surrounding towns and from reports turned in to the committee in charge the sale of tickets has been very gratifying.

Tickets have also been placed on sale at Gsell's Drug Store, Pense's Drug Store, DeNuzio's Tailor Shop, in Highwood, Glencoe, Deerfield, Fort Sheridan, Great Lakes, and other near by towns.

Music is to be furnished by two of Cope Harvey's orchestras, a six piece orchestra for the large gymnasium, and a four piece jazz orchestra for the small gymnasium. This music is the highest class and will aid materially in making this a successful dance.

ATHLETIC CLUB GIVES THANKSGIVING DANCE

The first dance given by the Highland Park Athletic club in their club rooms last Thursday evening was a decided success. The music was exceptionally pleasing while the decorations were very artistically arranged. To say that everyone had a most delightful time would be putting it mildly, and the management has been requested to hold a dance every Thursday.

Thanksgiving eve, will occur the grand opening dance, November 24th. Something extra in the way of entertainment and refreshments are to be looked for. Old as well as young are invited to come and enjoy themselves. Remember the date, November 24th.

The Highland Park Athletic Club wishes to express their thanks to those who helped to make this dance Thursday evening such a success, and it is thru their efforts that these weekly dances have been made possible.

TRAIN ROBBER SHOT; COMPANION CAPTURED

WERE STEALING WHISKEY

Had Rolled Two Kegs From Freight Car; Moir Confesses Several Other Robberies

One robber was shot, one captured, and one escaped Tuesday night when railway detectives caught a gang of whiskey thieves looting a box car on the west line of the Chicago & Northwestern railway at the Highland Park station. The men had rolled two 52 gallon kegs of whiskey from a car.

Charles H. Johnson, 4729 Crawford ave., attempted to get away, and was killed by a charge of buckshot from the gun of one of the detectives. He was taken to the Highland Park hospital and a detective detailed to guard at his bedside. One man, named Newmeister, escaped. A third member of the gang, William Moir, 2136 North Laramie avenue, Chicago, was captured.

Moir and the two kegs of the precious fluid were brought to the Highland Park police station. He confessed.

The breakup of the activities of this gang is an important step in the solution of the mystery surrounding the disappearance of about \$75,000 worth of goods from the railway during the past few weeks. Moir drew up a signed statement, giving a list of other goods he had assisted in stealing. Some of it has been sold in Chicago through a man named Sharkey.

The police believe that the arrest of these men will enable them to clear up a series of robberies, and in the meantime they have the pleasure of being in the same building with about 100 gallons of six-year-old "real stuff."

NORTH SHORE CITIES UNITE AGAINST CRIME

Police Chiefs to Work Out Plan of Action. Endorse Salvation Army Drive

A meeting of the Association of North Shore Municipalities was held in the Highland Park city hall last Monday evening for the purpose of discussing the question of the cooperation of the executives and chiefs of police of the several towns, in an effort to stamp out the epidemic of crime which infests the north shore towns at the present time. After a full discussion of this question, a tentative plan was adopted, the details of which were left to the chiefs of police of the different cities to work out.

A state constabulary, conducted along the lines of the constabularies of New York and Pennsylvania was recommended by the adoption of a resolution, which was presented by Mayor Samuel S. Hastings.

The attention of the members was called to the Salvation Army drive, which resulted in the adoption of a resolution of endorsement.

GAMMA KAPPA DELTA STARTS SUNDAY NIGHT

Young People's Organization Holds First Meeting for This Year

The Gamma Kappa Delta, the Episcopal young people's organization of Trinity Church will hold its first meeting of the year at the parish house next Sunday evening. There will be the service of Evensong at 5 o'clock, followed by the supper (which will include hot waffles) after which the business meeting will be held.

A great many new members are expected at this meeting. All young people of sixteen years of age or over or who are in the Junior class at High school, whether members of the Episcopal church or not, are eligible to membership, and are invited to this first meeting. The social and study program for the year will be discussed, and details announced later.

The church school had the highest attendance of the year last Sunday. Next Sunday will be the monthly Eucharist of the school at 9:30 a. m.

MRS. SARAH WESSLING DIES VERY SUDDENLY

Death Follows Brief Illness of Pneumonia; Funeral Held Monday

Mrs. Sarah M. Wessling (nee Brand) was born at Deerfield, Ill., on June 16, 1858, and died of pneumonia on November 12, 1920. She was united in marriage to Isaac G. Wessling on Nov. 27, 1879, and resided on a farm near Northfield. Three daughters and two sons came to bless this union. After the death of her husband, Dec. 8, 1911, she moved with her family to Highland Park, where she has since been a resident. One daughter, Tusnela, preceded her in death. She leaves to mourn her sudden departure, two sons, Chester F. of Manhattan, Ill., and Orville K. of Highland Park; two daughters, Ella C. and Sadie B., both of Highland Park; also one grandson; Mrs. Salome Brand, her aged mother, four brothers, George, W. Enoch, Jacob and Orson Brand, and one sister, Mrs. Mary Wessling, survive her.

Funeral services were held at the U. E. church of this city Monday afternoon, the Rev. J. H. Keagle officiating. Interment was made in the Northfield cemetery.

PRESBYTERIAN BIBLE SCHOOL PLANS PAGEANT

"The Rights of the Child" to be Given Nov. 28. Prof. Beeler to Speak Dec. 3rd

The Presbyterian Bible school is planning to have a week in which Religious Education is featured. On Sunday afternoon, Nov. 28, at four thirty o'clock a pageant entitled "The Rights of the Child" will be given in the church auditorium. The first scene pictures Religious Education in the home. In the second scene the Arch Destroyer of Homes with its evil spirits, Neglect, Falsehood, Temper, Cruelty, Selfishness and Intolerance seek to break up the home. The third scene pictures Religious Education in the community. A beautiful feature will be the mixed quartet which will sing old songs and hymns during the pageant.

On the following Friday evening, Dec. 3, there will be a Parent-Teacher meeting at eight o'clock in the Parish house. Professor L. H. Beeler, Dean of the Presbyterian Training school, Chicago, will deliver an address on "Religious Education in the Home," after which there will be an open forum when parents and teachers will be given an opportunity to ask questions of Professor Beeler and participate in a general discussion of problems connected with the moral and religious education of the child. Prof. Beeler has lectured all over the United States and is recognized as an authority, both in the field of secular and of religious education.

The evening will close with a social hour when refreshments will be served. Parents are very cordially invited to attend both the pageant and the parent-teacher meeting.

PEARL THEATRE TO PRESENT "THE PENALTY"

Gouverneur Morris' Famous Story to be Shown Tuesday and Wednesday, Next

Pearl Theatre will present the following program next week, beginning with tonight:

Tonight, "The Fatal Hour," Weekly News, Bee Hive comedy; Friday, Owen Moore in "The Poor Simp," Burton Holmes and Mutt and Jeff; Saturday, Alice Lake in "The Mist Wife," First National two reel comedy; Sunday, George Welsh in "From Now On," also Metro comedy; Monday, Pearl White in "The Tiger's Cub," "Bride 13," Cartoon comic; Tuesday and Wednesday, Gouverneur Morris' famous story, "The Penalty," featuring Lou Chaney and Ethel Grey, Tuesday Weekly news, The Gumps; Wednesday, Paramount, The Gumps; Thursday Madge Kennedy in "The Girl with the Jazz Heart," Weekly News, two reel comedy; Friday, "Huckleberry Finn," Burton Holmes, Mutt and Jeff; Saturday, Wallace Reid in his latest picture, "Always Audacious," First National comedy, also travelogue, "Matinee at 2:30."

WOMAN INJURED IN RAILWAY ACCIDENT

TRAIN HIT TOURING CAR

Mrs. Clinton S. Beach Seriously Hurt; No Gates Installed in Spite of City's Many Demands

Mrs. Clinton S. Beach was seriously injured, and Mr. Beach was badly bruised when their Hudson touring car was struck by a fast passenger train on the Chicago and Northwestern railway about seven o'clock Tuesday evening. They were driving east on Lincoln avenue. As they approached the railway tracks they noticed a train approaching, but thought it was on the electric line tracks. Just as the front end of their car arrived at the track the train swept by. The car was badly smashed.

Mrs. Beach was taken immediately to the Highland Park hospital where it was found that she was seriously injured. Several ribs were fractured, and there were several bad bruises. She will probably be in the hospital for several weeks.

This is the second accident that has happened at the Lincoln avenue crossing this year. On April 2, Miss Lillian Tucker, daughter of George Tucker, was permanently injured when a Chicago & Northwestern train struck the Tucker machine.

Crossing Unguarded

Neither of these accidents would have occurred if the crossing had been equipped with gates or was supplied with a crossing watchman. On April 28, the Highland Park city council passed a resolution, ordering the Chicago & Northwestern and the Chicago North Shore railways to install gates at the Lincoln avenue crossing. No action has been taken by the railroads thus far.

Impatient at the railroads' long delay in installing gates, early in October City Attorney Samuel S. Holmes again took up the matter with the companies. He conferred with Mr. Jacobson, superintendent of signals of the Chicago & Northwestern railway. Mr. Jacobson stated that he approved a contract submitted by the Chicago North Shore and Milwaukee railway for a joint operation of gates at the Lincoln avenue crossing, and he assured Mr. Holmes that the gates would be installed within a few days.

That was Oct. 8. Tuesday night, had the gates been installed, the accident could not have happened. The city authorities yesterday sent communications to both companies, demanding that the gates be installed without further delay.

JURY ATTACHES NO BLAME TO ACCIDENT

EXONERATES RAVINIA MAN

Find No Indication That Crandall Car Hit Heisler's Motor cycle. Leaves Open Verdict

The coroner's jury in the inquest concerning the death of Chester Heisler, Chicago boy, who was killed in a motor accident in South Green Bay road, Highland Park, Oct. 3, last Thursday exonerated Noble Crandall of Ravinia of a charge of criminal negligence.

Mr. Crandall's car passed the motorcycle in Green Bay road about the time that the accident occurred, but the jurors failed to find any evidence which would place the blame on the automobile driver. The motorcycle and sidecar attachment were carefully examined, but there was no scratch or mar on them to indicate that the cyclist had been hit by a passing automobile.

Christian Haggerty, one of the men who were riding in the automobile, testified that it did not brush the motorcycle. He said that he had looked back after they passed the motorcycle and saw it in the ditch. He said they did not return because the boys, three of whom were riding in the stranded machine, all seemed to be on their feet.

The accident occurred Oct. 3. Heisler, and the two youths were riding. Continued on Page 10
