M. E. CHURCH

The Church Calendar

1. Wednesday at 2:30 p. m. the W. F. M. S. will meet at the home of Mrs. Frank Schar on Lewelwyn ave., Highland. The society holds this meeting on Wednesday this month because the corresponding secretary of the C. N. district, Mrs. H. A. Stoker, of Wilmette, can be present on that day. All who know Mrs. Stoker know that this will be an unusual meeting and will be present.

2. Wednesday at 7:30 p. m., the mid-week prayer service will be held at the church. Our evangelistic goal makes these regular services of the church of such value that every member of the church will either attend or have a reason that God will accept.

3. Thursday at 2:30 p. m., the ladies' aid society will meet at the home of Mrs. Thomas Marks, the president, and elect the officers for the ensuing year. The ladies realized a profit of \$600 as a result of their efforts in the bazaar recently. The coming year will no doubt be the outstanding year in the history of this organization.

4. Friday at 7:30 p. m., the new choir will meet for rehearsal. Last week nineteen reported for the first meeting. The choir leader will be used and Mr. H. V. Nichols has volunteered his services as director. The value and attractiveness of our services will be greatly enhanced by this leadership.

5. Sunday Services
The S. S. at 9:30 is growing in every way. On a recent Sunday the missionary offering was \$18. This is not unusual. As special features in the way of giving this season we will have in remembrance the lepers, the starving children in Europe and the Lake Bluff orphanage. The children are foregoing the regular treat in favor of the helpless of Europe. The regular Christmas offering will go to the lepers and a special offering to the orphanage. A program of unusual interest and attractiveness will be given Christmas eve, the 24th.

At 10:45 morning worship. It is the desire to more closely coordinate the work of the S. S. and the church service. The cooperation of all officers and teachers is urged.

At 6:30 the Epworth League. The young people are coming into their own. Their program of activities is becoming more varied and intensive.

New Organizations.
Strong demands are coming in for the organization of the Standard Bearers and an Intermediate Epworth League. We are glad to expand our borders and are thankful that the leadership is at hand. Both of these organizations are indispensable and do not in any sense overlap or duplicate the work of any existing organizations. But the end is not in sight. Other organizations to care for all the interests of our people are urgently needed. We believe that the call of God for leadership will not go unheeded.

Landscape Harmony

The evident harmony of arrangement between the house and surrounding landscape is what first impresses one in viewing Italian landscape architecture.

A consideration of the design as a whole, including gardens, terraces, groves, and their necessary surroundings and embellishments, brings out the fact that no one of the component parts was ever considered independently.

If you are contemplating having some landscape work done, it pays to employ one who is an expert in his line. Right now is an opportune time to make preparations for fall planting, tree trimming, and other work around your place. Do not put off making your arrangements, as the fall is a very busy season.

Estimates promptly furnished upon request.
