#### ELM PLACE SCHOOL

Editor-in-Chief, Harry McClure  
Assistant Editors, 7A Class  
Mr. Smith has decided to send a check to the European Relief fund every Friday afternoon so that the money can be put to immediate use. The amount contributed last week was \$114.30. The 7A's contributed \$20.72. The 8B's were next highest with \$20.02. The Elm Place school took care of 544 orphans last week. Contributions will be accepted any time.  
Frank Freberg and Raymond Lang gave a stereopticon show with the school lantern last Monday for the benefit of the European Relief fund. They showed 88 slides of scenery in different countries.  
The first moving picture show given by our school will be held in the auditorium tomorrow afternoon after school. Admission will be 5 cents.  
Tuesday afternoon the upper grades saw another educational film called "Mountain Glaciers."  
The 2A's are studying Robinson Crusoe under the direction of Miss Newberry. They have illustrated Crusoe's home in their sand table. They dipped candles and did other things in connection with his life. The class has been given a set of pictures which illustrate various episodes in Crusoe's life and are to be framed and hung in their room. Have you read the story? Come and compare it with the work the 2A's have done.  
The Elm Place basketball team played its first real game Saturday, Jan. 8, 1921. Their opponents were the lightweight Boy Scouts. The game ended in favor of the Scouts, 29 to 5.  
There will be another game Saturday, Jan. 15, in the high school gym.  
Question Box  
Do you know how many books there are in the library of the 6th, 7th and 8th grades?  
Do you know the total amount of money contributed by the Elm Place school children to the European relief fund?  
Answers will appear in next week's issue.
