**SOCIAL ACTIVITY**

Dr. and Mrs. John Ridlon of the Surf Hotel, Chicago, announce the engagement of their daughter Margaret to Lt. Dirk Van Ingen, son of Rev. J. W. Van Ingen of Rahway, New Jersey. Lt. Van Ingen is stationed with the 7th U. S. Cavalry at Fort Bliss, Texas. Miss Ridlon has been librarian of the Highland Park Public Library for the past three years. Before coming to this city she was graduated from Simmons College and Library school in Boston where she afterward served for three years as member of the staff of the library and the library school. Later she catalogued the famous Durrett collection of Kennebeciana and Americana, and the astronomical library of Yerkes Observatory, for the University of Chicago Libraries.

Miss Mae Siljestrom will be hostess to the Friday Evening club at her home tomorrow evening.

Miss Dorothy Brown entertained twelve friends at a backwards party at her home last Friday evening. The guests all came attired in dresses worn backwards. Dinner was served, the first course being the dessert. Many would appreciate having all of their meals served this way owing to the fact that they would be sure of the dessert. All of the girls reported a most delightful evening.

Sarah Margaret Mills was hostess to ten of her friends at a party Saturday afternoon.

Mrs. E. M. Umbach of Evanston entertained the Sewing Club of this city at her home last Monday evening.

The Mystic Workers of the World gave a children's party last Friday evening in Masonic hall. The affair was in charge of Mrs. Frank Howe, Mrs. Nels Nelson and Mrs. A. Jones, to whom a great deal of credit is due, for the success of the party. A short program was rendered and games were played after which refreshments were served. There were about one hundred present.

Alice Winters entertained eight of her school friends at a party Tuesday afternoon in honor of her birthday anniversary.

**LINCOLN SCHOOL**

Miss Ruth Wilcockson who has had charge of the 5th and 6th grades during the past three years has been released from her present position in order that she might accept an offer from the Wisconsin State Normal school at Oshkosh to become fifth-grade supervisor in their training school. While it is a great loss to the school to have Miss Wilcockson go, it will be a great advantage to her professionally and we all extend to her our best wishes for a successful future. Miss Helen Hollingsworth who has been doing substitute work at the Oshkosh Normal school will succeed Miss Wilcockson in her work at Lincoln. Miss Hollingsworth comes highly recommended and we are fortunate in being able to bring her to Highland Park.

Miss Ethel Russell, our art teacher, is also being released at this time because of ill health. Miss Katherine Scott of Chicago has been secured to take up Miss Russell's work. This is Miss Russell's fourth year with us and we regret that it is necessary for her to give up her work at this time.

The children of Lincoln school contributed about \$85 to the European relief fund. This amount together with \$32 from Ravinia and \$14 from West Ridge, making a total of \$134 from Dist. 108, is being sent today to Chas. Dawes, treasurer of European relief council, Central Trust Co., Chicago.

The second grade children in charge of Miss Edith Phillips, presented a dramatization of "The Tree Dwellers" at our assembly last Friday morning. At our next assembly the fourth grade in charge of Mrs. McKenny, will dramatize scenes from "The Viking Tales."

The children have been enjoying fine skating during the past week.

**Landscape Harmony**

The evident harmony of arrangement between the house and surrounding landscape is what first impresses one in viewing Italian landscape architecture.

A consideration of the design as a whole, including gardens, terraces, groves, and their necessary surroundings and embellishments, brings out the fact that no one of the component parts was ever considered independently.

If you are contemplating having some landscape work done, it pays to employ one who is an expert in his line. Right now is an opportune time to make preparations for fall planting, tree trimming, and other work around your place. Do not put off making your arrangements, as the fall is a very busy season.

Estimates promptly furnished upon request.

**SINCERITY** Buttermilk Laying Mash with dried skim milk and dried buttermilk promotes a healthy, normal growth of bone, flesh, blood, feathers and eggs. The dried milk furnishes butter fat and dried buttermilk eliminates digestive troubles, increases assimilation and keeps the colon disinfected.

When an abundance of mash feed is fed it produces an abundance of protein or "Egg-Making" material without retarding the muscle-building and energy-producing values of the scratch feed. Sincerity Laying Mash contains a variety of many proteins and in addition to the "milk" protein and grains it furnishes "animal" protein obtained from the meat scraps and sufficient "Green Food" in the alfalfa contents.

**Little Suggestions to Telephone Users**

When you signal the telephone operator and ask for a number she repeats it. She is trained to follow this practice in order to be sure she has heard you correctly.

It is a good plan to answer "Yes," "Right" or something similar if the operator's reply shows that she has rightly understood you. Then she is sure and can make the proper connection without loss of time.

When a conversation is finished, it is well for both parties to say "Good-bye." This often avoids an extra call made in the belief that the users have been "cut off" in the midst of their conversation.
