**GOLFERS!!**  
"A Golf Club for Golf"

Many men refrain from joining a Golf Club for the following reasons: The social features are too prominent, the membership too large, and, hence, the links too crowded, or the membership too expensive. There must be any number of men who would be glad to join the right kind of a Club on the North Side with above objectionable features eliminated.

A new club has been organized at Deerfield, Ill., acquiring 160 acres, gently rolling, partly timbered, with beautiful Club House and buildings already on the property. We anticipate that practice ground and a temporary 9 hole course will be available for play this summer. Location, adjoining the Military Cement Road, 1/2 mile Deerfield Station, 2 miles from Highland Park Station.

Moderate membership fees and annual dues. Entertainment on subscription basis. If you are interested, please write the Secretary for further information without delay, as only a limited number of applications can be accepted.
