Wrong Numbers

If, for any reason, you are connected with a telephone other than the one you called, move the receiver hook slowly up and down four or five times, or until the operator answers. (The signal will not operate if hook is moved rapidly.)

Tell her that you have been given a wrong number, and repeat the number you called for.

This routine is necessary to avoid the possibility of having the nickel "collected" by the operator (if using a coin box telephone), or having the call charged (if using a measured service telephone). There is, of course, no charge where a wrong number is given, but sometimes the operator does not know about it and should be told.

**GREAT FAIR IS
PLANNED THIS YEAR**

NEW OFFICERS AT WORK

Association Arranging for Additional Buildings; Will Improve Race Track and Grounds

Those interested in the annual fair which is held each September at Libertyville will be especially interested to know that the fair association is doing with the view to making this year's fair the greatest yet produced.

At the close of the fair last year the association immediately began planning for a fair on a much larger scale this year. New officers were elected and committees formed to begin actively the work of the organization.

It was decided to enlarge the accommodations at the fair grounds and make some radical improvements for the convenience and pleasure of the public. Negotiations are under way to secure several fine buildings from the Naval station to add to and improve those already on the grounds. This year there will be more room for exhibits of whatever nature.

There will be added parking space for autos and a systematic method of handling the crowds. The race track will undergo a thorough rebuilding and repairs are to be made on the grandstand and horse barns. Some fast horses are already training on the track and a great year for horse racing is an assured fact.

The committees on buildings and grounds are leaving no stone unturned and are sparing no expense in making the fair grounds in every sense adequate for the coming year.

One of the most extensive programs of publicity and advertising is already under way. Wm. E. Priest, is in charge of advance publicity, advertising, arrangements, etc. It is planned to get out an elaborate hand-book on the fair incorporating a premium list that will rival some of the larger fairs of the country. A big drive for membership will be launched simultaneously with the program for publicity.

It is planned to create enough enthusiasm and interest to assure the public of a great educational, agricultural, industrial and entertaining festival that will be a credit to this county.

The fair this year will be held five days and nights and there will be something doing every minute. Something of value and interest will feature each day's program.

The county fair is a community enterprise, not operating for gain of any kind and each and every citizen when approached during the campaign for publicity and advertising should show his community spirit by backing those in charge of the fair to the limit.

PARENTS AND TEACHERS

The south division of the Parent-Teacher association will hold a meeting, Wednesday afternoon, March 2, at 3:30 o'clock in Lincoln school. The speaker of the day will be Mrs. Lester Lockwood of the Hyde Park high school who will have for her subject "Psychology of Thrift."

The new administration is already pronounced a failure in Washington, as there is to be no inaugural ball.

The modern maid is too frequently made up.

The profiteers that took all the money out of the pockets of the people are now kicking because the public can't buy.

Ignorant aliens come over here and earn \$50.00 a week, and then try to introduce the governmental system of Russia where people can't get anything to eat.

The old time workman who used to come down town and boast how much work he had done in a day, would be regarded as mentally lacking in these times.

The Germans who are kicking about paying an indemnity, are the same ones who reduced Northern France to a desert, and were going to live in luxury of the tribute paid them by conquered peoples.

The spring styles are reported to be simple, but it is doubtful if the prices are.

When you buy goods at advertised stores, you don't have to pay for old stock bought long before the price drop began.

M. E. CHURCH

We are very glad to have the large number of the members of the K. of P.'s out Sunday evening. The North Shore Lodge was well represented by the men members and their wives the Pythian Sisters. We think such services altogether worth while and welcome a return at any future date. Such occasions offer opportunity of better and clearer understanding and make possible a fine type of cooperation.

Special Lenten Services:
We are planning services during Passion and Holy Weeks. Each organization in the church will have some definite task assigned. The leaders will meet for special conference and instruction Wednesday evening of this week. The dates of these services will be March 12-17. Easter Sunday will be membership day. An announcement in detail will be placed into the hands of all giving the theme text and sponsors for each service.

Sunday Services:
At the close of the S. S. (at 9:30) a children's service will be held. The service will be addressed by the pastor. This service will take the place of the regular Sunday morning worship.

The Epworth League will meet at 4 p. m. in the mission study class. Those interested will please take notice of the hour, four o'clock p. m. At 7:30 the evening evangelistic service will be held. We urge all citizens to attend church at least once each Sunday.

Choir rehearsal, Friday 7:30.

UNITED EVANGELICAL

J. H. Keagle, Pastor

SerVICES next week as follows:
Sunday morning sermon by the pastor; Keynote League meets at 8:45 with the subject "How Can We Make Our Lives More Useful?"; led by Miss Margaret Gieser. Sunday evening Mission Band under the charge of Lucille Fritsch. There will be an address by Miss B. Ueenschoten, a missionary, on the work among our Indians, in the middle west. The public is invited.

The Bible study and Teacher training classes meet on Monday evening at 8:00 o'clock. The annual meeting of the congregation will be held next Wednesday evening. The members will sup together beginning at 6:30 p. m. and reports will be heard and one Trustee will be elected at the close of the supper. It is hoped that every member of the church and the congregation will be present.

PRESBYTERIAN CHURCH

The Bible class will meet at 9:30 next Sunday morning.

Morning worship at 11 o'clock. Strangers are cordially welcomed to this service.

The Communicants' class will meet at 3:00 o'clock at the manse. The Young People's society meets at 7:15. Stanley Shipman will lead on the topic, "Every Christian a Missionary."

The Dorcas society will meet on Monday in the church parlors to sew for the Easter sale. There will be a box luncheon with coffee served by the committee in charge.

The Missionary Union will meet at church parlors.

There will be a birthday tea on Wednesday afternoon from 3:00 to 5:00 at the Presbyterian home. The women of the church are very cordially invited to be present.

Prayer meeting at 8:00 on Wednesday evening in the lecture room of the church.

The Watanapa Camp Fire Girls will meet at 10 o'clock Saturday morning in the church parlors.

The Women's League will meet on Monday, March 7, in the church parlors. The board of directors extends a cordial invitation to all the women of the church to be their guests at luncheon at one o'clock. The annual meeting and a program of music and charades will follow the luncheon.

The monthly meeting of the Howell Neighborhood House auxiliary will be held Feb. 28, at 11:30 at 1831 S. Racine ave., Chicago. Luncheon will be served at 12:30. This meeting is the annual linen shower to replenish the supply of linen for residents and for all house activities.

It is hoped that a generous supply of linen and contributions of money will be received at this time. Please telephone reservations for lunch to Miss Ray, at Canal 2302.

LET'S GO

Economic reasons have been responsible for the high prices of commodities and not profiteering as some argued. Long sustained and general high prices have their cause on natural laws and these do not rest with producer, laborer, distributor and consumer to control. However, while there must be a working out of natural laws, situations can be guided and for this hesitating period there is no better slogan than "Let's go" - a slogan that means that team work and co-operation and biggest of vision must control every unit of industry and society in order that the workings of natural laws in the right direction may be accelerated.

"Let's go" means that if one needs a home, he should plan to build now; if a merchant needs commodities, he should buy them now; if roads or streets are to be improved, the work should be undertaken now. And this spirit which will help bring about co-operation of labor and capital will keep us going and help settle the present problems and with the artificial stimulus of war gone, prices will decline naturally and eventually reach a stable basis.

As the legend says, "Don't sit down and think it over; let's stand up and knock it over." This must be the spirit of our business men and leaders everywhere.—Blood's Booster.

Y. W. C. A. NEWS

A most interesting address was given last Friday evening by Miss Jessie Austin, recreation director at the Y. W. C. A. Industrial center of Chicago. She held the closest attention of her audience from start to finish as she told of the work done by the Y. W. C. A. in Nitro, W. Va., among the girls who worked in the munition factories in that remarkable town that literally grew up over night. In six months it changed from a sleepy hamlet to an immense industrial plant employing thirty thousand people. The Y. W. C. A. war work money through its industrial secretaries, provided rest, recreation, homes and many other things for these women workers. When the war was over the money that remained in this fund was used to establish centers for industrial girls and the one in Chicago is doing a splendid piece of work. The latter half of Miss Austin's talk was on this center located at Congress and Peoria streets, in the heart of the factory district.

The whole evening program was especially attractive. The instrumental music provided by Mrs. Breidert and Miss Brand delighted all.

While Miss Louise Noyes never sang to a more appreciative audience her voice was most pleasing and her selections the kind people like.

Miss Helen Taylor added much by her accompaniments.

Girls' Council
The monthly meeting of the Girls' council composed of three members from each senior club, met Tuesday evening and decided to hold a joint bazaar early in April for the purpose of raising money to purchase a vic-

Mothers' Club
The regular meeting of the Mothers' club will be held Tuesday evening of March 1, at 8 o'clock.

Mrs. Frank R. Cain will give a talk on "Woman's Work in the Present Age."

Miss Helen Taylor will play and some vocal music will be provided, the nature of which is uncertain at this time.

Sunday Supper
A supper will be served Sunday evening at a small sum for all who care to come.

This is a new venture and is undertaken by some of the girls who spend the afternoon and evening at the headquarters.

COMMUNITY SERVICE

Are you a member of Community Service? If you are not you may become a member by sending in a dollar or more to Col. Thomas W. Winston or Mrs. E. J. Grundy of the North Shore Trust company, and receive a membership card. Every man, woman and child in Highland Park should lend their hearty support to this splendid movement.

Community Service is to the leisure time life of a community what the Chamber of Commerce is to the business life of the town; the Red Cross to health; the Women's clubs to women's needs; churches to religion; labor unions to industrial life. As a national organization Community Service undertakes twenty different activities. During the past year the local committee carried on fourteen of the twenty. This is a wonderful record for the first year and shows what an urgent need there is for this work.

The Fletcher building in which the Center is located is rapidly being turned into a regular community house. Carpenters and painters are busy getting the large east room of the building ready for the community shop. The Committee of 60 hopes to have the shop open for business on Monday morning. The new quarters are much larger than the former, and will allow almost twice the space for the lunch room as well as the thrift and handwork departments. With the coming of the shop the building is to be the home of four important organizations, namely: The Center, Young Men's club, American Legion and Community Shop.

Next Tuesday afternoon at the center, from 5 until 8 o'clock, a supper will be given under the auspices of the Ladies' Aid society of St. John's Evangelical church. It is hoped that all will take advantage of the supper and attend it. The following menu will be served: roast pork, mashed potatoes, sauer kraut, biscuits, bread and butter, coffee and pie.

Next Monday evening there will be a meeting of the Board of Directors of Community Service at the center.

The following is the program of Community Service for the week:

Thursday—
Boys' outdoor work at 3:00.
Americanization classes at 7:30.

Saturday—
Hike for boys at 2:00, from center.
Community dance at high school, 8.
Hospitality to soldiers and sailors.

Sunday—
Junior service party.

Monday—
Boys' outdoor work at 3:00.
Board of Directors' meeting at 7:30.

Tuesday—
Boys' outdoor work at 3.
Sauer kraut dinner at center at 5 to 8.
Americanization class, 7:30.

GOLFERS!!
"A Golf Club for Golf"
Many men refrain from joining a Golf Club for the following reasons: The social features are too prominent, the membership too large and, hence, the links too crowded, or the membership too expensive. There must be any number of men who would be glad to join the right kind of a Club on the North Side with above objectionable features eliminated.
A new club has been organized at Deerfield, Ill., occupying 160 acres, gently rolling, partly timbered, with beautiful Club House and buildings already on the property. We anticipate that practice ground and a temporary 9 hole course will be available for play this summer. Location, adjoining the Military Cement Road, 1/2 mile Deerfield Station, 2 miles from Highland Park Station.
Moderate membership fees and annual dues. Entertainments on subscription basis. If you are interested, please write the Secretary for further information without delay, as only a limited number of applications can be accepted.
