

Visitors to Washington who perceive the whisksers cultivated by the eminent secretary of state, should not hastily jump to the conclusion that this is a bolshevist government.

In the quiet times when farseeing men are laying the foundations for their fortunes, there are always a lot of people who think the country is going to the dogs.

The factories have reduced prices on woollens and the stores that advertise and keep their stocks moving can give the public the advantage of the new scale of values.
