HOOD KATTLE KING

all rubber uppers

Hood made the first Kattle King

and thousands of wearers know that the HOOD PRESSURE PROCESS still makes it outwear all imitations.

WE have put our best into the Kattle King. Our best in design, in material and always in up-to-date construction. It is an ideal overshoe and fully representative of the name HOOD—a name on footwear which you can make your buying guide and guarantee. The sturdy Kattle King soles of gray tire-tread stock give months of hard wear. The heavy brown fleece linings keep the feet warm. Look for the name HOOD. Ask for Kattle Kings because they fit well, clean easily and cost least for the season's wear.

ask any dealer or write us.
HOOD RUBBER PRODUCTS COMPANY, INC.
WATERTOWN, MASSACHUSETTS

"I never knew how good rubbers could be." White Rock wearers tell us. That will be your experience, too, because not a single pair leaves the HOOD plant without full inspection. Sturdy, gray, tire-tread soles joined to heavy black uppers by the Hood Process. Made in all sizes for all kinds of hard service. They are leaders.

Do you remember the old black pure gum boots which were still good after years and years of leaping? HOOD Red Boots are the only red boots which will act the same way. And this clearly shows the value in all sizes for all kinds of hard service. They are leaders.

PRESBYTERIAN CHURCH

The Bible school will meet at 9:30 next Sunday morning. Morning worship at 11. The chorus which is preparing special music for the Easter service in the Sunday school will meet for rehearsal at 4 o'clock in the afternoon in the lecture room of the church. The Young People's society will meet at 7:15. Florence Boyd is the leader and the topic for discussion is "Everyday Courtesies." The Dorcas society will hold its regular all day meeting on Monday in the church parlors. Luncheon will be served at 12:15 for 35 cents a plate. The Westminster Guild will meet at 2:30 on Monday afternoon at the residence of Mrs. B. A. Hamilton, 206 N. Linden ave. During Holy Week the customary services will be held in the lecture room of the church at 8 o'clock in the evening. The following ministers will speak: On Monday, the Rev. M. Bross Thomas, D. D., professor at Lake Forest college; Tuesday, the Rev. Henry S. Brown, D. D., superintendent of the Board of Church Extension of the Presbytery of Chicago; on Wednesday, the Rev. Cleland B. McAfee, D. D., professor at the McCormick Theological seminary; on Thursday, the Rev. George R. Roberts, Jr., pastor of the First Presbyterian church of Lake Forest; and on Friday, the Rev. James G. K. McClure, president of McCormick Theological seminary. Mrs. Herbert R. Smith will be the soloist each evening. The Watanapa Camp Fire girls will hold a ceremonial meeting at 10 o'clock Saturday morning, March 26, in the church parlors. A full attendance is desired.

UNITED EVANGELICAL

Rev. J. H. Keagle, Pastor

The pastor left Tuesday morning for the annual conference at Geneseo, Ill., to take charge of some of the examinations of the junior preachers. The annual meeting of the Conference Missionary society will be held Wednesday afternoon, March 23, with a missionary address in the evening by the Rev. A. E. Hagen, editor of "The Evangelical," Harrisburg, Pa. The conference proper will begin Thursday morning at 9:30. Mr. Paul Gieser will attend as a lay representative of this charge.

There will be no sermon Sunday morning at this church, the congregation uniting with the congregation of the Evangelical association at 11. In the evening both congregations will worship in this church, the Rev. Schloerb, pastor of the church of the Evangelical association, preaching both morning and evening. The pastor expects to be home in time to take charge of the special Passion Week services to be held in this church from Tuesday to Friday evenings, March 22-25. Special services on Easter Sunday. The Sunday school will meet as usual next Sunday at 9:30 sharp. The Endeavor services at 6:45. Evening sermon at 7:30. An invitation to the public is extended.

ADJUDICATION NOTICE

Public notice is hereby given that the subscriber, Administrator, of the estate of Emma Sack, deceased, will attend the County Court of Lake County, at a term thereof to be held at the Court House in Waukegan, in said County, on the first Monday of May next, 1921, when and where all persons having claims against said estate are notified and requested to present the same to said Court for adjudication. Charles Sack, Administrator. Waukegan, Ill., Feb. 21st, 1921. E. S. Gall, Attorney. 52-3

ELM PLACE SCHOOL

Editor-in-Chief, Mary Genest
Assistant Editors, 8B Class

"The year's at the spring
And day's at the morn;
Morning's at seven;
The hillside's dew pearled;
The lark's on the wing;
The snails on the thorn;
God's in His Heaven
All's right with the world!"
—Robert Browning

Saturday I saw a bluebird sitting on a wire by the railroad. Tuesday, March 8, I saw a flock of blackbirds. They were flying toward the swamp. When I was starting out for school I saw a sapsucker and a killdeer. —Earl Ludlow.

Saturday, while I was out looking for birds on West Park ave., I spaw three bluebirds, three meadow larks, and two robins. The bluebirds were on a fence but when they saw us one flew on a stump and the other two were in a tree that was near by. The meadow larks were on the golf links. The meadow lark has just a short tail and has a note sounding like this, "tseer tseer." —Donald McClure.

The 5th grades have been out on a field trip. They saw a good many birds, some of which are: horned lark, kill deer, red-headed wood-pecker, robin, red-winged blackbird, English sparrow, song sparrow and bluebird. On March 6, a skunk cabbage was brought to school and is in the lower hall. It is the first flower to bloom in the spring. It is a speckled flower blooming close to the ground. About sunset look at the western sky. Your eye is attracted by a bright star. It is not a star but the planet Venus is in the west and Jupiter in the constellation Leo Major is the giant planet of our solar system, Jupiter. It is a wonderful spectacle to see. Venus is in the west and Jupiter in the east. On a line with Regulus, Alpha of Leo Major, and Jupiter is the wonder planet, Saturn. It is not as bright as either of the other planets mentioned. —Edgar Eisenstaedt, 7A

Our pets are increasing in number. We now have about ten. Mr. and Mrs. Ring Dove and son are renting space in the IB room, and the goldfish children found a home there, also, in a glass house. Mr. Mud Turtle, who lives in the 5th grade room, has come out of his underground winter home in the sand. He is dieting, but was persuaded to eat a light lunch the other day. The 6B's under the direction of Miss Doty. The 6B's under the direction of Miss White are working on their Robin Hood play. They hope to have it ready soon.

Our library is being increased. New books were purchased Saturday. Some of the books were written by Col. James Barnes, who spoke at Elm Place school recently. The 4B's gave a candy and popcorn sale which netted them \$10.95. The Parent-Teacher association meeting will be held this afternoon. The fourth grades will entertain with music and poems. Both eighth grades are giving a mock trial. The following is a portion of a letter received from Mrs. Howard C. Phillips thanking the children for the money received for the European relief fund.

The committee wishes to thank the pupils of the Elm Place grammar school for their generous contributions to the European relief council the starving children of central Europe, amounting now to \$650.30. We thank the children for their great generosity. Friday afternoon the Elm Place school orchestra gave its first concert. The four pieces played were Fox and Geese, For He's a Jolly Good Fellow, America, and A German March. We are certainly pleased with our orchestra. E. I. duPONT de NEMOURS & COMPANY

Have a Very Attractive Window Display

An unusual departure in the way of showing interior wall decorations and wood finishes is shown in the exhibit of DuPont in the window display of Wm. Witten, 300 Central Ave. Here is an exhibit of wall and wood coloring hitherto considered the heritage of kings and princes, now within the reach of all property owners. There is no mistaking the possibilities of what can be done in beautifying the interior of a home and at minimum cost after seeing this exhibit. The most surprising part of work of this kind is that it is done on the most ordinary pine wood panels, yet the color effects brought out are startling in surpassing beauty. In richness of tone and color they are even handsomer than the finer grades of circassian walnut. It is all in the color, and here is where the DuPont-Harrison Bridgeport and Chicago Varnish company combination is bound to be heard from in the paint world.

Most alarming of all the shortages recently reported has been the skirt shortage. After hearing a real jazz band some people feel like asking where they got their liquor. The superfluous office holders are looking forward with dread to the time when they have to go to work.

THE UNIVERSAL CAR

Ford Ton Truck Cuts Delivery Costs

The Ford One-Ton Truck has cut "delivery costs" for thousands of business houses, farmers, factories, corporations, etc. Thousands of owners attest to its economy of operation and maintenance. They call the Ford a real "necessity" in their business. Ask us for a copy of the "Ford—A Business Utility." Read what pleased owners say.

Built of tough Ford Steel with the ever-dependable Ford motor transmitting power to the aluminum-bronze worm drive, with demountable rims and pneumatic tires, front and rear, together with the mechanical simplicity, have helped to give the Ford Ton Truck the lowest possible operating and maintenance cost. It is the lowest priced one-ton truck on the market. Add to these practical merits our after-service organization, which insures every truck owner of Genuine Ford parts and skilled Ford mechanics, so that the Ford Truck need never be out of service.

To sum up: Serviceability, flexibility, power, durability, lowest first and operating costs, service, all together, are the Ford qualities which cut down expense and will help you cut your "delivery cost."
