M. E. CHURCH

The special pre-Easter services announced to begin the 14th, continued through last week and will continue until Easter. The various organizations sponsoring the services did well; each bringing a different crowd to the church. The attendance was good and the interest continues to grow.

Sunday Services
The services last Sunday were especially noteworthy. The S. S. experienced the largest attendance up to date, 113. The offering was very good. The morning service saw the largest attendance up to date. The teachers were asked during the previous week to have the pupils invite their parents to the morning service. The results were encouraging. While the parents did not all attend and while the officers and teachers did not all remain for the service, several parents arrived and a surprisingly large number of children remained for the church service. The interest and attention of these young people and children was most commendable. It was a real inspiration to all present and they are ready to repeat the experience.

The Epworth League had 18 present for the mission study class at 4 p. m. These young people remained for the fellowship hour from five to six when a fine luncheon was served by Mrs. H. W. Stoker and Mrs. J. C. Laegeler. Twenty-two were present for the fellowship hour and all except two remained through the Epworth League and church services that followed.

At 7:30 the chorus choir under the direction of Mr. H. V. Nichols gave several special selections. We are justly proud of this chorus choir of 15 young people. We feel that the best is yet to be.

At 8 o'clock Miss Moseley was introduced and presented in a most interesting manner the conditions and needs of the Grenfell mission in Labrador. She received a most responsive hearing and at the conclusion of her remarks an offering of \$1265.00 was made to that work.

The special services continue this week. Monday evening when the invitation was given to people to confess Christ as the Lord of their lives, we were all made glad to see eight persons come forward and announce their intention to dedicate their lives to Him and His service. Of these five were young men, one a young woman and the other two the mother of these young men and her 13 year old daughter. This service was sponsored by the young men's class. It was most fitting that these young men should declare themselves for Christianity. We have only one regret, that the officers and teachers were not present in force.

Tuesday evening the intermediate boys sponsor the service. These will be followed by the intermediate girls. And on Easter Sunday morning the entire S. S. will again sponsor the service. We are glad to say that the interest in these services is not at all confined to the S. S. men and women in this supreme question and we are trusting for God's blessing upon our consecrated efforts to bring to pass a complete transformation of community sentiment and community life so far as practical Christianity is concerned.

Easter
The S. S. meets at 9:30. At 10:45 the minister will give a short address. This will be followed by the administration of the rite of baptism and reception of new members.

At 2 p. m. a special service will be held for the christening of a number of infant children. The parents and friends of the children will be as nearly on time as possible. Any persons desiring to come for this brief season of worship are invited to do so. The Epworth League will have a sunrise Easter service followed by a breakfast of bacon and eggs—plus etc., etc. There will be no 6:30 p. m. service; at 7:30 a great evangelistic service.

The Congressional Record had only one page the other day. That won't go far toward lining the bureau drawers of the nation.

Some people think the secretary of the treasury is going to distribute Mellons in the tariff bill.

TRINITY CHURCH

Trinity church was filled to the doors last Sunday morning. It was Palm Sunday and the church was appropriately decorated and crosses of palms were blessed and distributed to the children at their service, to the choir and to the eleven o'clock congregation. The service was a most impressive one and a fitting prelude to Holy Week and Easter. The Holy Week services have been unusually well attended and on Good Friday there will be a penitential service at 9:30 and beginning promptly at noon there will be the three hours devotions, at which the addresses on the seven last words will be preached by the Rev. J. H. Edwards, of Lake Forest. On Good Friday evening, at 8 o'clock, Stainer's beautiful composition "The Crucifixion" will be sung by the choir. A cordial invitation is extended to the public to attend.

On Easter day there will be a celebration of the Holy Communion without music, except the organ at 7:30. At 11 o'clock there will be shortened matins and a choral Eucharist, and at 4:30 there will be a children's Easter service, at which their Easter offering will be collected and presented.

PRESBYTERIAN CHURCH

All services of this church on next Sunday and hereafter until further notice will be held on the daylight saving schedule.

Stereopticon slides of the events of Passion Week and the Resurrection will be shown accompanied by Bible readings. The music will be under the direction of Mr. Albert Renning. The program includes two chorus numbers, a quartette, a duet and a solo. The Easter offering will go toward a child's bed at the Presbyterian hospital and the Presbyterian work in Siam.

Morning worship at 11 o'clock. The Communicants' class will meet in two sections. The boys will meet at 2:15 and the girls at 3 in the afternoon at the Manse.

There will be an Easter vesper service at 4:30 in the afternoon in the church auditorium.

The Session will meet at 7:30 in the evening in the session room of the church.

The Young People's society will hold a party on Friday evening, April 1, in the church parlors.
