PLAN TO RE-ESTABLISH KHAKI AND BLUE CLUB

To Hold Dance May 7 in Chicago to Finance Project. Ask Co-operation of Public

"To keep Alive the Spirit of the Old Khaki and Blue Club"

General Wood. The Khaki and Blue club which was established during the war and which was located at the foot of Van Buren street, has been torn down and it is the desire of the club now to procure suitable quarters to carry on the work which proved so successful. In order to do this it is necessary for the club to procure funds to finance the project. At the present time the members are carrying on entertainment for soldiers and sailors on a very small scale, but they hope to enlarge the work so they may adequately serve all service and ex-service men whether members of the club or not. This movement has been endorsed by General Wood, Captain Wurtzbaugh, and many other prominent people. They plan, providing that they receive the support of the public, to open quarters on E. Madison street, opposite the La Salle hotel, for the service and ex-service men.

The Community Shop of this city has offered to help the club in this project.

It is also planned to hold a dance on May 7, on the U. S. S. Commodore, the proceeds of which will benefit the Khaki and Blue club.

It is up to the people in and around Chicago to see that the morale of the men is kept up now as much as it was during the war. By contributing to this cause, one furnishes clean amusement for them in service.

ATTORNEY EXPLAINS LOCAL TAX QUESTION (Continued from Page 1)

Upon presentation of the petition for an injunction to Judge Edwards the counsel for the taxing bodies stated to the Court that it was not the desire of any of the taxing bodies in Highland Park or in Lake County to collect any portion of the invalid tax resulting on account of the 80 per cent horizontal raise which had been declared by the Supreme Court prior to the extension of the tax. They stated that the tax had been extended through an error of judgment on the part of the County officials and that they disclaimed any desire to benefit in the collection of any illegal tax on account of this error. The Court at once stated his willingness to grant the injunction prayed for.

Certain property owners in Highland Park, represented by E. S. Gail and Henry F. Dickinson, made a motion to consolidate with the Buchanan bill the Frank P. Hawkins bill which had been brought simultaneously with the City's action, in which not only the illegal percentage raise resulting from the horizontal raise was involved, but certain other questions which, if decided in accordance with the taxpayer's contention, would increase the percentage of reduction to 32 per cent. The Court granted a motion to consolidate the two causes, and upon the granting of the temporary injunction, which was agreed to by all parties in Court, set the consolidated case for hearing fifteen days later as to the additional points involved in the Hawkins bill. Although the injunction granted in the Buchanan bill was a temporary injunction only, it was the understanding of all parties in Court, including the County Collector, that the injunction should be made permanent upon the latter hearing of the consolidated case as to the 2206 per cent, irrespective of whatever points therein raised, so that it is safe for any property owner to deduct 2206 per cent from his tax bill on real estate and to send his check for the balance, plus \$13 for each legal description involved, to the County Treasurer as payment of his taxes billed this year.

WOMANS CLUB HOLDS ANNUAL MEETING TUES. (Continued from Page 1)

tion the forthcoming history will be vitally interesting to old and new members alike.

Mrs. Harry Luther was made permanent chairman of the orphanage committee. This committee has for its immediate object help for the Dorcas home in Deerfield and the Lake Bluff orphanage. A pound of cereal, a glass of jelly, an outgrown pair of shoes, or half worn undergarments will bring relief and delight to children and matrons alike. Call Mrs. Luther, phone 1321, for an interesting idea on How You Can Help.

The election of officers for the succeeding term took place. Mrs. Frank R. Cain was elected president; Mrs. R. A. Carqueville, second vice-president; Mrs. Harry Paul, corresponding secretary; Mrs. Harry Mills, financial secretary and Mrs. Daniel Cobb, Mrs. Joseph L. Proctor and Mrs. Otis L. Beardsley as directors.

M. E. CHURCH

Wednesday evening Bible reading and prayer service at 7:30 is beyond all question the mutually helpful service of the church calendar. We are especially desirous that our people take advantage of this opportunity to study the great teachings of the Book, clarify their spiritual vision and receive new strength to do their Lord's work.

The ladies auxiliary will meet at the home of Mrs. T. E. Russel Friday at 2:30 p. m. on Sheridan Avenue, Highwood. This will be an interesting meeting and all ladies are invited to attend.

Special Services— We call especial attention this week to the services Lord's day. At the morning 10:45 service our district superintendent will preach. Dr. Clark has never attended one of our Sunday services and we are desirous that this his first visit and sermon shall be a most gratifying experience to him. The public is invited to help make it so. A boy's chorus will sing.

At 7:30 the W. F. M. S. will hold their annual thank offering service. This will be the first thank offering service for this society and we believe it will measure up to the past record of the society. Miss Abbot of India, a returned missionary, will make the address.

On the 30th of April, Miss Paine, will give a recital at the church in the interest of the Lake Bluff Orphanage. The prospects are there will be a large attendance.

The S. S. and E. L. require the renewed attention and diligence of our people. These departments are becoming more and more effective as we give more devoted attention to them.

"LET'S GO" DREW LARGE AUDIENCE

Full House Attended Entertainment Given by Young Men's Club Tuesday Evening

A full house attended the musical entertainment, "Let's Go" given by the members of the Young Men's club Tuesday evening at the Pearl theatre. The affair was a success from beginning to end, and was full of good music and snappy repartee. Of course, the most enjoyable part about a home talent play is watching one's fellowtownsmen demonstrate their dramatic ability. The acting throughout the performance was far above the average of home talent productions. The audience was in the spirit of the thing, and helped put the thing over. A great deal of credit goes to the members of the Young Men's club and their fair assistants who presented this clever affair.

Earl B. Hill, formerly a resident of North Chicago, and for a time associated with Charles Busch in the old North Chicago Times-Review, has attained considerable success since leaving his home in Lake County several years ago to enter the overseas service of the United States. Mr. Hill according to a report in a Waukegan newspaper, is now chief of staff of the McGraw-Hill publishing company in New York city, and has eleven technical magazines under his supervision. The report further states that it was Mr. Hill who made the sale of the vast government ship yards at Hog Island for the United States government.

Nobody has ever claimed that the man who wrote "Home Sweet Home" composed the same during the house cleaning season.
