## MR. AND MRS. BRYANT DIE; DOUBLE FUNERAL

### ONE DAUGHTER SURVIVES

George Bryant Found Dead in Bed Tuesday Morning; Heart Trouble Believed Cause of Sudden End

A double funeral service was held yesterday afternoon for George Bryant and his wife, Isabel Harvey Bryant. They were buried together at Memorial Park cemetery.

Mr. Bryant was found dead in bed Tuesday morning by his daughter, Ruth Bryant, who had gone to call her father. Heart failure was given as the cause of his sudden death. Mr. Bryant had been suffering from heart trouble for some time, and the shock of his wife's death so exhausted him that he was unable to resist the sudden attack. He had been in apparent good health Monday, and had made a trip to Memorial Park cemetery to secure a lot for Mrs. Bryant's grave. In the evening, however, those with him noticed that he was very much exhausted.

George Bryant was 74 years of age. He was born in Richfield Springs, and went to Chicago in 1887. He remained there until 1902, when he came to Highland Park. Since then the Bryants have lived here. He was president of the Bryant Manufacturing company, manufacturers of railway signal appliances in Chicago. He was a member of the Chicago Camera club and of the Royal Arcanum.

Isabel Harvey Bryant died at her home, 250 Central avenue, Sunday night. She had been ill for some time. Mrs. Bryant was born in Herkimer, N. Y. She was well loved by those who knew her.

One daughter, Ruth Harvey Bryant, survives. She is living at the family residence. There are no other immediate relatives.

The funeral services were held yesterday afternoon at 3:00 o'clock, Dr. P. C. Wolcott officiating.

## Y.W.C.A. DRIVE IS NOW IN PROGRESS

### HELP YOUR CAR WIN

Drive Started Monday Night With a Supper at Headquarters. Watch Auto Race on Y. W. Bldg.

The annual drive for this year's budget for the Y. W. C. A. started in earnest Monday evening with a buffet luncheon served in the gymnasium of the headquarters to the board members, team captains and team workers at six thirty p. m.

This was followed by a most inspiring talk by Miss Ethel Troy of the Central Field, Chicago, who put lots of pep and enthusiasm into the meeting.

The solicitors are calling on every one this week. Small donations are as acceptable as large ones.

Numbers are much to be desired. Do not wait for some one to call to the headquarters office where a force is on hand all day ready to receive any amount you may see fit to donate.

The Y. W. C. A. Stands for Much. It is a recreational and educational center for girls and young women. Must it become maimed and ineffective through lack of support by the community?

Its revenue producing departments are restricted through lack of equipment it cannot afford.

The gymnasium is small. Classes are restricted through lack of equipment must keep pace with the income.

The Cafeteria serves to its capacity.

The present quarters must be enlarged in order to care for the people who patronize it.

Funds are needed to pay for the building used for Cafeteria and boarding home.

A merry group of Girl Reserves meet twice a week.

The "Y" is a power for Health, Religious Inspiration, Education and Social Intercourse.

Stop and Think

Can Highland Park afford to get along without it, we need a flourishing Y. W. and you can have it by pushing the drive.

## HIGH SCHOOL CONCERT IS HUGE SUCCESS

Is Far Superior to Concerts of Past Years. Proceeds to go to Athletic Ass'n.

Perhaps one of the best and biggest annual spring concerts that Deerfield Shields has ever prepared was given last Friday evening. The various musical organizations such as the Mandolin club, the Glee clubs, the Band and the Orchestra were indeed splendid, in fact in some cases, superior to those of former years, while the chorus of over two hundred and fifty voices far exceeded any such organization of recent date in the high school. The proceeds of this tremendously successful affair will go to the Athletic Association of the school.

## CLOW GETS CONTRACT FOR HOSPITAL WORK

Local Contractor Will Have Charge of Construction of Two New Buildings

The Lake County hospital committee last week awarded a contract to Fred Clow of Highland Park, for the general work on the two new buildings to be erected at the Lake County hospital property, Waukegan. ARDEN SHORE WINTER CAMP

UNDER NOURISHED BOYS are a liability to the state. They are unable to earn a living.

ARDEN SHORE turns them into an asset. Makes them healthy and ambitious; gives them plenty of good food, fresh air, rest and play. Teaches lessons of loyalty to the United States. Makes useful citizens out of sullen, underfed weaklings. Arden Shore is now an all year round camp.

THE ANNUAL DRIVE for funds for maintenance of the camp begins May first.

YOUR HELP IS NEEDED

Arden Shore is making its annual appeal for funds. During the past years the generous support of friends on the North Shore has kept pace with Arden Shore's needs. Every spring when the call is made hundreds of generous friends contribute to the cause.

From late in June to early September, every day more than 500 mothers and small children are taken care of at Arden Shore camp. Each has a two weeks or longer outing during which food, shelter, medicine, rest and relaxation are freely and cheerfully furnished.

Unusual efforts are made to find mothers and small children actually needing these benefits and unable to get or pay for them. The United Charities, the Board of Education (vocational department) and original investigation locate the persons in Chicago. Arden Shore brings them out to the camp and takes them home again.

In winter the camp is used to build up under-nourished boys. There are hundreds of boys in Chicago who are so physically handicapped that they cannot receive their work certificates. In Chicago children who reach the

age of fourteen and are in the fifth grade are permitted to go to work providing that they are physically fit. It is these children that Arden Shore is interested in, and are given the opportunity to better their condition, and are thus more fit for work.

Contributions of any amount will be very much appreciated. Below is printed a blank which may be filled out and sent to Mrs. Roger S. Vail. Small amounts may be given by dropping the money into boxes which will be placed in the Highland Park State Bank, the Community Shop, and at the Moraine hotel. No amount is too small or too large.

Mail your pledge to Mrs. Roger S. Vail.

## WABASH AVE. Y.M.C.A. AT ELM PLACE SCHOOL

GRAHAM TAYLOR TO SPEAK

Noted Institution for Colored People to Give Attractive Program Thursday Evening, May Fifth

On Thursday evening, May 5, at 8 o'clock, a unique evening of entertainment consisting of negro folk lore, music and literature has been announced to take place in the auditorium of Elm Place school. The program is under the auspices of the Wabash avenue Y. M. C. A., that bright spot in the "Black Belt" of Chicago where citizenship and culture are being successfully taught.

The Armour Jubilee Singers with their natural wealth of melodious music will sing "spirituals" and folk songs. "Swing Low, Sweet Chariot," and "Steal Away" are two of the most famous songs of the plantations which they will sing.

The soloist will be Miss Pauline J. Lee, one of the best contraltos among the Negroes, two of her songs being by well known Negro composers. Miss Carol McCoy will give readings in dialect, including among the selections a poem by Paul Lawrence Dunbar, foremost among American Negro poets, whose works are universally regarded as fine literature.

The Rev. Edward Williams, former Y. M. C. A. secretary, and now pastor of Hope Presbyterian church, will give a talk on the work of the Wabash avenue Y. M. C. A. and the other educational agencies for the negroes in Chicago. With the increase of Chicago's negro population from 44,000 in 1910 to 109,000 in 1920, has widened in scope and importance and it is doing a remarkable work in helping to adjust the new-comers to life in the big city.

Brief introductory remarks will be made by Graham R. Taylor of Highland Park, who, it will be remembered, served three years in Russia and Siberia as special assistant to the American Ambassador during the last year of the czar's regime and through the various revolutions culminating in

200 ATTEND AFFAIR

Interesting Musical Program Given. Mr. O. B. Brand Gave Illustrated Talk On Highland Park

Two hundred members and their families and friends attended the entertainment given by Highland Park council 1066, Royal Arcanum, following the regular meeting Monday evening.

A delightful program was rendered in which several local people took part. Mr. H. E. Bolle, a teacher in the Deerfield-Shields high school, gave a cornet solo which was greatly enjoyed. Lois Larson delighted the audience with two dances, Anita's dance and a Polish dance. Mr. Clifford Moran sang two songs accompanied by Miss Salome Brand at the piano.

Following the program Mr. O. B. Brand, regent of Highland Park council, gave an illustrated talk on Highland Park from its founding by Marquette in 1674 up to the present day. In this talk Mr. Brand gave many interesting facts including the name of the first settler, Indian Clarke, and the date of his settling in this community in 1836; also the names and pictures of many other early settlers, and the founding of the various organizations and churches here and the establishment of the different business houses. The talk was greatly enjoyed by all, and those who were not there missed a rare treat.

Refreshments, consisting of ice cream, coffee and cake, were served by Mrs. O. B. Brand and Mrs. Ray Brand, and Messrs. Kuehne, Guyot and Greene, assisted by members of the local chapter.

the rule of the Bolsheviks. For the last eighteen months Mr. Taylor has been executive secretary of the "Chicago Commission on Race Relations," appointed by Governor Lowden to study and report upon the broad question of the relations between the two races.

## Y. M. C. BASEBALL TEAM DEFEATS WINNETKA

First Game of Season Played Sunday, Score 20-8. Wilmette to Play Here Sun.

Last Sunday afternoon at Winnetka, the Young Men's Club Baseball team of Highland Park, defeated the Winnetka team of the North Shore Baseball League by the score of 20-8. It was a very decisive victory for the Highland Park team. They made a total of twenty-two hits for a total of thirty-two bases. The game was featured by extra base hits. Rudolph drove out a home run; Rossman gathered a triple, while two base hits were made by Rudolph, Glader, F. Glader, and Elmer Therrien.

The team representing the Young Men's Club this season is with but few exceptions the Community Service team of last season. Sunday the team lined up as follows:

George Glader, cf; Landis, lf; Rudolph, 1st b.; F. Glader, ss; Rossman, 3rd b.; Gerkin, c; Ed. Therrien, 2nd b.; D. Gerkin, Olsen, rf.; Elmer Therrien, p.

The team this season is much stronger than that of last, as proved by the fact that Winnetka won both of its games from Highland Park last year.

Next Sunday, May 1st, the Young Men's Club team will meet Wilmette here, in the first home game of the season. With fine weather next Sunday, indications point to a big crowd at the opening game.

## COMPLETE PLANS FOR DANCE SATURDAY

Woman's Club Announce "Special Attractions" for Benefit Affair at High School

The second annual dance of the Highland Park Woman's club promises to be as enjoyable as the gala event of last year. Benson's prize orchestra has special instructions to come prepared with the latest of the late dances favorites as well as the old fashioned friendly Virginia reel.

The floor committee still refuses to divulge the nature of the 'special attractions' except to further pique curiosity by talking mysteriously of balloons and bubbles, moonlight and song.

The philanthropy fund must have around \$600.00 to meet the needs of the various organizations it is planned to benefit by this spring time party. Throw off the cares of the busy week, put on the spirit of good fellowship and comradeship and come to the high school Saturday night, April 30, at 8:30, prepared to dance dollars into the charities and joy into your own souls.

## LIFE SAVING CREW CALLED LAST WEEK

Made First Trip of the Season Last Wednesday; Soldiers were Adrift on Raft

The Highland Park Young Men's club life saving crew made its first trip of the season last Wednesday evening about seven o'clock, when a telephone call from the pumping station summoned the men to the beach. A raft carrying four soldiers had gone adrift at Fort Sheridan, and the strong west wind was driving the raft out into the lake. The local crew responded in a very few minutes. Upon their arrival at the beach another call from the Fort brought the information that a motor boat had been secured to rescue the drifting soldiers.

Sunday the boat house was cleaned and everything put in readiness for the summer season.

## 200 ATTEND LADY ELKS PARTY SATURDAY

Two hundred attended a dance given by the social club of the lady Elks held last Saturday evening in the Elks hall. The affair was a success financially as well as socially. At eleven o'clock a banner was presented to the Exalted Ruler, Mr. A. E. Smith, by the lady Elks.

## CHICAGO MASONS AID AT MEETING SATURDAY

SPECIAL CARS CHARTERED

Members of Richard Cole Lodge Came to Highland Park to Assist in Initiation Ceremonies

A special train chartered on the Chicago North Shore and Milwaukee railroad, with banners flying last Saturday afternoon, brought a big delegation of members from the Richard Cole Lodge of the Masonic Order at Chicago to Highland Park. The visitors came to take part in a big meeting and initiation held by the A. O. Fay lodge.

The ceremonies began about one o'clock in the afternoon. Four candidates, Messrs. Slescher, Kottirsch, Cope and Plagge, were raised to the sublime degree of masonry during the afternoon. After dinner the evening ceremonies began, the members of the Chicago lodge put on the work, Paul L. Udell being the evening candidate.

A fine banquet dinner, prepared by the lodge members themselves under the direction of Henry F. Clow, was served at six o'clock. The afternoon candidates were taught the art of taking the eyes out of about a bushel and a half of potatoes and the evening candidate was taught the use of "oats."

The dining room was beautifully decorated and a Gardinia was found at each place, which were donated by one of the new candidates, Mr. Kottirsch of Deerfield.

The membership of the local lodge has now passed the 350 mark, and the meeting Saturday demonstrated the great need for a new building.

At an early date the local lodge will go to Chicago to visit the Richard Cole lodge, and return the compliment that was paid them last Saturday.

## RECENT STORM COSTS TELEPHONE CO. \$500,000

About Seventy Seven Miles of Toll Circuit Destroyed by Storm of April 22

The storm of Saturday, April 22, was an expensive one for the Illinois Bell Telephone company.

A check-up by the company showed that fifty-seven hundred telephone poles were blown over by the wind. In many cases the lines between towns were entirely down, involving destruction of approximately seventy-seven miles of toll circuit.

By working day and night since the storm, the Telephone company's crews have been able to restore service to a limited degree to practically all points in the state.

It is estimated that the storm cost the Telephone company in excess of \$500,000. The area involved was about one hundred miles north and south, extending across the state in a northeasterly direction, approximately north of Peoria. The local service, except for certain farmer lines, has been generally restored and the toll service is rapidly being restored.
