### There's A Difference

You would be interested if you knew, as we do, what differences there are in the process of cleaning and renovating garments.

Garments cleaned by our process not only appear cleaner and feel cleaner, but actually REMAIN CLEAN longer, because they are entirely free from all odor and oily substance.

### Harmony!

Color schemes are rather delicate things to handle, and when working with flowers, where only seeds or bulbs are available when the garden is arranged, it is impossible for the novice to predict what the effect will be.

Years of experience are my clients' guarantee of effective, beautiful arrangements.
