METHOD OF PREPARING WORK

Customers desiring fancy designs worked on front, back, collar, etc., should run a basting thread outlining design.

Baste seams together as for ordinary stitching and then turn both seams one way and baste on right side of garment.

In preparing a blouse for hemstitching, baste all seams as if to sew by hand, using rather closer stitches. Do not press open the seams. This is done for all regular seams and yokes. For the armholes and cuffs leave the seams open or work cannot be done. For the shoulder however, this is not necessary. Hems are turned twice as if for ordinary stitching, but are basted rather closely.

Hems for skirts and ruffles should be turned twice and basted. For a ruffle, or any "gathered" material, the seam should always be turned AWAY from the ruffle or gather.

Hems with raw edges should be turned twice as prepared for machine stitching, except on Chiffon and similar thin fabrics, when one turn is sufficient.

PICOT EDGE IS HEMSTITCHING CUT IN TWO. It is advisable for customers to press hemstitching before cutting it ways for Picot Edge leave one-half inch margin.

BEADING LINGERIE: This attractive work can be easily accomplished simply by making a line of hemstitching to the right length for the ribbon, then cut the hemstitching apart and you have beading with a picot edge.

MRS. BLETSCH ENTERTAINS MOTHERS CLUB

Musical Program Is Rendered
By The Misses Morrison And
Bletsch Tuesday Evening

Mrs. W. E. Bletsch opened her beautiful home on Moraine Road Tuesday evening and entertained the Mother's club of the Y. W. C. A.

The hostess and her family dispensed the most cordial hospitality, making the evening long to be remembered by the large company privileged to be their guests.

The program consisted entirely of music leaving much time for social intercourse. Miss Elizabeth Morrison played several piano selections, which pleased all, and Miss Ruth Bletsch entertained with that exquisite instrument, the harp, the melody of which lingered long after the music had ceased. Both young women were very generous with their encores.

Delicious refreshments were served and a vote of thanks was tendered the hostess for the delightful evening afforded.

YOUNG MEN'S CLUB TROUPS WHEELING

Score 6 to 2 In Game Played
Sunday at Wheeling. To
Play Glencoe Sunday

Last Sunday afternoon some two hundred of the dyed-in-the-wool adherents of the Young Men's Club accompanied the team to Wheeling, a nearby resort, and had the pleasure of seeing the Home-Guards severely trounce the frisky ones from Wheeling to the tune of 6 to 2. The game was much better than the score shows for both teams were unable to send a man across the rubber for 4 innings. But after the locals had gotten a slant on the benders of the Wheeling pitcher they unlimbered their "heavies" and for a while the base "knocks" came so fast that Score-keeper Huber got palsy in the right hand. Then just to make it interesting and more "intricate" the Wheelingites scored and for a bit threatened to tie the knot, but Pitcher Rudolph with the aid of sparkling plays from the infield turned back the hordes and the day was saved. But seriously speaking this Young Men's Club is a clever combination of young and old athletes and well worth your while. The crowd was large, about 500 rabid fans rooted for their respective sides, and Old Sol was on hand and made things warm for all.

Notes on the Game

This little "Cricket" sure was hitting the old apple Sunday. Three good solid blows for extra bags every time.

Outfielder "Judge" Landis took his life in his hands every time he chased a fly-ball out in that "no man's land." But I don't notice any errors in his column.

What happened to the "smoke's" home-run record? Ruddy must have had something on it because this boy takes a wicked cut at that pill. Did you notice that tongue?

Wheelings are good sports, the notice how they kept right after the team even when they were being defeated?

Now everybody give a good pull for the Young Men's Club.

Next Sunday is an open date and is to be filled with Waukegan if possible. For definite information call the Club or the Center.

RAVINIA SCHOOL

The seventh and eighth grade pupils of the Ravinia school gave two short plays for their parents and friends at the Village house last Friday evening. The two plays, "The House of the Heart" and "Pageant of the Hours," both by Constance Mackay were very different in character but both were very successfully presented.

Our Summer Visitors

This is the time of the year when many good people from the south and from the City of Chicago select Highland Park and Ravinia to spend the summer months.

To all those we extend an invitation to establish here a temporary banking home, and make good use of our service and facilities.

We want to serve and bid you welcome.
