

A Good Resolution

No More I'll rub and scrub my duds—
I'll send 'em to the laundry.
No more I'll parboil in the suds—
My wash goes to the laundry.
No more I'll sweat, with face all red,
Till tired enough to go to bed,
For there'll be clothes when I am dead—
I'll send 'em to the laundry.

My life I love more than my clothes—
I'll send 'em to the laundry.
And why should I bear useless woes?
My wash goes to the laundry.
One life is all I'll get, 'tis true,
There's plenty more hard work to do,
And there'll be clothes when I am through
I'll send 'em to the laundry.

Epworth League—
The Epworth League of Highland Park Grace Methodist Episcopal Church, Lauretta Place and North Avenue, Highland Park, on Friday evening, June tenth, gathered at the parsonage and worked for two hours and a half on a lawn tennis court which we have long been contemplating. After the work was completed, that is, as much as we could then do, we adjourned to the church parlors for refreshments. All present had a fine time.

On Saturday afternoon, the three chapters of the Epworth League of Lake Shore sub-district, namely: Highland Park, Lake Forest and Lake Bluff, held a picnic in a grove one mile and a half from Lake Bluff, west. The affair was a grand success even if we did hike in the sun to the grove from Lake Bluff, and also hike back to Lake Bluff in the evening. An affair of this nature will probably be repeated at Highland Park in the near future. All young people who do not attend any church or any Young People's organization such as the Christian Endeavor are invited and urged to participate in our fellowship and attend our devotional meetings on Sunday evenings. To be connected with a Christian Young People's organization is the best pursuit a young man or woman can follow in our estimation.

M. E. CHURCH

The Quarterly Conference

On Monday evening the 13th, the first and third quarterly conferences were held at the church. The reports from the various department heads indicated the most prosperous and progressive condition since the beginning of the present pastorate. Although the church has been working under certain handicaps that might prove hinderances, the various departments have made the finest record in their history. Gradually the obstacles to the advancement and growth of our work are being overcome; new leadership is in process of development; the older leadership is to see the fruition of their labors and with renewed energy attack the problems of the future; new friends for our work are being found and old friends are being bound to us in bonds that are to grow stronger with each move forward. Our motto is "Service! Service! Service!" Because of the limitations of the past the larger service of which we think has not been possible. But these limitations are to be removed. Men and women favored of God with the power to perform special forms of work in behalf of their fellows are to come forward and offer their powers for Service. Other resources heretofore untouched are to be opened and the work of God in our midst is to be done in a way that will make the heart of our God glad.

"My brethren, be strong in the Lord and in the power of his might. "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities and powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."
