COMMENCEMENT ESSAYS

It is customary for cynical people to poke fun at the many suggestions for public improvement and reform made in the commencement essays of school and college graduates. These views are commonly looked at as idealistic and chimerical.

Young folks who have had a good course of study see many wrong conditions in the world. Assuming that everyone would wish to act in a fair and sensible manner, it is natural for them to think that the people generally would want such evils removed and would co-operate for the same.

But when these young folks get out into life, they often find that these hopes can not be realized. The trouble

may not be with the ideals. Much more likely it is because the average run of people are selfish and petty, disposed to consider their own personal interest and to take a very shortsighted view of that. So the trouble is not with the point of view of the young people, so much as with the tough and hardened old world that refuses to see the light and act on it.

FOUND GUILTY OF BLODGETT ROBBERY

Circuit Court Decides Against Johnson And Moir; Robbed Train Last Fall

Charles Johnson and William Moir of Chicago, last week were found guilty in circuit court, of robbing freight cars of the St. Paul company at Blodgett.

At the time of the robbery in November, 1920, Johnson was shot down by railroad detectives after he and Moir, who was arrested in an automobile a short distance away, and several others had removed two barrels of whisky from the freight cars.

Johnson was tried in Waukegan several months ago but the jury disagreed. Moir disappeared after his friends put up \$1,000 bonds. When his father, a Chicago railroad fireman, was notified that unless the bondsmen produced the son the bond would be forfeited, the latter came back from Indiana for trial.

THREE MOTORCYCLE POLICE FOR COUNTY

Sheriff Expects Fines to Cover Salaries of New Officers

Lake County is to have three motorcycle policemen to regulate the automobile traffic on the country roads.

The board of supervisors last Thursday afternoon referred the matter of hiring the motor cops to Sheriff E. J. Green and the finance committee of the county board. The sheriff met the committee at once and details of the plan to be followed were discussed. Belief was expressed that the county would not be put to any expense whatever for the services of the motor cops as it was felt that the fines that will be collected from violators will more than pay their salaries.

The finance committee suggested to the sheriff that all fines collected from speeders be turned over to him so that he can pay the salaries of the officers and turn the surplus over to the county.

The sheriff says that he and the committee have decided that they can get all the motorcycle policemen they desire by paying a salary of \$150 a month. In fact, he says, already he has received many applications from men desiring positions. One of the requirements is that applicants must supply their own machines.

SUMMER CAMP FOR GIRLS OPENS JUNE 28

Sunset Camp Service League Is Now an Incorporated Organization

The Sunset Camp Service league will reopen its summer camp for girls on June 28 at Diamond Lake. Since its inception in 1915, the camp has grown steadily each year, until it has doubled its quota. This spring the league has secured a state charter for the camp, so that now Sunset Camp Service league is an incorporated organization. The camp is situated on Diamond Lake, near Area, Ill., about forty miles from Chicago. It will be open until Sept. 6.

Last year 200 girls, between the ages of 14 and 18 were given vacations. There were five groups, each remaining for two weeks. The girls are recommended by Jewish social service agencies. At present the league has from 500 to 600 members. The dues ranging from \$2 to \$10. One of the principles is not, in any case, to raise money by drives or benefit performances. The camp is entirely supported by the league membership dues, direct contributions and special funds, including memorial and cot endowment funds.

\$18,337.19 COLLECTED IN FINES AND FEES

Board Votes To Use Surplus Money For Office Expenses of State's Attorney

During the six months State's Attorney A. V. Smith of Lake county has been in office and conducted wholesale raids against violators of the prohibitory law, his work has resulted in the payment of \$18,337.19 in fines and fees, of which there is a balance of \$7,616.07.

The profits from this source go into the school fund, but under a resolution adopted Tuesday this surplus hereafter will be used to pay stenographers' services, and for office equipment and supplies of the state's attorney and his office rent, and all expenses of the sheriff's office in connection with liquor violations.

In case there are not sufficient funds from fines and fees collected from liquor violations the difference will be made up from the general county fund, from which such expenses formerly were paid.

OPEN CATHOLIC HIGH SCHOOL IN WAUKEGAN

Sisters of the Holy Child Hope to Have New Buildings Within a Year

The Sisters of the Holy Child Jesus have taken formal possession of their new residence, Fair Oaks, 988 N. Sheridan Road, Waukegan. Renovations are about to begin on the home at 966 N. Sheridan Road, in which the recitation rooms of the Holy Child High School will be located for the present. Provision will be made for weekly boarders in the former Sexton home.

Within a year or so the Sisters hope to begin the erection of the first unit of the new High School building.

The High School is being opened at the invitation of his Grace, the Archbishop, and has his special approval as is shown by the following letter which was recently sent to all the Catholic pastors in Lake County.

Archdiocese of Chicago
Chancery Office
740 Cass Street
Chicago, June 9, 1921

Rev. My-dear Father X:—

By these lines we are giving you formal notification that the Sisters of the Holy Child Jesus, at our invitation, are undertaking the foundation of a Catholic High School for Waukegan and the neighboring parishes of Lake County. For this purpose they have secured a site and buildings thereon on North Sheridan Road. Under the circumstances, I would ask you to kindly extend to this community every courtesy and assistance in this undertaking fraught with great expense and worry for them, which however should prove of great spiritual benefit to the people of your parish and those in your vicinity.

With best wishes,
G. W. MUNDELL,
Archbishop of Chicago.

TWO DROWNINGS AT GRAYSLAKE FRIDAY

Chicago Men Lost Lives Trying To Swim To Boat Which Had Drifted

Archie Lund, 4418 Christiana avenue, member of the Chicago Tribune auditing department baseball team, and George Schurak, 4106 Christiana avenue, Chicago, were drowned in Gray's lake last Friday. Anthony Bulzaric, 2714 Herndon avenue, was drowned in Diamond Lake.

Lund and Schurak had gone out in a boat to a raft moored in the middle of the lake. They neglected to tie their boat and it drifted. They drowned while swimming toward the boat.

The death of these two men marked the third in the 24 hours. The first drowning was that of Anthony Bulzaric, 22, who was drowned at 8:30 Thursday evening in Diamond Lake.

FORT SHERIDAN CAMP NOW OPEN

R. O. T. C. Men From Universities Started Summer Training Course Fri.

Fort Sheridan last Friday opened the third annual summer camp of the Sixth Area, Reserve Officers' Training corps. One hundred and fifty students of Illinois, Wisconsin and Michigan schools will take the six weeks' course in military training.

Organization of three companies began Saturday under supervision of Col. W. D. Chitty, commandant, assisted by thirty officers from the Sixth Corps Area and from the infantry school at Camp Benning, Ga. Boys who attended previous camps will make up two companies. The third company will be instructed in military principles.

Actual work began Monday. Previous camps have accommodated between 500 and 600 students. Camp appropriations made by congress this year call for instruction of only 150 men.
