TIGHT GAME WON
BY Y. M. C. 4 TO 3
(Continued from Page one)

2. Fay lofted to Ruddy. Stachel out to Therrien. E. Fay tripled. Hishner out to Martin.

Rudolph was safe on another error at first. Sheahan popped to Clavey. Derkin singled advancing Rudolph. Martin fanned. A. Gerkin drew a pass and Landis fled out.

3. Clavey binged. So did M. Rudolph over third. Landis let it trickle through and Clavey scored. M. Rudolph went to second on a throw in but was trapped between second and third. Schroeder popped to Therrien and Stachel fled out to A. Gerkin.

Therrien looked good when he beat out a bunt and took second on an overthrow to first. F. Glader stepped into one and was perched on third when the ball came in, Therrien counting. Baldwin struck at a wild pitch which the catcher missed and Glader crossed the pan with the tying run. Baldwin was out to first. Ruddy breezed and Sheahan rolled out.

4. Hohlfeller watched three perfect ones float by and then walked over and got his drink of water. J. Fay hit and Stachel bounced to Ruddy who cut off Fay at second. Stachel was safe at first. E. Fay whiffed.

Gerkin singled and Martin walked. A. Gerkin, Landis and Therrien must belong to the same secret order for they all three whiffed in succession.

5. Hishner was safe at first. Clavey hit to Ruddy who turned in the "mush" and all hands were safe. M. Rudolph out to Ruddy, advancing Clavey and Hishner. Ruddy tightened and struck out Schroeder. Stachel out to Martin who made a perfect assist.

F. Glader fouled out. Baldwin stroled. Rudolph singled, Baldwin taking third. Ruddy pilfered. Sheahan fled out and Gerkin fanned.

6. Hohlfeller grounded out and J. Fay binged. Stachel lofted and J. Fay was out stealing.

Martin doubled viciously to left. Shriner sacrificed him to third. Landis and Therrien belonged to the aforementioned secret order promptly breezed as Martin expired at third.

7. E. Fay lofted one sky-high to Landis. Hishner grounded to Martin who has been playing a whale of a game, and Clavey lofted to Baldwin.

F. Glader was out on his grounder. Baldwin doubled and took third on a wild heave. Ruddy whiffed in the pinch and G. Glader who has been out of the game since he was injured at Lake Forest came up to pinch hit. He breezed.

8. The racket started in the 8th. Landis apparently dropped M. Rudolph's easy fly which he had in his hand. The ump called Rudolph safe but Landis came in and explained that he had caught the ball fairly and had dropped it when he drew back to throw the ball back into play. By this time the crowd was all over the field but the ump changed his decision and order was restored. Schroeder out to G. Glader. Stachel singled but Hohlfeller popped to G. Glader.

Gerkin breezed. Martin singled. Shriner breezed. Martin is now desperate as this is the second time he has been on with the winning run, and he makes a splendid pilfer of second, but he did not take into account that Landis who was next belonged to a secret organization pledged to whiff all day — which he forthwith did.

9. J. Ray grounded to F. Glader who made a great peg. Stachel struck out and E. Fay did likewise.

Therrien struck at three and the last one was wild so he was safe at first. F. Glader stroled. Clavey cracked and Baldwin brought Therrien in with the winning run.

Notes on the Game
We learned Monday night that Glenceo had protested the game on the grounds that the crowd had swarmed on the field and intimidated the ump into changing his decision. Umpire Simpson himself stated in a communication to the league heads that he was intimidated into changing his decision. It seems a sorry admission for anyone to make in a case of this kind. We quote from The Ballades of Brick McGovern as showing the kind of umpires needed in this North Shore League:
"He may have been safe, as you state," says Bill,
"But I called him out, and he's out until
"It's snowin' in H—, and there's sand on the sea!
"That's the kind of an ump I am," says he."

We have it on good authority that there will be plenty of ropes and police protection at the game next Sunday.

Landis was out Monday evening indulging in a little batting practice. The Judge was going nicely for awhile but of late has slumped with the stick.

The Young Men's club is arranging for a game to be played here on Highland Park day.

Highwood here next Sunday. Our neighbors to the north are now leading the league and the locals will strive to take them down a notch. A record crowd is assured when these rivals meet.

The prosperity of the concerns that sell sporting goods to the boys' schools is equalled by that of the ice cream parlors located near the girls' colleges.

**The Cool Way — The Clean Way
The Saving Way**
Those who know the Great Lakes have already made plans for their annual pilgrimage to America's Wonderland. Lake Erie, with its incomparable fleet of magnificent passenger vessels, is especially attractive to travelers, and plying its waters you will find some of the largest and most palatial steamers.
Of these the great ship, "SEE-ANDBEE," operating daily between Cleveland and Buffalo, is undoubtedly the most popular. The "SEE-ANDBEE" is the largest and most costly steamer on inland waters of the world, and her immense proportions and luxurious appointments prompt passengers to call her "The Floating Hotel."
The traveler finds rest and comfort via this lake route. By boarding the steamer at Cleveland or Buffalo at 9:00 p. m. (eastern standard time) he may break the monotony of the all rail journey, enjoy a night of refreshing sleep and reach destination at 7:30 the following morning.

A PRAYER
The day returns and brings us the petty round of irritating concerns and duties. Help us to play the man, help us to perform them with laughter and kind faces; let cheerfulness abound with industry. Give us to go blithely on our business all this day, bring us to our resting beds weary and content and undishonored, and grant us in the end the gift of sleep.
Amen. Robert Louis Stevenson.

Great consternation is caused by the deduction of the army appropriation, as some of the useless army posts may have to be abandoned.
